INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
DCA Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DCA Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DCA Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCA Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DCA Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DCA Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DCA Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of Plan

The DCA Profit Sharing 401(k) Plan (the "Plan") is organized as a defined contribution plan under Section 401(k) of the Internal Revenue Code and covers substantially all eligible employees of The Falcon Corporation and Dave Carter & Associates, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is administered by trustees appointed by the Board of Directors of the Company. The Plan was established effective September 1, 1993. The Plan has been restated and amended throughout the years, with the most recent restatement effective January 1, 2022. The following is provided only for general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

Eligibility

Employees who have attained age 18 and completed at least two months of employment are eligible to participate in the Plan.

Contributions

Each year, participants may contribute up to the maximum amount allowable not to exceed the limits of Internal Revenue Code Sections 401(k), 402(g), 404 and 415. Additional profit sharing or matching amounts may be contributed at the option of the Company's Board of Directors. Participants direct the investment of contributions into various investment options offered by the Plan. For 2022 and 2021, the Company elected to match 50% of employee contributions up to the first 2% of the participant's compensation. The Company did not elect to make any profit sharing contributions for 2022 or 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's discretionary contribution and Plan earnings and may be charged with an allocation of administration expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary and matching contribution portion of their accounts plus actual earnings thereon is determined under the following schedule:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Note 1 - Description of Plan, (Continued)

Vesting, (Continued)

A participant will also be 100% vested under any of the following circumstances:

- Death before retirement date.
- Disability before retirement date.
- Attainment of normal retirement age.

In addition, a participant is immediately 100% vested in any amount which has been transferred or rolled over into the Plan from another qualified employee benefit plan.

Forfeitures

The nonvested portion of a participant's account is forfeited upon termination of their employment with the Company. Forfeitures attributable to matching contributions will be used to reduce the employer's matching contribution. All other forfeitures are allocated to all participants eligible to share in the same proportion that participant's compensation for the Plan year bears to the compensation of all participants for such year. At December 31, 2022 and 2021, there was $10,206 and $7,555 in forfeited nonvested accounts, respectively.

Payment of Benefits

On termination due to death, disability, or regular retirement, a participant is entitled to receive a lump-sum amount equal to the value of the participant's account. Upon termination for any reason other than death, disability, or retirement a participant shall receive the value of the vested interest in his or her account. Annuities are allowed but are not the normal form of distribution.

Participant Loans

Participant loans are not allowed under the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are managed by Empower Annuity Insurance Company of America ("Empower"), which consist of various publicly traded mutual funds and a fixed account. Empower served as the intermediary for all asset purchases and redemptions. The Plan's investments are stated at fair market value at December 31, 2022 and 2021, except for fully benefit-responsive investment contracts, which are reported at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The fixed account is considered fully benefit-responsive and is reported at contract value.

Note 2 - Summary of Significant Accounting Policies, (Continued)

Investment Valuation and Income Recognition, (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

All expenses of administration may be paid out of the Plan unless paid by the Company. The general expenses of the administration of the Plan are paid by the Company and excluded from these financial statements. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through the date the financial statements were available to be issued, or February 13, 2024. No subsequent events have been recognized or disclosed, except as noted below.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement Act 2.0 (SECURE Act 2.0) was enacted as part of the Consolidated Appropriations Act. SECURE Act 2.0 covers numerous changes to retirement provisions designed to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and lower employers' cost of offering and funding retirement savings plans. The provisions of the SECURE Act 2.0 become effective over the next several years, with the majority in 2023 and 2024.

Note 3 - Information Prepared and Certified by Custodian (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified by Empower Annuity Insurance Company of America under power of attorney on behalf of Talcott Resolution Life Insurance (the custodian of the Plan) as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $7,240,747 and $7,556,461 at December 31, 2022 and 2021 respectively, and related losses of $990,987 for the year ending December 31, 2022. The related losses of $990,987 consist of the depreciation in fair value of the investments of $1,025,748 and interest income of $34,761.

