INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Bricklayers and Stonemasons Local Union 2
Pension Plan

Opinion

We have audited the financial statements of the Bricklayers and Stonemasons Local Union 2 Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of April 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with the accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, Schedule of Reportable Transactions, and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Reportable Transactions are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2023

NOTE 1. DESCRIPTION OF THE PLAN

Bricklayers and Stonemasons Local Union 2 Pension Plan (the Plan), became effective May 6, 1965.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General - The Plan is a defined benefit pension plan covering employees of participating employers who are subject to collective bargaining agreements with the Union. Effective July 8, 2013, the "Union" now refers to Bricklayers and Allied Craftworkers Local 8 Southeast. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Pension, Death and Disability Benefits - The Plan provides normal pension (age 62 with at least 5 years of service), early retirement reduced (over 55 with at least 5 years of service - changed to age 58 effective July 1, 2011), death and disability benefits for eligible participants and their beneficiaries.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments in certain common stock are carried at fair value which generally represents quoted market prices at the last business day of the Plan year. Certain United States Government and Government Agency obligations are carried at fair value as of the last business day of the Plan's year as reported by the investment manager or as provided by the custodial bank based on valuations maximizing the use of observable inputs for similar securities with similar credit ratings. The investments in corporate obligations and certain common stock and United States Government and Government Agency obligations are carried at estimated fair value as reported by the investment manager or as provided by the custodial bank based on valuations maximizing the use of observable inputs for similar securities with similar credit ratings. The short-term investments are carried at cost, which approximates fair value.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Actuarial Present Value of Accumulated Plan Benefits - Accumulated plan benefits are those future periodic payments, including lump-sum distributions that are attributable under the Plan's provisions to the services employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are based on credited benefit services which consist of the sum of past credited service and future credited benefit service as defined in the plan document. The accumulated plan benefits for active employees are based on their credited benefit service. Benefits payable under all circumstances; retirement, death, disability and termination of participation are included; to the extent they are deemed attributable to participant credited benefit service, to the valuation date.

Funding Policy and Revenue Recognition - Participating employers contribute to the Plan in accordance with collective bargaining agreements with the Union. These agreements provide that employers contribute to the Plan on behalf of each Participant on the basis of a fixed rate per hour for all hours paid. Employer contributions are accounted for as exchange transactions. Contributions for the current plan year have met the minimum funding requirements of ERISA.

Employer contributions receivable are accrued based on an analysis of subsequent employer reports and remittances and subsequent receipts due from a delinquent employer.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

NOTE 3. ACTUARIAL INFORMATION

Actuarial valuations of the Plan were made by the consulting actuary as of May 1, 2022. Information in the reports included the following:

Actuarial present value of accumulated plan benefits:

Vested benefits	
Participants currently receiving payments	\$ 12,682,943
Other vested benefits	8,657,110
Total vested benefits	<u>21,340,053</u>
Non-vested benefits	68,635
Total actuarial present value of accumulated plan benefits at end of year	<u><u>\$ 21,408,688</u></u>

NOTE 3. ACTUARIAL INFORMATION (continued)

As reported by the actuary, the changes in the present value of accumulated plan benefits for the year ended April 30, 2022 were as follows:

Actuarial present value of accumulated plan	
benefits at beginning of year	<u>\$ 21,326,704</u>
Decrease during the year attributable to:	
Benefits accumulated, net experience gain or loss,	
changes in data	(45,251)
Increase for interest	1,446,688
Benefit paid	<u>(1,319,453)</u>
Net increase	<u>81,984</u>
Actuarial present value of accumulated plan	
benefits at end of year	<u><u>\$ 21,408,688</u></u>

The significant assumptions underlying the actuarial computations are as follows:

RPA '94 Current liability interest rate: 2.21% (2.35% prior year).

Funding method: Accrued benefit actuarial cost method.

Mortality rates: RP-2000 Employees and Healthy Annuitant Mortality Tables; no additional provision was made for future mortality improvement.

Disabled life mortality rates: In accordance with Revenue Ruling 96-7, no provision was made for future mortality improvement.

Expenses: Assumed to be \$181,300 (\$183,100 prior year).

Value of assets: Average Fair Market Value (without phase-in) with an averaging period of 5 years.

Interest rate: 7.00%

Termination: Based upon Sarason T-11 table.

Retirement age: Age 61.

Since information on the accumulated plan benefits at April 30, 2023 and changes therein for the year then ended are not included above, these financial statements do not purport to present a complete presentation of the financial status of the Plan as of April 30, 2023 and the changes in its financial status for the year then ended, but only a presentation of the net assets available for benefits and the changes therein as of and for the year ended April 30, 2023. The complete financial status of the Plan is presented as of April 30, 2022.

