Independent Auditors' Report

The Plan Administrator
Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. Savings and Retirement Plan
Boston, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of April 1, 2023 and April 2, 2022, the related statement of changes in net assets available for benefits for the year ended April 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of April 1, 2023 and April 2, 2022 and for the year ended April 1, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of April 1, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

Note 1 - Description of the Plan

The following description of the Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. (the “Firm”) Savings and Retirement Plan (the “Plan”) is intended to give a general summary of its principal provisions. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan with a cash deferred arrangement that is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (the “Code”). The day-to-day operations of the Plan are supervised by the Retirement and Investment Committee appointed by the Firm. Fidelity Management Trust Company (“Fidelity”) is the trustee and custodian of the Plan. Substantially all investments are participant directed.

Eligibility

All employees who are not casual or leased employees of the Firm become eligible for participation on the date of hire or when he or she reached his or her 21st birthday and may elect to make contributions as of the date of hire or any subsequent entry date. For this purpose only, an associate of the Firm includes each senior professional who, by virtue of his or her employment agreement, is treated as having stature equivalent to that of an associate. Participation in the Plan is voluntary.

Vesting and Forfeitures

Participants are fully vested in their deferral, rollover contribution and Employer matching accounts.

Participants become fully vested in non-elective Employer contributions after three years of service, upon attaining age 65 (the “normal retirement age”) or termination of employment due to death, retirement or disability, as defined in the Plan. Participants who are not fully vested upon termination of employment with the Firm forfeit their unvested account balances. Forfeitures arising in any given year are applied to reduce the Firm contribution or administrative expenses for that year. As of April 1, 2023 and April 2, 2022, \$238,801 and \$398,561, respectively, of unvested balances were available to reduce the Firm’s contributions. Subsequent to year end, forfeitures in the amount of \$225,000 were used to offset a portion of the Employer non-elective contribution for the 2023 Plan year.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and an allocation of (a) the Employer contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Notes to Financial Statements

Note 1 - Description of the Plan (Continued)

Participant Contributions

Each participant may contribute up to 75% of their compensation subject to certain limits established by the Plan and the Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans ("Participant Rollovers").

Newly employed participants meeting eligibility requirements are automatically enrolled at 6% unless an alternative election is made. Subsequently, unless otherwise elected, their deferral election will be increased annually by 1%, up to a maximum of 10%.

Employer Matching Contributions

Each month, the Firm makes a matching contribution on behalf of each staff participant and other eligible employees, as defined, who have made a contribution. The amount of the matching contribution will be a percentage, as specified in the following table, of the participant's contribution up to a maximum of six percent of the participant's compensation, as defined in the Plan.

<i>Years of Firm Service</i>	<i>Percentage Match</i>
Less than 3	25%
3 or more	50%

Non-elective Employer Contributions

Annually, the Firm makes non-elective contributions on behalf of eligible participants (staff, members and senior professionals), based on a percentage of a participant's compensation, as defined in the Plan. The percentage is based upon a contribution tier to which the participant is assigned. Each participant is assigned to a contribution tier based on age and years of service for staff participants and class of member for participants who are members of the Firm. A participant receives a contribution only if he or she has been employed by the Firm for at least one year, as defined, has reached the age of 21, and is employed by the Firm on the last day of the Plan year unless participation ceased during the Plan year due to death, retirement or disability. For the Plan year ended April 1, 2023, the Employer contributed \$12,624,468, net of \$225,000 of forfeitures applied.

Contributions are limited to \$61,000 (as indexed in accordance with Code Section 415(c)) reduced by the maximum elective deferrals permitted under Code Section 402(g) for the calendar year and other Firm contributions, in which such Plan year begins.

Notes to Financial Statements

Note 1 - Description of the Plan (Continued)

Payment of Benefits

Upon termination of service as a result of normal retirement (age 65), disability, death or termination, a Participant whose account balance is greater than \$5,000 may elect to: (1) receive a lump-sum amount equal to the value of his or her account, (2) receive installment payments, (3) roll the vested balance into an IRA or an employer-sponsored retirement plan or (4) leave the amount in the Plan. Participants with balances from a prior Money Purchase Plan may elect a qualified joint and 50% survivor annuity distribution option. If a Participant's vested account balance is between \$1,000 and \$5,000, the Plan administrator, after notification, may rollover his or her entire vested account balance to the Participant in the form of an IRA rollover account on behalf of the former Participant. If a Participant's vested account is less than \$1,000, the Plan administrator automatically distributes the account balance to the Participant.

In-Service and Hardship Withdrawals

In-service withdrawals from a participant's deferral contribution and Employer matching accounts are permitted upon reaching age 59½. Hardship withdrawals are permitted from a participant's deferral contribution and Employer matching accounts. The minimum hardship withdrawal is \$500, and a participant may withdraw from the rollover contributions, prior Profit Sharing and prior Keogh account at any time.

Record Keeper

Fidelity Workplace Services, LLC acts as record keeper.

Investment Options

The assets are invested in mutual funds and a stable value common/collective trust through Fidelity. Plan participants have the option to invest their account balances among different Fidelity and non-Fidelity funds designated by the Plan's Retirement and Investment Committee.

