REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Minneapolis Operative Plasterers' Retirement Plan

Opinion

We have audited the financial statements of Minneapolis Operative Plasterers' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Minneapolis Operative Plasterers' Retirement Plan as of April 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MINNEAPOLIS OPERATIVE PLASTERERS' RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

Minneapolis Operative Plasterers' Retirement Plan (the Plan) was established in 1967 as a result of a collective bargaining agreement between the local union and the contractors' association. The Plan is a multiemployer defined contribution retirement plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by a joint board of trustees consisting of an equal number of union and employer representatives. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

The purpose of the Plan is to provide termination or retirement benefits to eligible participants. An individual becomes eligible to participate in the Plan on the date that one hour of work is completed for a contributing employer who has a signed collective bargaining or other agreement with the local union requiring contributions to the Plan on the participant's behalf, and those contributions are received. Voluntary contributions are not allowed under the Plan. Under current provisions of the Plan, the normal retirement age is 55.

Contributions to the Plan are invested as directed by the participant in various investment options. In the absence of direction, contributions are invested in a qualified default investment alternative until changed by the participant. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investments selected by participants may cause their balances to be lower than the amounts contributed to the Plan on their behalf.

Participants' accounts are credited with employer contributions made on their behalf, as well as an allocation of Plan earnings or losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The Plan funds an administrative reserve, equal to a monthly amount of \$8,500 through January 2023, and \$12,500 thereafter, through deductions to participant accounts on a ratable basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Under current provisions of the Plan, participants are vested upon completion of 1,000 hours of service within a 24-month consecutive period. A participant's balance is forfeited if terms of service do not reach certain time requirements. Forfeitures are available to pay administrative expenses of the Plan. Forfeitures of participant account balances amounted to \$201 and \$22,162 during the years ended April 30, 2023 and 2022, respectively. Net assets available for benefits include \$36,181 and \$100,566 of an unallocated reserve at April 30, 2023 and 2022, respectively, which are available to pay administrative costs incurred by the Plan.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

The Plan allows participants to take a withdrawal from their account upon retirement, one year after employment status ends, disability or death. The Plan also allows for a one-time distribution to prevent potential loss of principal residence. Benefits may be paid in a lump-sum distribution, partial lump-sum or periodic payments, direct rollover or installments over a participant's life expectancy.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex dividend date.

Contributions Receivable - Employer contributions due and not paid at year end are recorded as contributions receivable. Deficiencies established through payroll compliance audits are recognized when determined to be collectible. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rates set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located in the metropolitan areas of Minneapolis and St Paul, Minnesota.

Revenue Sharing - Revenue sharing income represents the portion of investment management fees that the investment manager has agreed to reimburse to help offset the cost of administrative services provided. Revenue sharing income is allocated to those participants' accounts that generated the income.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. No participants elected to withdraw from the Plan but were not paid at either April 30, 2023 or 2022.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses - Certain investment related expenses are included in net (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through January 31, 2024, which is the date the financial statements were available to be issued.

NOTE 3. TAX STATUS

The Plan's latest determination letter is dated September 5, 2015, in which the Internal Revenue Service stated that the Plan and related trust were designed in accordance with Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries except that provision may be used for payment of necessary expenses resulting from termination of the Plan.

In the event of termination, all participants will become 100% vested and the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive the full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The Plan's investments are classified within Level 1 of the fair value measurements hierarchy.

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

The money market fund represents shares held in a mutual fund.

Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

NOTE 6. FUNDING POLICY

Employer contributions to the Plan are made under various collective bargaining agreements. The hourly contribution rate for the majority of participants covered under the Plan was \$11.66 through May 31, 2021, \$12.56 from June 1, 2021 through May 31, 2022, and \$13.00 thereafter.

NOTE 7. MAJOR EMPLOYERS

Contributions from three employers accounted for approximately 47% and 44% of total employer contributions for the years ended April 30, 2023 and 2022, respectively. In the event these employers were to suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

NOTE 8. RELATED ORGANIZATIONS

The Plan is related to a labor union, a welfare plan and an apprentice and training fund, all of which are tax-exempt.

Contributions for the Plan and related organizations are received and deposited into the welfare plan's operating account. Amounts owed are routinely transferred from the account to the respective organizations' cash accounts. No amounts were due from the related welfare plan for contributions received at either April 30, 2023 or 2022.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

Participants and Trustees of
Minneapolis Operative Plasterers' Retirement Plan

We have audited the financial statements of Minneapolis Operative Plasterers' Retirement Plan (the Plan) as of and for the years ended April 30, 2023 and 2022, and our report thereon dated January 31, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
