INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator of
Dan Callaghan Enterprises, Inc. 401(k) Profit Sharing Plan & Trust**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed audit of the accompanying financial statements Dan Callaghan Enterprises, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**To the Plan Administrator of
Dan Callaghan Enterprises, Inc. 401(k) Profit Sharing Plan & Trust
Page 3**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Dan Callaghan Enterprises, Inc. 401(k) Profit Sharing Plan & Trust. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated December 30, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

General

The Plan is a defined contribution plan covering all eligible employees of Dan Callaghan Enterprises, Inc. (the Company). The Plan was restated on January 1, 2010. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility Requirements

Employees who are at least twenty-one years of age and have completed one year of service are eligible to participate in the Plan. Employees may elect to begin making contributions into the Plan on the first day of the quarter coinciding with or immediately following eligibility. Employees who have completed 501 hours of service during the Plan year are eligible to receive any Company non-elective contribution.

Contributions

Participants may contribute to the Plan on a pretax basis between 1% and 95% of their annual compensation (subject to Internal Revenue Service (IRS) limitations). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Company, at its discretion, may make non-elective contributions to the Plan. For 2022, no non-elective contributions were made by the Company.

Participants direct the investment of their contributions into various investment options offered by the Plan. The participants may change their investment elections at any time.

Notes Receivable from Participants

Participants are able to obtain loans from the assets of the Plan using their individual account balances as collateral. Participants are limited to only one outstanding Plan loan. Loan amounts cannot exceed the lesser of \$50,000 or 50% of the participant's vested account balance and must have a minimum amount of \$1,000. Each loan shall bear interest at a rate determined by the Company in accordance with current appropriate standards. Principal and interest is paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

1. DESCRIPTION OF PLAN - CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, (if any), and plan earnings, and charged with an allocation of administrative expense. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary pre-tax 401(k) contributions plus actual earnings thereon. Additionally, participants become fully vested in all of their accounts in the event of disability, death or attaining normal retirement age while employed with the Company.

Vesting in the prior Company match and the discretionary non-elective Company contributions in participant accounts is based on their years of continuous service as follows:

<u>Vesting Service (whole years)</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payments of Benefits

Upon termination of service, (due to termination, retirement, death or disability or reaching age 59 ½) a participant may elect to receive a distribution equal to the value of his or her vested account balance, as described in the Plan.

Upon reaching normal retirement age of 65, participants are entitled to all of their accounts under the Plan. The Plan follows IRS guidance for minimum distributions for participants reaching age 70 ½. Distributions may be made as a lump sum, in installment payments or through annuity contracts. For terminated participants with account balances greater than \$1,000, but not more than \$5,000, the plan administrator may instruct participants to receive a distribution in a lump sum payment.

Forfeitures

The forfeitures for the non-vested portion of the Company's contributions can be used to pay Plan administrative expenses or reduce the Company's non-elective contributions. At year end, there are no material forfeitures.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Corrective Distributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as corrective distributions payable, with a corresponding reduction to contributions. Corrective distributions payable amounted to \$381 as of December 31, 2022. The Plan distributed the excess contributions upon retirement of the participant on September 25, 2023.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are, therefore, excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts.

Subsequent Events

The Plan has evaluated subsequent events through February 14, 2024, which is the date the financial statements were available to be issued.

3. CERTIFIED INFORMATION (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (John Hancock), the custodian of the Plan. The information certified includes total investments of \$4,361,178 and \$5,151,804 at December 31, 2022 and 2021, respectively, and related investment loss of \$800,765 for the year ended December 31, 2022.

All investment gains and earnings are included in net depreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits. This classification is consistent with the presentation in Form 5500.

During 2022, the Plan's investments, (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$800,765.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021. The Plan recognizes transfers of assets into and out of levels as of the date or change in circumstances causes the transfer. There were no significant transfers between level 1 and level 2. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The Plan invests in a John Hancock funding agreement that includes variable investment offerings through pooled separate accounts, which are unregistered and are divided into investment divisions called "sub-accounts."

Each sub-account invests in shares of an underlying mutual fund. The shares of the underlying mutual fund are valued on a daily basis. The mutual funds may also be valued as determined by an independent pricing service, based on methods which include consideration of yields or prices of securities of comparable quality, coupon, maturity and type, indications as to values from dealers, and general market conditions. John Hancock does not file Form 5500 for its sub-accounts and therefore, the assets invested in the separate accounts are to be classified by category of investment.

The following tables set forth the level, within the fair value hierarchy, of the Plan's asset values as of December 31,

Assets at Fair Value as of December 31, 2022				
	Totals	Level 1	Level 2	Level 3

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated by the employer, each participant's benefits become fully vested.

6. TAX STATUS

The Company, on behalf of the Plan, has adopted the Volume Submitter Profit Sharing Plan as submitted by KB Pension Services, Inc. The latest determination letter was received on March 31, 2014 in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, and therefore, believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The Company has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's previous three years tax returns remain open to inspection by the Internal Revenue Service.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of the spread of COVID-19, economic uncertainties have arisen which have resulted in a significant volatility in the financial markets and has affected, and may continue to affect, the market value of Plan investments subsequent to December 31, 2022. The potential economic impact brought on by, and the duration of COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.
