Plan Administrator
Security Federal Savings Bank Employees'
Retirement Readiness Plan
Logansport, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Security Federal Savings Bank Employees' Retirement Readiness Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Security Federal Savings Bank Employees' Retirement Readiness Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Security Federal Savings Bank Employees' Retirement Readiness Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Security Federal Savings Bank Employees' Retirement Readiness Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Security Federal Savings Bank Employees' Retirement Readiness Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Security Federal Savings Bank Employees' Retirement Readiness Plan

**Notes to Financial Statements
December 31, 2022 and 2021**

Note 1: Description of the Plan

The following description of the Security Federal Savings Bank Employees' Retirement Readiness Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering substantially all employees of Security Federal Savings Bank (Company), for the benefit of its employees who are age 18 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Reliance Trust Company serves as the Plan's custodian. Pentegra Trust Company serves as the Plan's recordkeeper and trustee.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to the maximum amount allowed by law. Employee Roth and rollover contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company makes safe harbor matching contributions of 100% of participant deferrals up to 5% of participants' eligible compensation. The Plan also allows an additional flexible discretionary match with a maximum of 4% of a participant's eligible compensation as determined by the Board of Directors. Participants completing at least 1,000 hours of service are eligible for discretionary employer nonelective contributions, provided they are employed by the Company as of the last day of the Plan year. The Plan also allows the Company to make a discretionary employer nonelective contribution to the Plan as determined by the Board of Directors. There were no flexible discretionary match or discretionary employer nonelective contributions made in 2021 and 2022.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer 5% of eligible compensation unless the participant made an affirmative election otherwise.

Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Notes to Financial Statements December 31, 2022 and 2021

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus earnings thereon. Vesting in the Company's discretionary employer nonelective contribution and flexible discretionary match portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after six years of continuous service.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less the highest outstanding balance of loans in the past 12 months or 50 percent of the present value of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 2 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are available in accordance with the Plan Document. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is in between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Forfeited Accounts

For the years ended December 31, 2022 and 2021, forfeited nonvested accounts totaled \$13,207 and \$12,913, respectively. These accounts may be used to pay Plan expenses or reduce employer contributions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds are valued at the market quoted net asset value (NAV) of shares held by the Plan at year-end. Common collective trusts are valued on information reported by the investment advisor using the audits financial statements of the collective trust at year-end. The NAV is used as a practical expedient to estimate fair value of the collective trust fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Certification of Plan Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2022
- Investment income (loss) and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information included in the accompanying schedule of assets (held at year-end) as of December 31, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more or such an employer or employee association or relatives of such persons. The Plan Sponsor pays directly any other fees related to the Plan's operations. The Plan holds investments in shares of mutual funds and a common collective trust fund managed by Reliance Trust, which qualify as party-in-interest transactions.

Fees for administrative recordkeeping services paid by the Plan to Pentegra were \$32,064 during 2022. The Company provides certain administrative services at no cost to the Plan.

Note 5: Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021:

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2022				
Mutual funds	\$ 1,993,741	\$ 1,993,741	\$ -	\$ -
Total assets in fair value hierarchy	1,993,741	<u>\$ 1,993,741</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>3,227,982</u>			
	<u>\$ 5,221,723</u>			
December 31, 2021				
Mutual funds	\$ 2,702,696	\$ 2,702,696	\$ -	\$ -
Total assets in fair value hierarchy	2,702,696	<u>\$ 2,702,696</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>3,427,520</u>			
	<u>\$ 6,130,216</u>			

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits

Security Federal Savings Bank Employees' Retirement Readiness Plan

Notes to Financial Statements December 31, 2022 and 2021

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy, which includes mutual funds. If quoted market prices are not available, then fair values are estimated by using quoted prices of investments with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. There were no investments held by the Plan classified in Level 2. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3. There were no investments held by the Plan classified in Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the quoted market price of shares held by the Plan at year end.

Collective Trusts: Valued at the NAV of units as the practical expedient at year end. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes to Financial Statements December 31, 2022 and 2021

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 7: Tax Status

The Plan operates under a non-standardized adoption agreement in connection with a prototype retirement plan document sponsored by Pentegra Services Inc. The Plan has not been submitted to the Internal Revenue Service (IRS) for an individual determination letter as the non-standardized prototype document has a favorable opinion letter from the IRS. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Subsequent Events

Subsequent events have been evaluated through December 19, 2023, which is the date the financial statements were available to be issued.
