Independent Auditors' Report

To the Plan Administrator and Those Charged with Governance
The King's Academy, Inc. 403(b) Retirement Plan
West Palm Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The King's Academy, Inc. 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of August 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended August 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the investment information is prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 31, 2023 and 2022, and for the year ended August 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S.GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4i – schedule of assets (held at end of year), as of August 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE KING'S ACADEMY 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of The King's Academy, Inc. 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a defined 403(b) contribution tax sheltered annuity plan, established on September 1, 1995, and has been amended and restated over the years to comply with tax legislation. The Plan was established to cover substantially all employees of The King's Academy, Inc. (the School or Plan Sponsor), in accordance with the universal availability standards. Employees who within a 1-year period normally work 20 hours or less per week are excluded from participation unless they complete 1,000 hours of service in a computation period. The purpose of the Plan is to provide retirement benefits for participating employees. The Plan includes an automatic enrollment feature for new employees with an automatic deferral rate of 4.0% of eligible compensation, as defined. New employees may elect a different deferral rate or opt out of participating in the Plan. Eligible employees may contribute to the Plan immediately upon employment. The School is the Plan Administrator and American United Life Insurance Company (the Custodian) provides recordkeeping and custodian services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan amendment

Effective January 1, 2023, the Plan approved an amendment to exclude certain compensation from the Plan's definition of eligible compensation.

Contributions

Each year, participants in the Plan may contribute up to 100% of their annual compensation, as defined by the Plan, within the limits prescribed by the Internal Revenue Service (IRS). Highly compensated employees are limited to 16% of their eligible annual compensation, as defined. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan also provides for Roth elective deferrals.

For the year ended August 31, 2023, the Plan Sponsor matched up to 100% of each participant's voluntary deferrals up to 6% of eligible compensation, as defined. For the year ended August 31, 2023, the School's matching contributions totaled \$462,946. The Plan Sponsor may also make discretionary non-elective matching contributions to eligible participants. For the year ended August 31, 2023, the Plan Sponsor made an additional discretionary non-elective contribution of \$151,000.

Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contribution and (a) the School's contributions and (b) an allocation of the Plan earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participants' account balances or specific participant transactions, as defined. All participant contributions are participant-directed and may be invested in one fund or allocated among different funds offered by the Plan. Participants may change the allocation of contributions among funds pursuant to Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

THE KING'S ACADEMY 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Vesting of benefits

Participants are immediately vested in their voluntary contributions. Vesting in the School's matching and non-elective contributions, plus earnings or losses thereon, is based upon years of credited service. A participant's account becomes fully vested in the School's contributions after five years of credited service based on a graded vesting schedule. Participant accounts become fully vested upon death, disability, reaching normal retirement age (65 years of age), or termination of the Plan.

Forfeitures

Nonvested forfeited accounts may be used to reduce certain Plan administrative expenses or offset future School contributions. For the year ended August 31, 2023, forfeitures totaling \$10,517 were used to offset School contributions. As of August 31, 2023, and 2022, available unallocated forfeited nonvested accounts totaled \$0 and \$1,700 respectively.

Payment of benefits

Upon normal retirement age (65), disability or death, a participant or beneficiary receives the entire amount credited to the participant's account, in monthly or annual installments in accordance with the Plan's provisions. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participant's vested account as a cash withdrawal. Distributions of a participant's pre-tax account are made upon severance from employment. When a participant terminates, the participant will receive a lump-sum payment of his or her account balance in installment payments or annuity payments available under the group annuity contract. In addition, the terminated employee has the option to allow his or her investment balance to remain in the Plan or rollover all or a portion of his or her balance into another Plan.

In the event of financial hardship, a participant may receive a lump-sum cash payment from the Plan. Hardship distributions are permitted only when it is necessary to meet a heavy and immediate financial need, as defined. Employed participants that reach the age of 59½ may receive a cash withdrawal equal to their vested balance.

