Independent Auditor's Report

To the Board of Trustees
Palmetto Infusion Services, LLC 401(k) Plan
Pawleys Island, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ***Palmetto Infusion Services, LLC 401(K) Plan*** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3. to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — Supplemental Schedules Required by ERISA

The 2022 supplemental Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2022 and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the 2022 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 1. Description of Plan

The following description of the Palmetto Infusion Services, LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all employees of Palmetto Infusion Services, LLC and members of a controlled group of businesses under common control or ownership (collectively, the Company) established by the Company with an effective date of January 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974. All employees of the Company on January 1, 2016, were eligible to participate in the Plan.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily (i) add COVID-19-related distributions of up to \$100,000 for eligible participants, (ii) permit employees to repay COVID-19 related distributions within three years of the date of distribution as a rollover contribution, (iii) increase the limit on Plan loans for eligible participants to the maximum permitted under the CARES Act, (iv) suspend payments on Plan loans otherwise due in 2020 for eligible participants, and (v) suspend required minimum distributions for 2020. These temporary CARES Act provisions expired at the end of 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025, deadline.

The plan administrators oversee the governance of the Plan, including determining the appropriateness of the investment offerings and monitoring investment performance.

Plan amendment

On April 3, 2020, the plan was amended to reflect statutory changes pursuant to the Bipartisan Budget Act of 2018 and Code Sections 401(K) and 401(m) 2019 Final Hardship Regulations and any related guidance. This amendment eliminated the suspension of employee elective deferrals as a result of an employee's hardship withdrawal and requires participants to certify that they have insufficient cash or liquid assets reasonably available to satisfy their financial need.

Eligibility and participation

An employee of the Company is eligible to participate in the Plan if he or she has completed three months of service, has attained age 18, is not covered by a collective bargaining agreement, and is not a non-resident alien.

Plan entry dates are the first day of January, April, July, and October of each calendar year.

Administration

The Company is the plan administrator. The organizations involved in the administration of the Plan were as follows: Empower Annuity Insurance Co of America and Empower Trust Company, LLC served as the trustee, custodian and recordkeeper for the years ended December 31, 2022 and 2021. Empower Advisory Group, LLC served as the Investment Advisor and Loren D. Stark Company served as the contract Administrator.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 1. Description of Plan (Continued)

Contributions

Each year participants may contribute a percentage of their annual compensation, as defined by the Plan, subject to the limitations as defined in the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company has adopted safe harbor matching provisions. Under these provisions, the Company contributes safe harbor matching contributions equal to 100% of contributions made by a participant that do not exceed 3% of the participant's compensation, plus 50% of the contributions made by a participant that exceed 3% of the participant's compensation but that do not exceed 5% of the participant's compensation. The Company made safe harbor matching contributions of approximately \$704,300 and \$569,400 during the years ended December 31, 2022 and 2021, respectively.

The Company may also make discretionary non-elective contributions. Discretionary non-elective contributions are allocated to every Plan participant who is employed on the last day of the plan year and who is credited with more than three months of service, died, became disabled, or reached retirement age during the plan year. The allocation is based on the same ratio as each participant's compensation bears to the total of all participants' compensation. The Company made no discretionary non-elective contributions for the years ended December 31, 2022 and 2021.

Participant accounts

Individual accounts are maintained for each participant to reflect the participant's contributions and related Company safe harbor contributions and allocation of the Company's additional discretionary non-elective contributions, if any, and Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary non-elective contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after three years of credited service. A participant who dies, becomes permanently disabled, or attains normal retirement age while employed will also become 100% vested. Participants are 100% vested in rollover and transfer contributions.

Investment options

Upon enrollment in the Plan, participants may direct their contributions, the Company's safe harbor matching contributions, and additional discretionary non-elective contributions, if any, into various investment options offered by the Plan. Participants may change their investment options at any time.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. At December 31, 2022 and 2021, forfeited balances of terminated participant's non-vested accounts, and earnings thereon, were insignificant to the Plan. Forfeited discretionary non-elective contributions may be used to reduce the Company's contribution for any plan year subsequent to the plan year in which the forfeitures occur or pay administrative expenses as directed by the plan administrator. Forfeitures were not used to offset employer or administrative expenses in 2022 or 2021.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 1. Description of Plan (Continued)

Withdrawal and payment of benefits

On termination of service, if a participant's vested account balance does not exceed \$1,000 (excluding rollover contributions and earnings thereon), the Plan will automatically distribute the participant's vested account balance in a lump sum. If his or her vested account balance exceeds \$1,000 but is less than \$5,000 (excluding rollover contributions and earnings thereon), a participant may elect to receive a single lump sum, partial payments, or roll over the vested balance into an Individual Retirement Account (IRA) or other qualified plan; however, if no election is made by the participant, the Plan will automatically roll over the vested balance into an IRA. If his or her balance exceeds \$5,000 (excluding rollover contributions and earnings thereon), a participant may leave his or her balance in the Plan or elect to receive the value of the participant's vested interest in his or her account in the form of a single lump sum, partial payments, or roll over the vested balance into an IRA or other qualified plan.

