INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Petro Services, Inc. 401(k) Profit Sharing Plan and Trust
Jacksonville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Petro Services, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Petro Services, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D. to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Petro Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Petro Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Petro Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Petro Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PETRO SERVICES, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

A. Description of Plan:

The following description of the Petro Services, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General:

The Plan is a single employer 401(k) defined contribution plan that covers all eligible employees of the following affiliated group of companies; Petro Services, Inc., C&R General Contractors, Inc. and its wholly owned subsidiary Universal Petroleum Services Inc.; Cavan Electric, Inc., InVent, Inc. and Ecotech Environmental Services, Inc. (collectively the "Companies" or "Plan Sponsors"). The Plan provides for participant contributions through salary reduction in accordance with section 401(k) of the Internal Revenue Code of 1986 (as amended). The Plan Sponsors contribute a yearly matching contribution of 50% of the first 6% of compensation a participant defers into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. All contributions to the Plan are participant directed.

Eligibility

Employees of the Plan Sponsors who have completed six months of service are eligible to participate in the Plan. Plan entry dates are January 1 and July 1.

Contributions:

Each year the Plan Sponsors will contribute to the Plan the following amounts:

- (a) The total amount of salary reduction that the participants elect to defer.
- (b) A matching employer contribution equal to 6% of 50% of eligible employee deferrals. Participants must be employed by one of the Companies as of the last day of the Plan year.
- (c) A discretionary profit-sharing employer contribution as determined by the Companies on a year-to-year basis. For the years ended December 31, 2022 and 2021, the Companies elected not to make a profit-sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies contributions and (b) plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting:

A participant is always 100% vested in their salary reduction contributions. Employer contributions vest at a rate of 25% for each year of qualified service; all eligible participants are fully vested after four years of service.

(Continued)

A. Description of Plan (continued):

Payment of Benefits:

Upon termination of service, participants or their beneficiaries may receive the vested value of their account in a lump sum. Certain other in-service withdrawals are allowed as described in the plan document. Benefits are recorded when paid. As of December 31, 2022, there were no amounts allocated to participants who have elected to withdraw from the Plan but have not been paid.

Forfeitures:

Forfeited amounts are used to reinstate previously forfeited account balances of former participants, if any, and other required contributions of the employer. Any remaining forfeitures may be used to pay the administrative expenses of the Plan. Forfeited non-vested amounts totaled \$9,232 and \$10,858 at December 31, 2022 and 2021, respectively. For the year ended December 31, 2022, \$9,789 of forfeitures were applied to offset the employer matching contribution.

Loans:

Loans to participants are not permitted under the Plan agreement; however, during the 2014 plan year four participants were allowed to take loans from their account balances due to an administrative error. The loans are being paid back by payroll deduction, and plan management has executed an EPCRS Self Correction Loan Amendment to correct for this operational defect.

Plan Expenses:

The Plan pays recordkeeping and certain other administrative fees of the Plan assets; legal, accounting and other services are paid by the Plan Sponsors.

B. Summary of Significant Accounting Policies:

Basis of Accounting:

Assets, liabilities, income and expenses are recognized on the accrual method of accounting.

Date of Management's Review:

Subsequent events were evaluated through the date of the Independent Auditor's Report which is the date the financial statements were available to be issued.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value, except for the stable value fund which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

B. Summary of Significant Accounting Policies (continued):

Investment Valuation and Income Recognition (continued) :

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation(depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, the actual results may differ from those estimates.

C. Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC topic 820 on *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. The hierarchy is measured in three levels based on the reliability of the inputs:

- Level 1 Valuations based on unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2 Valuations based on inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted prices for similar assets in active or non-active markets.
- Level 3 Valuations derived through the use of valuation models or methodologies using significant unobservable inputs. Level 3 valuations incorporate certain assumptions and projections that are not observable in the market and as a result significant professional judgment may be used in determining the fair values.

C. Fair Value Measurements (continued):

The following are the major categories of assets measured at fair value on a recurring basis during the year ended December 31, 2022:

	Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual Funds	\$ 7,407,820	\$ 7,407,820	\$ -	\$ -
Common Collective Trusts	<u>199,175</u>	<u> </u>	<u>199,175</u>	<u> </u>
	<u>7,606,995</u>	<u>7,407,820</u>	<u>199,175</u>	<u>\$ -</u>

The following are the major categories of assets measured at fair value on a recurring basis during the year ended December 31, 2021:

	Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual Funds	\$ 8,923,290	\$ 8,923,290	\$ -	\$ -
Common Collective Trusts	<u>38,297</u>	<u> </u>	<u>38,297</u>	<u> </u>
	<u>8,961,587</u>	<u>8,923,290</u>	<u>38,297</u>	<u>\$ -</u>

D. Information Certified by the Plan's Trustee:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

E. Related Party Transactions:

The plan pays various service providers for record keeping, trust and investment advisory services and as such these transactions qualify as party-in-interest transactions. Amounts paid directly to providers for these services were \$58,585 for the year ended December 31, 2022.

F. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

(Continued)

G. Plan Termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

H. Federal Income Tax Status:

The Internal Revenue Service has opined and informed Great-West Trust Company, LLC., the volume submitter by letter dated June 30, 2020, that the Non-Standardized Pre-Approved Sharing/Money Purchase/CODA plan adopted by the Employer is designed in accordance with the applicable sections of the Internal Revenue Code. As such, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained by the relevant taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.