A self-directed brokerage feature ("Self-directed brokerage") is also available to participants. Under this option, participants may direct their assets to be invested in equities, debt instruments, mutual funds, certificates of deposit and other classes of investments permitted by the Plan's Retirement and Investment Committee.

Plan Year End

The Plan's year end is the Saturday nearest to March 31. The last day for the Plan years 2023 and 2022 was April 1 and April 2, respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by Fidelity.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values

Individual participant accounts for the common/collective trust are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the trust, but do have an interest therein represented by units which are valued daily. The trust earns dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from the trust are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Loan maintenance and set up expenses are borne by the participant who requests and executes the loan. Self-directed brokerage account expenses, if any, are borne by the participant who opens and trades within the account.

Benefits Paid

Benefits are recorded when paid.

Note 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expenses as they are incurred. No allowance for credit losses has been recorded as of April 1, 2023 and April 2, 2022.

As permitted by applicable tax law, the Plan includes a provision for granting loans to participants. Loans may not exceed 50% of a participant's interest in the Plan, with the maximum loan to any participant from all the Firm's plans not to exceed \$50,000. Interest is charged at the prime rate in effect at the loan origination date plus 2%. The maximum term of a loan is 5 years unless the loan proceeds are used for the purchase of a primary residence of the participant, in which case the term may be extended to 10 years. Repayments are generally made through payroll deductions.

Subsequent Events

The Firm has evaluated subsequent events through February 5, 2024, the date that the financial statements were available to be issued. No significant matters were noted for disclosure during the evaluation.

Note 3 - Information Certified by Trustee and Custodian

Plan investments are held by the Plan's trustee and custodian, Fidelity Management Trust Company ("Fidelity"). The fair value of investments and notes receivable from participants as of April 1, 2023 and April 2, 2022 and all investment and notes receivable transactions for the year ended April 1, 2023, including interest and dividends, and net depreciation in fair values are certified as complete and accurate and reported to the Plan by Fidelity. Information contained in the supplemental Schedule of Assets (Held at End of Year) as of April 1, 2023 is also certified by Fidelity.

Notes to Financial Statements

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 1, 2023 and April 2, 2022.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common/Collective Trust Fund

A stable value fund that is composed primarily of indirect fully benefit-responsive investment contracts is valued at the NAV of units of the collective trust. The NAV, as provided by the trustee and custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Common Stocks, Preferred Stock, Corporate Bonds, Mutual Funds, Exchange Traded Funds and U.S. Government Securities (Self-Directed Brokerage Accounts)

Valued at closing price reported on the active market on which the individual securities are traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 1, 2023 and April 2, 2022:

Description	Assets at Fair Value as of April 1, 2023			
	Level I	Level II	Level III	Total
Mutual funds	\$ 469,640,446	\$ -	\$ -	\$ 469,640,446
Self-directed brokerage accounts	<u>72,850,895</u>	<u>-</u>	<u>-</u>	<u>72,850,895</u>
Total investments in the fair value hierarchy	\$ <u>542,491,341</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>542,491,341</u>
Investments measured at NAV practical expedient (a)				<u>8,072,175</u>

Total investments at fair value				\$ <u>612,981,888</u>

(a) In accordance with Accounting Standards Codification (ASC) Subtopic 820-10, "Fair Value Measurements," certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy amounts to amounts presented in the Statements of Net Assets Available for Benefits.

Note 5 - Fair Value of Investments that Calculate Net Asset Value Practical Expedient

The following table for April 1, 2023 and April 2, 2022 sets forth a summary of the Plan's investments with a reported NAV:

<i>Investments</i>	<i>Fair Value 4/1/2023</i>	<i>Fair Value 4/2/2022</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency</i>	<i>Redemption Notice Period</i>
Stable value common/collective trust (b)	\$ 8,072,175	\$ 8,582,509	\$ -	Daily	1 Day

(b) See Note 4 for the description of the stable value common/collective trust.

Note 6 - Plan Amendments or Termination

The Firm, at its discretion, may amend or terminate the Plan at any time. Upon termination or partial termination of the Plan, participants would become fully vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Firm may determine.

Note 7 - Tax Status

The Plan has adopted the Fidelity Volume Submitter Profit Sharing Plan with CODA ("Cash or Deferred Arrangement"), which received its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and continues to qualify under Section 401(a) and the related trust continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

MINTZ, LEVIN, COHN, FERRIS, GLOVSKY AND POPEO, P.C.
SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as an international conflict that could have an impact on investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9 - Exempt Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds and units in a stable value common/collective trust managed by Fidelity. Fidelity is the trustee and custodian as defined and, therefore, these transactions qualify as party-in-interest. For the year ended April 1, 2023, fees paid directly to Fidelity amounted to \$181,588. In addition, notes receivable from participants also qualify as exempt party-in-interest transactions, as defined by ERISA.

During the Plan year ended April 1, 2023, the Plan received revenue credits of \$40,688 from Fidelity. The revenue credits are reported as other income on the Statement of Changes in Net Assets Available for Benefits. The credits are used to offset plan expenses.
