INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Phelps Dunbar, LLP 401(k) Savings and Retirement Plan,
New Orleans, Louisiana.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Phelps Dunbar, LLP 401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Phelps Dunbar, LLP 401(k) Savings and Retirement Plan New Orleans, Louisiana

December 31, 2022 and 2021

Note 1 - PLAN DESCRIPTION

The following description of the Phelps Dunbar, LLP 401(k) Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

a. General

The Plan, as amended and restated effective January 1, 2022, is a profit-sharing and deferred compensation (Section 401(k)) plan covering all partners and employees of Phelps Dunbar LLP (the “Partnership” and “Employer”) other than temporary or seasonal employees who have not completed one year of service, leased employees, and independent contractors. Employees classified as associate attorneys are eligible to participate in the Plan solely for the purpose of salary reduction contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is administered by the Operations Committee of the Partnership (the “Plan Administrator”). The trustee of the Plan is Fidelity Management Trust Company. Assets of the Plan are held by the trustee in mutual funds and other investment alternatives available and approved by the Plan Administrator.

b. Contributions

Each year, participants may contribute, by salary reduction pursuant to Section 401(k) of the Internal Revenue Code, up to 75% of pretax annual compensation, as defined in the Plan document, not to exceed statutory limits. Participants are also permitted to make Roth (after-tax) elective deferrals, subject to annual statutory limits. Participants may also contribute amounts representing rollover distributions from other qualified pension plans.

In any plan year, the Partnership may make a discretionary matching contribution for each eligible participant who, except in the case of death, disability, or retirement, is employed on the last day of the year. For the year ended December 31, 2022, the Partnership made matching contributions of \$787,977, net of forfeitures of \$4,300.

Note 1 - PLAN DESCRIPTION (Continued)

b. Contributions (Continued)

In any plan year, the Partnership may elect to contribute a discretionary qualified nonelective contribution for each eligible participant who has attained age twenty-one and completed one or more years of service.

In any plan year, the Partnership may also elect to contribute discretionary nonelective contributions for eligible participants who have completed one or more years of service. Eligible partners are classified into groups based on age and eligible employees are classified into groups based on years of service. Contributions are allocated within each group based on compensation.

Except in the case of retirement, disability, death, or job loss due to a reduction in force, a participant must be employed on the last day of the year to receive a nonelective contribution. For the year ended December 31, 2022, the Partnership made discretionary qualified nonelective and nonelective contributions totaling \$5,177,064.

Employer contributions reported on the statement of net assets available for benefits also includes \$31,610 of discretionary nonelective contributions which were determined to be required to be contributed for certain participants for the year ended December 31, 2021.

c. Participant Accounts

Each participant's account is credited with the participant's contributions and the Partnership's matching contributions, as well as allocations of the Partnership's discretionary qualified nonelective contributions and plan earnings. Participant accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Allocations are based on compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their 401(k) deferral, qualified nonelective contributions, and rollover contributions, plus actual earnings thereon. Vesting in nonelective contributions and, effective January 1, 2021, the matching contributions portions of their accounts plus actual earnings thereon is as follows:

Note 1 - PLAN DESCRIPTION (Continued)

d. Vesting (Continued)

<u>Participant's Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	25%
3	50%
4 or more	100%

Participants who were eligible for matching contributions prior to January 1, 2021 are 100% vested in the matching contributions portion of their accounts plus actual earnings thereon.

e. Investment Options

The Plan provides a participant-directed investment program whereby participants select the investments for their accounts. The investment options the Plan offers to participants include mutual funds, collective trust funds, and self-directed brokerage accounts which allow participants to make individual selections of investments. The options offered represent several different alternatives to investing with different risk and return characteristics. Participants may change their investment options daily.

f. Notes Receivable From Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of his or her vested account balance, whichever is less. Loans are available only for unreimbursed medical expenses and post-secondary education expenses, subject to the provisions of the Plan. Note terms may not exceed five years. The notes are secured by the balance in the participant's account and bear an interest rate that is determined at the origination of the note by the Plan Administrator based on prevailing market conditions at the time of origination and is fixed over the life of the note. The interest rate on notes receivable from participants ranged from 4.25% to 7.25% as of December 31, 2022, and from 4.25% to 6.50% as of December 31, 2021. Principal and interest are paid ratably through payroll deductions.