Prior to termination of employment, a participant may take a hardship withdrawal of any part of participant's total elective deferrals, plus earnings thereon. There are no limitations on the number of hardship withdrawals and no minimum amount that may be taken during a plan year.

Participants still employed may withdraw all or part of their account balance attributable to his or her rollover contributions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis; interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

401(K) PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition (continued)

Management fees and operating expenses charged to the Plan for investments in shares of registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment returns.

Contributions

Employee contributions are recorded in the period during which the Company makes payroll deductions from the participant's earnings.

The Company's safe harbor matching contributions are recorded in the period during which the Company makes payroll deductions from the participant's earnings.

The Company's additional discretionary non-elective contributions are accrued and paid based on amounts to be funded for each year under the Plan provisions and the applicable requirements of the IRC.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Personnel within the Company perform many administrative duties of the Plan, including maintenance of personnel files and reconciliation of payroll records, at no charge to the Plan. Certain administrative expenses are paid by the Company; other administrative expenses are paid from the Plan and are charged to the individual participant's accounts.

Note 3. Information Prepared and Certified by Custodians

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and dividends for the year then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the custodians of the Plan).

Note 4. Group Annuity Contract with Insurance Company

The plan offers its participants a group annuity contract with Empower Annuity Insurance Company of America (Empower) totaling \$92,631 for the year ended December 31, 2022 and with Great-West Life & Annuity Insurance Company (Great West) totaling \$14,704 for the year ended December 31, 2021. Empower maintains the contributions in a general account. The account is credited for participant contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is not considered to be fully benefit responsive because no specified interest rate is guaranteed to the Plan.

401(K) PLAN**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 5. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022.

- *Shares of registered investment companies (mutual funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Fixed Annuities:* The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Note 5. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 9,586,804	\$ -	\$ -	\$ 9,586,804
Fixed annuities	-	92,631	-	92,631
	<u>\$ 9,586,804</u>	<u>\$ 92,631</u>	<u>\$ -</u>	<u>\$ 9,679,435</u>

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 9,410,055	\$ -	\$ -	\$ 9,410,055
Fixed annuities	-	14,704	-	14,704
	<u>\$ 9,410,055</u>	<u>\$ 14,704</u>	<u>\$ -</u>	<u>\$ 9,424,759</u>

Note 6. Income Tax Status

The Plan adopted a pre-approved plan. The volume submitter practitioner, WLR & Associates, Inc., received a volume submitter program letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the Plan was qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, was exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Subsequent to the approval by the IRS, the Plan was amended. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and therefore, believes that the Plan, as amended, is qualified and is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 9. Party-In-Interest Transactions

The group annuity contract (described in Note 4) is managed by Empower. Empower is also the recordkeeper as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid for recordkeeping services were \$12,952 and \$6,069 for the years ended December 31, 2022 and 2021, respectively.

Empower Advisory Group LLC and Advised Asset Group LLC were the investment management companies for the years ended December 31, 2022 and 2021, respectively, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid for advisor services were \$14,312 and \$7,297 for the years ended December 31, 2022 and 2021, respectively.

Loren D. Stark Company is the plan contract administrator as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Commissions paid to Loren D. Stark Company were \$2,350 and \$950 for the years ended December 31, 2022 and 2021, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules under ERISA.

Note 10. Delinquent Contributions

Due to administrative errors, the Company did not remit certain participant contributions of \$172,652 and \$120,630 in a timely manner as defined by ERISA during 2022 and 2021, respectively. These contributions are considered non-exempt party-in-interest transactions which may result in an imposition of a 15% excise tax on the amount of the transaction. The Company intends to compensate participants for any potential lost earnings associated with the delay in remitting contributions. The accompanying financial statements do not include any adjustments or accruals related to the potential liability for excise tax or lost earnings.

Note 11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the net assets available for benefits per the Form 5500 at December 31, 2022 and 2021:
