INDEPENDENT AUDITOR'S REPORT

To the Trustees
Yetter Manufacturing Company Employee Health Benefit Plan

Opinion

We have audited the financial statements of Yetter Manufacturing Company Employee Health Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – cash basis as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits – cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits – cash basis of the Plan as of June 30, 2023 and 2022, and the changes in its net assets available for benefits – cash basis for the years then ended in accordance with the cash basis of accounting, as described in Note 2 to the accompanying financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yetter Manufacturing Company Employee Health Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2 to the financial statements; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than generally accepted in the United Sates of America. Our opinion is not modified with respect to this matter.

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Yetter Manufacturing Company Employee Health Benefit Plan

Opinion

We have audited the financial statements of Yetter Manufacturing Company Employee Health Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – cash basis as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits – cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits – cash basis of the Plan as of June 30, 2023 and 2022, and the changes in its net assets available for benefits – cash basis for the years then ended in accordance with the cash basis of accounting, as described in Note 2 to the accompanying financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yetter Manufacturing Company Employee Health Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2 to the financial statements; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than generally accepted in the United Sates of America. Our opinion is not modified with respect to this matter.

1. DESCRIPTION OF PLAN

The following description of Yetter Manufacturing Company Employee Health Benefit Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was established June 1, 1984, to provide medical, dental, and disability benefits to substantially all full-time employees of Yetter Manufacturing Co., Inc. (the Company) and their dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides self-insured medical, dental, vision, and short-term disability benefits to full-time employees and their dependents who meet certain service requirements. In addition, the Plan provides for life insurance and accidental death and dismemberment (AD&D) insurance in the amount of $10,000 each for all full-time salaried and hourly employees. Employees are eligible to participate in the previously mentioned benefits after 60 days of continuous service.

Contributions

The Plan is self-funded for claims incurred through employer and employee contributions. Hourly and salaried employees are required to contribute for dependent coverage ($22.50 bi-weekly for one dependent or $45.00 bi-weekly for multiple dependents). Employer contributions are determined by the employer, generally in amounts necessary to pay claims owed by the Plan.

Stop-Loss Coverage

The Plan is fully insured for life and AD&D benefits and has entered into a stop-loss insurance arrangement in an effort to limit exposure for self-insured benefits. Under the policy, the Plan is reimbursed for claims paid in excess of $70,000 per year per participant effective as of June 1, 2022. Prior to June 1, 2022, the limit was $65,000, with the exception of one plan participant deemed a "special risk limitation" by the Plan's stop-loss insurance carrier, whose alternate specific annual deductible was $150,000. This "special risk limitation" was eliminated effective June 1, 2022, as this individual is no longer a participant in the Plan. Stop loss reimbursements for the years ended June 30, 2023 and 2022, were $172,352 and $323,222, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan maintains its accounting records on the cash basis of accounting. Accordingly, investment income and contributions are recognized and recorded in the accounts when cash is received. In the same manner, expenses are recognized and recorded upon disbursement of cash. Cash basis financial statements omit recognition of receivables and payables and other accrued and deferred items.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with the cash basis of accounting. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

An estimate that is particularly susceptible to significant change in the near-term is the liability for estimated health claims incurred but not reported. Although it is not possible to measure the degree of variability inherent in this estimate, management believes that the liabilities reported are adequate.

Payment of Benefits

Benefits are recorded when paid.

Claims Incurred but Not Reported

Plan obligations as of June 30, 2023 and 2022, for pending and unreported claims incurred by participants at that date are based on a review of actual claims paid subsequent to the year end. This review is performed by the Plan's third-party claims administrator, Consociate Health. Such estimated amounts are reported in Note 4.

Subsequent Events

Subsequent events are events or transactions that occur after year end but before financial statements are issued or are available to be issued. These events and transactions either provide additional evidence about conditions that existed at year end, including the estimates inherent in the process of preparing financial statements (that is, recognized subsequent events), or provide evidence about conditions that did not exist at year end but arose after that date (that is, nonrecognized subsequent events).

The Plan has evaluated subsequent events through January 16, 2024, the date the financial statements were available to be issued.

3. TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan paid fees of $155,754 and $134,208 to third-party administrators for the years ended June 30, 2023 and 2022, respectively. The administrators are responsible for, among other things, processing and paying claims of participants.

Substantially all Plan administrative expenses, other than fees paid to third-party administrators, were paid by Yetter Manufacturing Co., Inc.

4. BENEFIT OBLIGATIONS

The Plan's benefit obligations for the years ended June 30, 2023 and 2022, are as follows:

	2023	2022
BENEFIT OBLIGATIONS, BEGINNING OF YEAR	$ 147,699	$ 128,443
Health claims incurred	1,450,997	1,782,483
Health claims paid	(1,400,973)	(1,763,227)
BENEFIT OBLIGATIONS, END OF YEAR	$ 197,723	$ 147,699

5. TAX STATUS

The trust established to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code and is therefore not subject to tax under present income tax laws. The trust has obtained a favorable tax determination letter dated October 22, 1984, from the Internal Revenue Service ("IRS"), and the Company believes that the trust continues to qualify and to operate as designed.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, Yetter Manufacturing Co., Inc. has the right to terminate the Plan subject to the provisions or ERISA. Any unallocated assets of the Plan shall be distributed in such a manner as the Company may determine.
