INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Plan Administrator
Peaden 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Peaden 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Peaden 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Peaden 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peaden 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements, are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Peaden 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Peaden 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

1. PLAN DESCRIPTION

On April 1, 2022, the Plan's name changed from Ambient Air, LLC 401(k) Plan to Peaden 401(k) Plan. The following brief description of the Peaden 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees, except for nonresident aliens and collectively bargained employees, of Peaden (the Company) and all related employers of the controlled group of employers and affiliated service group. All employees who are 18 years of age and have completed six months of consecutive service are eligible to participate in the Plan. Entry dates into the Plan are the first day of the month coinciding with or next following satisfaction of the minimum age and service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Fidelity Management Trust Company is the trustee of the Plan. The Plan is a participant-directed plan offering several investment options.

Contributions

Participants may elect to defer up to 100% of their compensation each year up to the maximum amount permissible by the Internal Revenue Code (IRC). Participants are permitted to contribute catch-up contributions in accordance with IRC requirements, Roth deferrals and rollover contributions from other qualified retirement plans. The Company may make a matching contribution equal to a discretionary percentage to be determined by the Company to only employees who meet the minimum service requirement or to all employees with no required conditions. The Company did not match for the year ended December 31, 2022, and elected to match 25% up to 4% of the employee's contribution for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, Plan earnings and allocation of the Company's contribution (if any) and charged with an allocation of administrative expenses and plan losses. Allocations are based on participant salary or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive a lump-sum distribution if the participant's vested interest in their account is less than \$5,000. If the participant's vested interest in their account exceeds \$5,000, the participant may elect to receive either a lump-sum amount, equal to the value of the vested interest in their account, or one of several annuity options. Participant rollover contributions are distributable as a lump sum at any time. Participants age 59½ or older may elect to receive a distribution of the vested portion of their account balance regardless of employment with the minimum required distributions beginning at age 72. The benefit to which a participant is entitled consists of their contributions and earnings thereon and their accumulated share of vested annual employer contributions (if any) and investment earnings that are allocated according to length of service and amount of annual compensation.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

1. PLAN DESCRIPTION – CONTINUED

Hardship Withdrawals

A participant may withdraw all or part of the value of their rollover contributions account at any time. Additionally, a participant may make a hardship withdrawal in the event of severe financial need, as defined by Internal Revenue Service (IRS) regulations.

Participant Loans

Participants may borrow from their vested account balance in accordance with IRC requirements. New loan issuances are limited to one loan outstanding per participant per 12-month period. The loan amount is allowed at a minimum of \$1,000 and a maximum of 50% of the participant's vested balance up to \$50,000. The loans are secured by the vested balance in the participant's account and bear interest at a rate of prime plus 1% at the time of the loan. Principal and interest are payable ratably through payroll deductions over terms ranging up to five years, except for home loans, which may range up to 15 years.

Vesting

Participants are fully vested with respect to their voluntary contributions plus actual earnings thereon. Vesting of employer contributions is based on years of credited service beginning with the participant's date of hire. The standard vesting schedule is as follows:

Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Forfeited Accounts

Forfeited non-vested contributions are used to reduce future employer contributions or pay Plan expenses. As of December 31, 2022 and 2021, the forfeited non-vested account balance was \$0 and \$3,240, respectively. As of December 31, 2022, the Plan used \$5,273 to reduce administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**PEADEN 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds are valued at the daily closing price as reported by the fund. The valuations of the investments in the pooled separate accounts are based upon the Net Asset Value (NAV) as provided by the custodian of the fund. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. NAVs are reported by the funds and are supported by the unit prices of actual purchases and sale transactions occurring as of or close to the financial statement date. The NAV of the funds are calculated daily, and net investment income and realized and unrealized gains on investments are not distributed but rather reinvested and reflected in the NAV of the fund. The Plan presents in the statement of changes in net assets available for plan benefits, the net depreciation in the fair value of its investments, which consists of the realized gains or losses on investments sold during the year and the unrealized gains or losses on investments held at year-end. Purchases and sales of securities are recorded on a trade-date basis.

Payment of Benefits

Benefits to participants are recorded when paid.

Administration

The Company serves as the administrator for the Plan and has sole responsibility for the administration of the Plan. Those services are provided without charge to the Plan. Other administrative expenses such as Plan accounting and auditing fees are paid by the Company.