Participant notes receivable

Participants are permitted to borrow from their account a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years unless the loan is used to acquire the principal residence of the participant, which must be repaid in a reasonable period of time not to exceed thirty years. Loans are secured by the vested account balance in the participant's account and must bear a reasonable interest rate. A participant may only have two (2) loans outstanding at any time. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Principal and interest are repaid through regular payroll deductions.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan investment assets. Certain administrative expenses are paid by the School and are not reflected in these financial statements.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

THE KING'S ACADEMY 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and Custodian.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences may be material.

Participant notes receivable

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. If a participant ceases to make repayments and the Plan Administrator deems the participant note to be a distribution, the note receivable balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of August 31, 2023 and 2022.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect participants' account balances and the amounts reported in the financial statements.

Payment of benefits

The Plan records benefits when paid.

Plan administration

The Plan is administered by the School pursuant to the terms and conditions of the Plan. American United Life Insurance Company (the Custodian) serves as the Custodian of the Plan and holds the Plan investment assets. OneAmerica Financial Partners, Inc., a related party of the Custodian, provides recordkeeping services. Fees from covered service providers of the Plan are in compliance with the Department of Labor's (DOL) regulations.

Administrative expenses

Administrative expenses include loan fees charged directly to the participant accounts and investment management service fees which are first paid using forfeitures of the School's contributions, with any remaining balance due charged directly to the individual participant accounts.

THE KING'S ACADEMY 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan has determined it does not have any positions as of August 31, 2023, that it would be unable to substantiate.

Note 3 – Investment Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, American United Life Insurance Company, the Custodian, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of August 31, 2023 and 2022;
- Net investment activity and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the year ended August 31, 2023; and
- Investment information included in the Schedule H, Line 4i – Schedule of Assets (held at end of year) as of August 31, 2023, as shown on the ERISA-required supplemental information.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, including the disclosures related to the investments to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.

THE KING'S ACADEMY 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

Level 3	Significant unobservable inputs.
---------	----------------------------------

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used as of August 31, 2023 and 2022. During the year ended August 31, 2023, there were no transfers of financial instruments into or out of Level 3. The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds – valued at quoted market prices on national securities exchanges (active markets) and are therefore classified within level 1 of the valuation hierarchy.

The preceding method described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of August 31, 2023, and 2022:

Fair Value Measurements as of August 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,179,586	\$ -	\$ -	\$ 11,179,586
Fair Value Measurements as of August 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,266,663	\$ -	\$ -	\$ 9,266,663

Note 5 – Guaranteed Investment Contract with Insurance Company

The Plan invests in a fully benefit-responsive investment contract issued by the American United Life Insurance Company (AUL, the issuer) with the AUL Stable Value Account, provided through an AUL group annuity contract. The AUL Stable Value Account is supported by the general account of AUL with a contract value of \$168,032 and \$251,937, respectively, as of August 31, 2023, and 2022. The unit value for the AUL Stable Value Account equals its previous daily unit value multiplied by 1 plus the daily equivalent of the guaranteed effective rate of interest credited daily to the AUL Stable Value Account. A participant's AUL Stable Value Account balance equals the number of units he or she has times the current unit value.

Contract value, as reported by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract has certain restrictions that affect the ability to collect the full contract value for non-benefit responsive events. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. AUL may not terminate the AUL Stable Value Account at any amount less than contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

THE KING'S ACADEMY 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Guaranteed Investment Contract with Insurance Company, Continued

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 6 – Related Party and Party-In-Interest

The Plan's investments include shares of mutual funds and a group annuity contract administered and/or issued by American United Life Insurance Company (AUL), the Plan's Custodian. AUL's affiliate, OneAmerica Financial Partners, Inc. (OneAmerica), is the Plan's recordkeeper. Therefore, transactions with AUL and OneAmerica qualify as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules under ERISA.

Certain administrative functions are performed by officers and employees of the School. No officer or employee receives compensation from the Plan for these services.

Note 7 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

Note 8 – Tax Status

On November 22, 2017, the IRS stated that the Volume Submitter 403(b) Plan adopted by the School, as then designated, qualifies under Section 403(b) of the Internal Revenue Code (IRC). The School has not received a determination letter specific to the Plan itself, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the School may determine.

Note 10 – Subsequent Events

The Plan evaluated events occurring subsequent to August 31, 2023 through February 7, 2024, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