As of May 1, 2022, the actuary reported that the Plan is in critical and declining status as identified under the Multiemployer Pension Reform Act of 2014.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended April 30, 2023 and 2022, there were no transfers in or out of levels 1, 2 or 3.

There have been no changes in valuation methodologies at April 30, 2023 and 2022.

NOTE 5. PRIORITIES UPON TERMINATION

The Trustees have the right to terminate the Trust at any time by the unanimous concurrence of all Trustees and upon application to the appropriate Court of the Commonwealth of Virginia. In the event of a termination, the Trustees shall apply the Pension Fund to pay, or to provide for the payment of, any and all obligations of the Pension Fund and Pension Plan and shall distribute and apply any remaining surplus in such manner as will, in their opinion, best effectuate the purpose of the Pension Fund and Pension Plan, including the right to merge with another fund or trust provided, however, that no part of the corpus or income of said fund shall be used for or diverted to, purposes other than for the exclusive benefit of the participants or their beneficiaries or the administrative expenses of the Pension Fund.

NOTE 6. TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated July 6, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 6. TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

NOTE 8. CONCENTRATION OF RISK

Contributions from two employers accounted for 78% and 77% of total contributions received by the Plan during the years ended April 30, 2023 and 2022, respectively. If contributions from these employers were to cease, it could have a significant impact on the Plan and its net assets available for benefits.

NOTE 9. SETTLEMENT AGREEMENT

The Plan has entered into a settlement agreement with an employer for approximately \$218,000 to pay for delinquent contributions from January 2013 through August 2013. Under terms of the agreement, beginning March 2019, the employer is to pay eight quarterly interest only payments of \$2,178.21, then 48 payments of \$4,918.18, beginning January 2020. Since this settlement agreement relates to delinquent contributions; management has elected to remain conservative and only recognize the subsequent 12 months of payments as a receivable.

NOTE 10. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of short-term investments managed by Wells Fargo Bank. Wells Fargo Bank is the Custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedules of assets held at end of year and reportable transactions. For the years ended April 30, 2023 and 2022, the Plan paid custodial fees of \$4,355 and \$7,232, respectively, to Wells Fargo Bank.

NOTE 11. SUBSEQUENT EVENTS

Subsequent events were evaluated through January 30, 2024, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require adjustment to or disclosure in the accompanying financial statements.

EXHIBIT I

BRICKLAYERS AND STONE MASONS UNION LOCAL NO. 2 PENSION PLAN

SUMMARY OF PLAN PROVISIONS

This exhibit summarizes the major provisions of the Plan as included in the valuation. It is not intended to be, nor should it be interpreted as, a complete statement of all plan provisions.

Regular pension

Age requirement: 62

Service requirement: 5th anniversary of plan participation.

Amount: \$62.00 per month for each unit of future service credit earned prior to November 1, 2010.
\$20.00 per month for each unit of future service credit earned on or after November 1, 2010.

Early retirement

Age requirement: 58

Service requirement: 5 years of service

Amount: Normal pension accrued reduced by $\frac{1}{2}$ of 1% for each month that retirement age is less than 62.

Disability

Age requirement: None

Service requirement: 10 years

Amount: 100% of Regular pension accrued to date of disability.

Vesting

Age requirement: None

Service requirement: 5 years

Amount: Regular pension accrued, payable at Normal Retirement Age.

Pre-retirement death benefits

Spouse's benefit:

Age requirement: None

Service requirement: 5 years

Amount: 50% of the benefit the employee would have received had he retired the day before he died and elected the 50% joint and survivor option. Payment is deferred until the date the participant would have reached age 55, if the participant dies before age 55, otherwise, payable immediately.

Post-retirement death benefits

Husband and wife:

If married, and not receiving disability benefits, pension benefits are paid in the form of a 100% joint and survivor annuity unless this form is rejected by employee and spouse. If not rejected, the benefit amount otherwise payable is reduced to reflect the joint and survivor coverage.

"Pop-Up" of Joint and Survivor Annuity

For participants who work on and after May 1, 1991, if the spouse dies before the retired participant, the participant's monthly benefit will be increased to an amount payable under a single life annuity.

Participation: Immediate.

Benefit credit: 1 Past Service credit is granted for each year, or fraction thereof, for plan years prior to May 1, 1965. One tenth of a unit of Future Service credit is granted for each 160 hours of employment to a maximum of 1.2 units for 1,920 or more hours per plan year.

Vesting credit:

1 vesting credit is granted for each plan year a participant works at least 160 hours. The requirement of 160 hours is raised to 640 hours if the participant does not have at least 3 years of Vesting Service as of May 1, 2003.