Events Occurring After Reporting Date

The Plan has evaluated events and transactions that occurred between December 31, 2022 and January 22, 2024, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule that was prepared by the trustee for the year ended December 31, 2022, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee (previously the custodian as of December 31, 2021) that such information is complete and accurate.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. ASC Topic 820 defines fair value as the price which would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level, within the fair value hierarchy, is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022 and 2021:

Interest Bearing Cash: Consists of money market funds. Because of the nature of these assets, carrying amounts approximate fair value.

**PEADEN 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

4. FAIR VALUE MEASUREMENTS – CONTINUED

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Based upon net asset value (NAV) as a practical expedient. The NAV of a pooled separate account is based on the market value of its underlying investments. The pooled separate account's NAV is not a publicly quoted price in an active market.

The following tables present the Plan's investments at fair value, categorized by level within the fair value hierarchy, on a recurring basis at:

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 170,911	\$ -	\$ -	\$ 170,911
Mutual funds	1,438,261	-	-	1,438,261
Total investments at fair value	<u>\$ 1,609,172</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,609,172</u>

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Pooled separate accounts ^(a)	\$ -	\$ 1,950,621	\$ -	\$ 1,950,621
Total investments at fair value	<u>\$ -</u>	<u>\$ 1,950,621</u>	<u>\$ -</u>	<u>\$ 1,950,621</u>

(a) This category includes various investments measured at fair value using NAV as a practical expedient. The fair value of the funds has been estimated based on the fair value of the underlying investments in the funds as previously discussed in Note 2. In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items in the statements of net assets available for benefits.

Investments measured at NAV (investments of pooled separate accounts and investments within a common collective trust) consist solely of mutual funds, each of which follows a separate investment strategy as described in the following paragraphs:

Lifestyle portfolio funds: these funds use a mix of assets and an asset allocation strategy in their investing approach, but their goals are more focused on providing investors a vehicle for long-term investing. Lifestyle portfolio funds will follow the traditional concept of modern portfolio theory, using an optimal mix of equity and debt based on the fund's risk tolerance.

Conservative investment funds: an investing strategy that seeks to preserve an investment portfolio's value by investing in lower risk securities such as fixed-income and money market securities, and often blue-chip or large-cap equities.

**PEADEN 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

4. FAIR VALUE MEASUREMENTS – CONTINUED

Income funds: a type of mutual fund or exchange-traded fund that emphasizes current income, either on a monthly or quarterly basis, as opposed to capital appreciation. Such funds usually hold a variety of government, municipal and corporate debt obligations, preferred stock, money market instruments and dividend-paying stocks.

Growth and income funds: mutual funds or exchange-traded funds that have a dual strategy of capital appreciation (growth) and current income generation through dividends or interest payments. The growth and income funds may invest only in equities or in a combination of stocks, bonds, real estate investment trusts and other securities.

Growth funds: diversified portfolios of stocks that have capital appreciation as its primary goal, with little or no dividend payouts. The portfolios mainly consist of companies with above average growth that reinvest their earnings into expansion, acquisitions and/or research and development. Most growth funds offer higher potential capital appreciation but usually at above average risk.

Aggressive growth funds: mutual funds that seek capital gains by investing in aggressive growth stocks. Investments held in these funds are companies that demonstrate high growth potential. Aggressive growth funds seek to provide above average market returns; however, their underlying investments are often volatile causing high share price volatility. The redemption frequency and the period of the above investments are on a daily basis. There are no unfunded commitments or redemption restrictions.

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by the trustee or affiliates of the trustee. Therefore, those transactions qualify as parties-in-interest, which are exempt from the prohibited transaction rules. As disclosed in Note 1, the Plan pays administration fees to the trustee. Notes receivable from participants are also parties-in-interest transactions, which are exempt from the prohibited transaction rules.

6. INCOME TAX STATUS

The Plan has adopted a volume submitter plan sponsored by FMR LLC. The IRS has determined and informed FMR LLC by an advisory letter dated June 30, 2020, that the volume submitter plan is designed in accordance with applicable sections of the IRC. The volume submitter plan has been amended since receiving the advisory letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for taxes has been included in the Plan's financial statements.

**PEADEN 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

6. INCOME TAX STATUS – CONTINUED

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

8. TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant's account balance shall become fully vested and nonforfeitable. Plan assets will be allocated to provide benefits to participants based on their individual account balances.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

	<u>2022</u>	<u>2021</u>
Net assets available for plan benefits per financial statements	\$ 1,620,754	\$ 1,982,954