g. Payment of Benefits

Upon termination of service, a participant whose vested account balance equals or exceeds \$5,000 may elect to receive benefits in the form of a lump sum or installment payments, as defined in the Plan document. Participants with vested balances of less than \$5,000 will receive a lump sum amount equal to the fair value of the participant's vested interest in his or her account. Vested account balances below \$5,000 may be paid directly to a terminated participant without consent. Involuntary distributions of

Note 1 - PLAN DESCRIPTION (Continued)

g. Payment of Benefits

vested account balances between \$1,001 and \$5,000 will be paid as a direct rollover to an individual retirement account. Involuntary distributions of \$1,000 or less will be paid to the participant in a lump sum. Participants who have attained age 59½ may request in-service distributions once per calendar quarter.

h. Forfeited Accounts

As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$22,850 and \$29,533, respectively. These accounts will be used to pay administrative expenses or reduce future Partnership contributions. In May 2023, forfeitures of \$4,300 were used to reduce the Partnership's matching contributions for the year ended December 31, 2022.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies followed by the Plan:

a. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that effect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance companies. See Note 4 for a discussion of fair value measurements.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

d. Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Related investment fees are netted against investment income.

e. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

f. Payment of Benefits

Benefits are recorded when paid.

g. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Partnership. Expenses that are paid by the Partnership are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

h. Subsequent Events

The Plan has evaluated subsequent events through February 10, 2024, the date the financial statements were available to be issued.

Note 3 - CERTIFIED INVESTMENTS

Other than the fair value of the investments in life insurance contracts and the related net appreciation, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in fair value of those investments, interest, and dividends for the year ended December 31, 2022, was obtained or derived from information provided to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Note 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

- *Self-directed brokerage accounts:* Accounts primarily consist of mutual funds, common stocks, and exchange-traded funds, that are valued on the basis of readily determinable market prices (Level 1) and brokered certificates of deposit that are valued using pricing models that maximize observable inputs (Level 2).
- *Collective trust funds:* NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.
- *Life insurance contract:* Valued at cash surrender value.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 101,390,725	\$ -	\$ -	\$ 101,390,725

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2022 and 2021.

	December 31, 2022			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds	<u>\$ 89,005,722</u>	N/A	Daily	N/A
	December 31, 2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust fund	<u>\$ 20,938,126</u>	N/A	Daily	N/A

Investments in the collective trust fund, Putnam Stable Value Fund, are subject to certain potential limitations on the transfer to other investment options and on the timing of withdrawals.

The collective trust funds in which the Plan is invested are direct filing entities (DFE) with the Department of Labor.

Note 5 - RISKS AND UNCERTAINTIES

The Plan provides for various investments in mutual funds, a collective trust fund, and self-directed brokerage accounts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 - INCOME TAX STATUS

The IRS has determined and informed the Partnership by a letter dated September 14, 2023 that the Plan qualifies under Internal Revenue Code Section 401(a). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - PARTY IN INTEREST TRANSACTIONS

The Plan invests in shares of certain mutual funds managed by affiliates of Fidelity Management Trust Company. Additionally, affiliates of Fidelity Management Trust Company provide recordkeeping and other services to the Plan. Fidelity Management Trust Company is the trustee and custodian and, therefore, these transactions qualify as party in interest transactions.

Fidelity Management Trust Company and its affiliates ("Fidelity") receive revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. If the revenue received by Fidelity exceeds the amount owed for quarterly recordkeeping fees, Fidelity remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay other plan administrative expenses or allocated to the accounts of the participants.

Note 8 - PARTY IN INTEREST TRANSACTIONS

During 2022, the Plan paid \$177,892 for recordkeeping and other administrative services, net of offsets totaling \$39,271 from Fidelity through the Revenue Credit Program. The Partnership pays directly other fees related to the Plan's operations which are not covered by revenue sharing.

Note 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2022 and 2021 to Form 5500:

	Net Assets Available for Benefits