Note 4 - Investment Contract

The Plan has an investment contract with Talcott Resolution Life Insurance (formerly Hartford Life Insurance Company), which is administered by Empower. The investment, a fixed account, is held in the insurance company's general account, subject to the group annuity contract and funding agreement.

Note 4 - Investment Contract, (Continued)

The fixed account, valued at contract value, is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses and is considered fully benefit-responsive. The Plan holds the fixed account at December 31, 2022 and 2021. The fixed account has a declared interest rate, or minimum guaranteed rate, of 3%. The account allows participants to direct permitted withdrawals and/or transfer transactions at contract value, which represents contributions plus credited interest, less participant withdrawals and fees. Employer initiated events, such as premature termination of the contract by the Plan, could limit the funds' ability to transact at contract value with the Plan. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The issuer is contractually obligated to pay the principal and the specified rate of interest that is guaranteed to the fund as stated in the group funding agreement. The contract values of the fixed account are $2,197,523 and $1,878,848 at December 31, 2022 and 2021, respectively.

Note 5 - Fair Value Measurements

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Note 5 - Fair Value Measurements, (Continued)

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,043,224	$ 0	$ 0	$ 5,043,224
Total assets at fair value	$ 5,043,224	$ 0	$ 0	$ 5,043,224

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$5,677,613	$ 0	$ 0	$5,677,613
Total assets at fair value	$5,677,613	$ 0	$ 0	$5,677,613

The Plan's policy is to recognize transfers in and transfers out as of the actual date of the event or change in circumstances that caused the transfer. For the years ending December 31, 2022 and 2021, there were no significant transfers into or out of levels 1, 2, or 3.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

Note 7 - Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 8 - Risks and Uncertainties

The Plan invests in a variety of publicly traded funds and a guaranteed income and fixed account. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 9 - Related Party and Parties-In-Interest Transactions

Parties-in-interest include fiduciaries of the Plan, any person who provides services to the Plan, the employer, and certain other parties. Transactions during the year with parties-in-interest included the following:

The employer, Dave Carter & Associates, Inc., provided certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Furthermore, the custodian and recordkeeper held the Plan investments and provided investment advisory and recordkeeping services to the Plan. Investment and administrative fees incurred by the Plan totaled $32,637 and $39,776 in 2022 and 2021, respectively.

Note 10 - Excess Contributions Refundable

At December 31, 2022 and 2021, liabilities of $0 and $3,023, respectively, are recorded for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

Note 11 - COVID-19 Pandemic

In March 2020, the World Health Organization characterized the spread of the novel coronavirus (COVID-19) as a global pandemic. Multiple jurisdictions in the U.S. have declared a state of emergency, which caused business disruptions in numerous industries. The impacts of the virus are expected to continue for some time, and its impact on the Plan and its operations are unknown.

Note 12 - Reconciliation of Financial Statements to Federal Form 5500

The following is a reconciliation of Net Assets Available for Benefits per the financial statements to the Federal Form 5500, Annual Return/Report of Employee Benefit Plan, as of December 31, 2022 and 2021:

	2022	2021
Net Assets Available for Benefits per the financial statements	$ 7,256,366	$ 7,553,438
Less: Contributions receivable	(15,619)	0
Add: Excess contributions refundable	0	3,023
Net Assets Available for Benefits per Form 5500	$ 7,240,747	$ 7,556,461

Note 12 - Reconciliation of Financial Statements to Federal Form 5500, (Continued)

The following is a reconciliation of the Statement of Changes in Net Assets Available for Benefits per the financial statements to the Form 5500 for 2022:

Net decrease on Statement of Changes in Net Assets Available for Benefits per the financial statements	$ (297,072)
Less: Current year contributions receivable	(15,619)
Less: Prior year excess contributions refundable included on 2021 Form 5500 as participant contributions	(3,023)
Net decrease on Statement of Changes in Net Assets Available for Benefits per Form 5500	$ (315,714)
