**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☒ Disclaimer (4) ☐ Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **D. WILLIAMS & COMPANY**

(2) EIN: **75-2512581**

**d** The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

**a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.) .....

Farmers Cooperative Compress Retirement Plan  
Lubbock, Texas

Independent Auditors' Report

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Farmers Cooperative Compress Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of April 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Farmers Cooperative Compress Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of April 30, 2023 and 2022, and for the years ended April 30, 2023 and 2022, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

**Opinion on the Financial Statements**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Farmers Cooperative Compress Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Farmers Cooperative Compress Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Farmers Cooperative Compress Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes and Reportable Transactions as of and for the years ended April 30, 2023 and 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT PLAN

Notes to Financial Statements

April 30, 2023 and 2022

(1) Description of Plan

The following description of the Farmers Cooperative Compress Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Date of management's review

Management has evaluated subsequent events through February 15, 2024, the date which the financial statements were available to be issued.

General

The Plan is a defined contribution profit sharing plan with cash or deferred arrangements covering the employees of Farmers Cooperative Compress (the "Association"). The Plan is referred to as a "non-standardized 401(k) profit sharing plan." The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was initiated on May 1, 2007.

Eligibility

All employees, excluding any employees participating in the defined benefit plan and any covered by a collective bargaining agreement, who have completed 500 hours within six months from their employment commencement date or 1,000 hours in the plan year and have attained the age of 20 1/2 are eligible to become participants on May 1 coincident with or next following satisfaction of eligibility requirements.

Contributions

Participants in the Plan may elect to contribute up to the IRS allowed maximum of their adjusted compensation on a before-tax basis to the Plan as of July 1, 2018. Participants direct the investment of their contributions into various investment options offered by the plan. The Plan offers various mutual funds as investment options. Plan trustees also limit the amount of contribution which can be made by highly-compensated employees. Effective May 1, 2022, the Association provides matching contributions under a safe harbor formula permitted by Internal Revenue Code Section 401(k)12. The matching formula is equal to (i) 100% of a participants elective deferrals that are not in excess of 3% of the participants compensation plus (ii) 50% of a participants elective deferrals that exceed 3% of the participants compensation but do not exceed 5% of the participants compensation. The Association may also make a discretionary profit sharing contribution for the plan year at the discretion of its Board of Directors. For employer discretionary profit sharing contributions and forfeitures, participants must have been credited with at least 1,000 hours during the plan year and is still employed on the last day of the plan year, with the exceptions of death, disability, or normal retirement. The basis of profit sharing contributions are allocated on the ratio of each eligible participant's compensation when compared to the compensation of all eligible participants.

Notes to Financial Statements

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Association's contributions, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions. Vesting in the remainder of their accounts is based on years of service. A participant is 100% vested after three years of credited service.

Payment of benefits

On termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her account.

Forfeited accounts

At April 30, 2023 and 2022, there were \$-0- and \$-0-, respectively, in forfeited nonvested accounts within the Plan. According to Plan documents, forfeited nonvested accounts may be added to any employer discretionary contributions and are allocated in the same manner. During the years ended April 30, 2023 and 2022, employer contributions of \$-0- and \$1,341 were increased by forfeited nonvested accounts.

Trustee certification

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting disclosures under such election, the plan administrator has obtained certification from the trustees of the Plan that all of the information provided by them and included in the accompanying financial statements and supplemental schedules is complete and accurate. Information as to cash, investments, bank account, overdrafts, accounts payable, notes payable, interest income, net appreciation in fair value of investments, dividend income, fiduciary fee and expense, real estate expense and interest and all information in the accompanying supplementary schedules is presented in reliance solely upon those certifications.

(2) Summary of accounting policies

The following are the significant accounting policies followed by the Plan:

Basis of presentation

The accompanying financial statements and supplemental schedules of the Plan have been prepared on the accrual basis.

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are valued at fair value as reported by the trustees as of the valuation date, including the present value of any receivable contributions made for a prior plan year which were not recognized by the trustee as of the asset valuation date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments to participants are generally recorded upon distribution.

Administrative expenses

The Plan's expenses are paid either by the Plan or the Association, as generally provided by the plan document. Expenses that are paid directly by the Association are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in the net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

(3) Investments

During the 2023 and 2022 plan years, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

|                   | 2023               | 2022             |
|-------------------|--------------------|------------------|
| Mutual funds      | \$ 262             | (31,393)         |
| Equities and ETFs | (48,404)           | (88,040)         |
|                   | <u>\$ (48,142)</u> | <u>(119,433)</u> |

The following investments represent five percent (5%) or more of the Plan's net assets at April 30, 2023 and 2022.

|                                       | 2023              | 2022           |

During the years ended April 30, 2023 and 2022, the Plan's investments - all of which are held in various mutual funds - (including gains and losses on investments bought and sold, as well as held during each year) appreciated/(depreciated) in value by \$(48,142) and \$(119,433), respectively.

(4) Plan Termination

Although they have not expressed any intent to do so, the Association has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(5) Tax Status

The U.S. Treasury Department has advised that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is a qualified plan and the related trust is tax-exempt.

FARMERS COOPERATIVE COMPRESS  
RETIREMENT PLAN

Notes to Financial Statements

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is not longer subject to income tax examinations for years prior to April 30, 2019.

(6) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(7) Related Party and Parties in Interest Transactions

There were no transactions with related parties in 2023 or 2022. The Plan paid certain expenses related to plan operations and investment activity to various service providers in 2023 and 2022. These transactions are party in interest transactions under ERISA.

(8) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

FARMERS COOPERATIVE COMPRESS  
RETIREMENT PLAN

Notes to Financial Statements

Level 2

Inputs to the valuation methodology include: (a.) quoted prices for similar assets or liabilities in active markets; (b.) quoted prices for identical or similar assets or liabilities in inactive markets; (c.) inputs other than quoted prices that are observable for the asset or liability; (d.) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2023 or 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange traded funds: Exchange traded funds (ETFs) are valued at the closing price reported on the appropriate exchange.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 30, 2023 and 2022.
