Independent Auditors' Report

To the Plan Administrator
Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan
North Charleston, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Sanders Brothers Construction Co., Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan 401(k) and profit-sharing plan covering employees of Sanders Brothers Construction Co., Inc., except for union and non-resident alien employees, who are at least age 18 and have worked 3 consecutive calendar months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may contribute a percentage or amount of their pretax or after-tax compensation, as defined by the Plan, not to exceed the annual limits as defined by the Internal Revenue Code. Participants who have attained the age of 50 before the end of the year are eligible to make catch-up contributions. Participants may contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options and participants may change their allocations among the various investment options at any time.

The employer has the discretion to make a year-end match and/or profit-sharing employer contribution each year. During fiscal year ended June 30, 2023, the employer match contribution is dollar for dollar up to 6% of the compensation. Total employer match contributions for the fiscal year ended June 30, 2023 was \$1,025,907. The profit-sharing contribution is based on the percentage of the employee compensation to total compensation. The contribution is provided and calculated at year end only. Total profit-sharing contribution for the fiscal year ended June 30, 2023 was \$205,188. The employee must be employed, except for normal retirement, death or disability, at the end of the year to receive the match and profit-sharing contributions.

Vesting - Plan participants are always 100% vested in rollover contributions, employee contributions, and any earnings thereon. Employer matching contributions are 100% vested after three (3) years of service and profit-sharing contributions and any earnings thereon will be vested in accordance with the following schedule:

Years of Service for Vesting	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Accounts - Each participant's account is credited with the participant's contributions, Company discretionary contributions, rollover contributions and earnings, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers money market funds, mutual funds and a common collective trust as investment options for participants.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures - The plan permits forfeitures to be used to reduce future Company contributions, restore forfeitures, reallocate as company contributions, or pay Plan fees. During the year ended June 30, 2023, forfeitures in the amount of \$47,688 were added to the forfeiture account, the account earned \$800 and the employer offset contributions of \$11,879 to the plan. The balance of the forfeiture account as of June 30, 2023 was \$32,168. During the year ended June 30, 2022, forfeitures in the amount of \$9,592 were added to the forfeiture account, the account earned \$31 and the employer offset contributions of \$-0- to the plan. The balance of the forfeiture account as of June 30, 2022 was \$43,247.

Payment of Benefits - Payment of benefits from a participant's account may be made only for the following reasons: termination of employment, financial hardship, retirement, in service at 59^{1/2}, death or disability. Upon occurrence of one of these events and upon election of the participant, the Plan will distribute to the participant 100% of the participant's vested account balance. A participant may receive a lump sum amount equal to the value to the participant's vested interest in his or her account. The Plan Sponsor may elect to distribute funds to terminated participants through the automatic mandatory involuntary cash-out provision, for any balances less than \$5,000 as an individual retirement account rollover and amounts less than \$1,000 directly to the participant.

Recordkeeping and Investment Expenses - The Plan's fees and expenses are paid either by the Plan or the Plan Sponsor as provided by the Plan document.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States.

Payment of Benefits - Benefits paid to participants are recorded when paid.

Use of Estimates - The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States requires that the Plan administrator make estimates and use assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates. The Plan administrator is not aware of any condition or event that is likely to severely affect its estimates in the near-term.

Investment, Valuation, and Income Recognition - The Plan's investments are stated at fair value. Investments are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned daily and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation (depreciation) in fair market value of investments for such investments.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events - The Plan has evaluated subsequent events through the report date, the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED BY AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Matrix Trust Company, the custodian, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule. Accordingly, the custodian has certified the Plan's assets to completeness and accuracy of the common collective trust, mutual funds, money market funds, and cash for the statements of net assets available for benefits as of June 30, 2023 and 2022, the statement of changes in net assets available for benefits, the supplemental schedule of assets (held at end of year) as of June 30, 2023. The following is a summary of the investments from participants certified by the custodian as of June 30, 2023 and 2022.

	<u>2023</u>	<u>2022</u>
Money market funds	\$ 34,460	\$ 45,419

Matrix Trust Company certified to the completeness and accuracy of the interest and dividend income of \$1,066,849 and net investment appreciation of \$4,575,757 for the fiscal year ended June 30, 2023.

NOTE 4. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2023 and 2022.

Money market funds: Valued at the reported amount on deposit held by the Plan at year end.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. Mutual funds are required to publish their daily NAV and transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Common collective trust: Net asset value (NAV) is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount differing from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a common trust fund, the investment adviser reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023:

	<u>Level 1</u>		<u>Level 2</u>		<u>Level 3</u>		<u>Fair Value</u>
Money market funds	\$ 34,460	\$	-	\$	-	\$	34,460
Mutual funds	34,165,727		-		-		34,165,727
Total investments, measured at fair value	<u>\$ 34,200,187</u>	\$	<u>-</u>	\$	<u>-</u>	\$	<u>34,200,187</u>
Common collective trust, at net asset value as a practical expedient (a)							<u>2,668,130</u>

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Money market funds	\$ 45,419	\$ -	\$ -	\$ 45,419
Mutual funds	28,906,980	-	-	28,906,980
Total investments, measured at fair value	<u>\$ 28,952,399</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 28,952,399</u>
Common collective trust, at net asset value as a practical expedient (a)				<u>2,070,107</u>
Total Investments				<u>\$ 31,022,506</u>

(a) Certain investments that were measured at net asset value per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan for June 30, 2023 and 2022:

<u>Investment</u>	<u>Fair Value at June 30, 2023</u>	<u>Fair Value at June 30, 2022</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Galliard Stable Value Fund C	\$ 2,668,130	\$ 2,070,107	-	Daily	(b)

(b) Withdrawals initiated by Plan participants are honored at any time without penalty. If the Plan sponsor were to initiate the withdrawal from the fund, a 12-month written notice of intent to withdraw assets from the fund would be required.

NOTE 5. INCOME TAX STATUS

The Plan has timely adopted a restated, via a non-standardized adoption agreement, pre-approved profit-sharing plan. The pre-approved profit-sharing plan has received an opinion letter from the IRS dated June 30, 2020, whereby the IRS stated that the pre-approved profit sharing plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). While the Plan cannot rely on the pre-approved's opinion letter, the Plan administrator believes that the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, believes that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be substantiated upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments such as mutual funds and investment contracts. Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility. Market risks include global events which could impact the value of investment securities, such as international conflict. Due to level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and such changes could materially affect the amounts reported in the financial statements.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

NOTE 8. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

For the years ended June 30, 2023 and 2022, certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements and investment related expenses are included in net appreciation of fair value of investments.

The Plan pays certain fees for the recordkeeper, South State Bank Retirement Services; and custodian, Matrix Trust Company. These transactions qualify as party-in-interest transactions.

NOTE 9. PLAN RESTATEMENT AND AMENDMENT

The Plan was restated effectively, July 1, 2021, for the Cycle 3 qualified pre-approved non-standardized plan as required by the Internal Revenue Service and reflect a change from age 21 to age 18 for eligibility for a participant.