Re: Bricklayers and Stonemasons Union No. 2 Pension Fund of Virginia
EIN: 54-6124583
Plan Number: 001

Dear Commissioner:

I, Sing Lee, certify, as required in Internal Revenue Code Section 432(b)(3)(A) as added by the Pension Protection Act of 2006 and amended by the Multiemployer Pension Reform Act of 2014, (collectively, "Acts") that, for the plan year beginning May 1, 2022 and ending April 30, 2023, the Bricklayers and Stonemasons Union No. 2 Pension Fund of Virginia, EIN 54-6124583, Plan number 001, is in "critical and declining status" as defined in Internal Revenue Code Section 432(b)(6).

The plan sponsor's name, address and telephone number are as follows:

Board of Trustees
Bricklayers and Stonemasons Union No. 2 Pension Fund of Virginia
c/o Lawrence C. Musgrove Associates, Inc.
P.O. Box 1769
Salem, VA 24153
Ph: 540-345-7735

I am a Member of the American Academy of Actuaries and an Enrolled Actuary (Enrollment Number 20-05385), and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

I certify that the actuarial projections of assets and liabilities were determined in accordance with the requirements of Internal Revenue Code Section 432(b)(3)(B) and based on the results, assumptions and methods detailed in the May 1, 2021 actuarial valuation report. The actuarial projections will be filed as an attachment to the 2022 Form 5500 Schedule MB.

ERISA and the Internal Revenue Code, as amended by the Pension Protection Act of 2006, require that the Board of Trustees adopt a rehabilitation plan. The Trustees of the Fund adopted a rehabilitation plan as of July 31, 2008. The rehabilitation period is the 13-year period that began May 1, 2010. This plan must be designed to reasonably enable the Fund to improve its funding level and to emerge from the critical status by the end of the rehabilitation period. However, based on reasonable actuarial assumptions and

Internal Revenue Service

upon exhaustion of all reasonable measures, the Pension Fund cannot reasonably be expected to emerge from critical status, and the plan was revised and updated to forestall possible insolvency. The Plan is making the scheduled progress under the rehabilitation plan, as amended.

The Board of Trustees for the Bricklayers and Stonemasons Union No. 2 Pension Fund of Virginia has been notified of the Pension Fund's status by a separate letter.

If you have any questions, please do not hesitate to contact me at 212-308-4200.

Sincerely,

Based on reasonable actuarial assumptions and after exhausting all reasonable measures, the Trustees concluded that the Plan cannot be reasonably expected to emerge from critical status by the end of the rehabilitation period and reasonable measures should be pursued to emerge from critical status at a later time or to forestall insolvency which is projected to occur during the Plan Year ending April 30, 2034.

X. REHABILITATION PLAN

The Pension Protection Act of 2006 requires, under Internal Revenue Code Section 432(b)(3)(A) and ERISA Section 305(b)(3)(A), that effective for plan years beginning in 2008 the plan's actuary certify the funded status of the plan. This certification must be reported to the plan sponsor (the Board of Trustees) no later than the 90th day of the plan year. In accordance with the provisions of the Pension Protection Act of 2006, the plan sponsor was notified that the plan was in critical status for the Plan Year beginning in 2008.

As required by PPA, on July 31, 2008, the Trustees adopted a Rehabilitation Plan, so that at the end of the thirteen-year rehabilitation period the Plan would emerge from critical status.

Under the Rehabilitation Plan the benefit accrual rate was decreased from \$62 per month to \$20 per month for each unit of future service credit earned on or after November 1, 2010. In addition, the age requirement for early retirement was increased from age 55 to age 58 and the early retirement reduction for commencement ages below age 62 was changed from $\frac{1}{4}$ of 1% to $\frac{1}{2}$ of 1% for each month that the retirement age is less than age 62 for employees with service after April 30, 1991.

The Rehabilitation Plan will be updated annually to incorporate any schedule of contribution rates that may be necessary for this Plan, in combination with benefit reductions, and projection of future employment levels to emerge from critical status by the end of the Rehabilitation Period. The Rehabilitation Plan has been updated in October 2014. It reflects the Trustees' conclusion that based on reasonable actuarial assumptions and after exhausting all reasonable measures, the Plan cannot be reasonably expected to emerge from critical status by the end of the rehabilitation period and reasonable measures should be pursued to emerge from critical status at a later time or to forestall insolvency.

On July 28, 2022, the Plan was certified to be in critical and declining status for the Plan Year beginning in 2022 and has made the scheduled progress under the rehabilitation plan as amended.

Statement by Enrolled Actuary

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
