INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Aldridge Pite 401(k) Plan
Atlanta, GA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Aldridge Pite 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Aldridge Pite 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Aldridge Pite 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Aldridge Pite 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Aldridge Pite 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Aldridge Pite 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALDRIDGE PITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note A

Description of Plan

The following description of the Aldridge Pite 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan established effective July 1, 2010, and has been amended and restated throughout the years to comply with tax regulation. The Plan was restated effective January 1, 2021 to comply with the IRS Cycle 3 restatement remedial amendment period. The Plan is maintained by Aldridge Pite, LLP (the "Sponsor" or the "Company"). Employers currently participating in the Plan include Aldridge Pite, LLP, Shore to Shore Title, LLC (removed effective May 27, 2022), Clear Recon Corp (AZ, CA, NV, OR, and WA), Orange Title Insurance Agency, Inc., and Aldridge Pite Haan, LLP (the "Companies"). Employees eligible to participate in the Plan are those employees of the Companies who are at least 21 years old and completed two consecutive months of employment. Excluded employees include union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining and certain nonresident aliens who have no earned income from sources within the United States of America. Employees may enter the plan the first day of the month coinciding with or next following date requirements were met. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management of Aldridge Pite, LLP is responsible for oversight of the Plan, determines the appropriateness of the Plan's investments offerings and monitors investment performance.

Plan Amendments:

Effective January 1, 2021, the Plan was amended and restated to comply with the Internal Revenue Service's "IRS" Cycle 3 restatement requirement

Contributions:

Each year, eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or after-tax Roth contributions to the Plan, subject to the maximum amount allowed by the Internal Revenue Code. For participants who have attained age 50, catch-up contributions are also allowed by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Additionally, the Company may make discretionary matching contributions equal to a uniform percentage of participants' salary deferrals. For the year ended December 31, 2022, the Company made discretionary matching contributions equal to 25% of the first 6% of compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the discretion of the Company's Board of Directors. The Company made no profit sharing contributions for the year ended December 31, 2022. Participants direct the investment of their contributions into various investment options offered by the Plan.

Description of Plan (Continued)

Participant Accounts:

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the sponsor's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Participants' accounts also become fully vested upon attainment of the normal retirement age of 65 or in the event of death or disability.

Payment of Benefits:

Participants may elect to receive a lump-sum amount equal to the value of their vested interest upon retirement, termination of service, death or disability. A terminated employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan document.

Forfeited Accounts:

If a participant terminates employment before being fully vested in any employer contributions, then the non-vested portion of the terminated participant's account balance is forfeited and remains in the plan. These forfeited amounts may first be used to pay administrative expenses, and then to reduce employer contributions. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$19,433 and \$4,198, respectively. For the year ended December 31, 2022, no forfeited amounts were used.

Note B

Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

ALDRIDGE PITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note B
Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition:

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Company personnel perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included as plan expenses. Fees related to participant recordkeeping and specific participant transactions are charged directly to each participants' account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value investments.

Risk and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the financial statements.

Payment of Benefits:

Benefit distributions, determined in accordance with provisions of the Plan, are recorded when paid.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Corrective Distributions Payable:

Corrective distributions payable represent payments made to participants to return to them excess contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. The Plan was unable to distribute the 2022 excess contributions to the applicable participants prior to March 15, 2023.

ALDRIDGE PITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note C
Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note D
Income Tax Status

The Plan has adopted a pre-approved profit sharing plan sponsored by FIS Business Systems LLC. The Internal Revenue Service has determined and informed FIS Business Systems LLC by a letter dated June 30, 2020, that the profit sharing plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate section of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the plan administrator and management believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Accordingly, the accompanying financial statements do not include a provision for income taxes.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note E
Related Party Activity

Certain plan investments are investments managed by Empower Trust Company, LLC and Empower Annuity Insurance Company of America. Empower Trust Company, LLC and Empower Annuity Insurance Company of America are the trustees, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2022, direct fees paid by the Plan to Empower Trust Company, LLC and Empower Annuity Insurance Company of America were \$93,558. In addition, advisory fees paid by the Plan were paid to Northwestern Mutual Wealth Management which totaled \$20,132.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note F
Information Certified by the Trustees of the Plan

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America (the trustees of the Plan).

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as quoted by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net assets value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note G

Fair Value Measurements (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Description	Total	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>2022</u>				
Mutual funds	\$ <u>16,730,916</u>	\$ <u>16,730,916</u>	\$ _____ -	\$ _____ -
<u>2021</u>				
Mutual funds	\$ <u>20,512,336</u>	\$ <u>20,512,336</u>	\$ _____ -	\$ _____ -

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net appreciation (depreciation) in fair value of investments.

Note H

Guaranteed Interest Accounts

During 2017, the Plan entered into a group annuity contract with Great-West Life & Annuity Insurance Company ("Great-West") that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract since the contract was determined to be fully benefit-responsive. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may transfer their account balance in the Fund to any other investment option offered under the Plan at any time with no restrictions or penalties, because the Fund is designed to be a Plan's only guaranteed/stable value/money market investment.

ALDRIDGE PITE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note H

Guaranteed Interest Accounts (Continued)

In order to provide the participant with liquidity (100% for participant transfers), there cannot be any actively competing guaranteed/stable value/money market investments in the Plan. Bond funds of durations longer than three years are permitted. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- (a) amendments to the Plan document (including complete or partial Plan termination or merger with another plan),
- (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions,
- (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan or
- (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. Upon termination of the group annuity contract, the employer may (a) receive the payoff of the fund in a lump sum with a market value adjustment, (b) receive the payout of the fund in a lump sum at book value, or (c) maintain participant accounts in the Key Guaranteed Portfolio Fund.

Note I

Subsequent Events

Subsequent events have been evaluated through February 9, 2024, which is the date the financial statements were available to be issued.

Note J

Prohibited Transactions

During the year ended December 31, 2022, the Company failed to remit to the Plan's trustee certain participant contributions within the period prescribed by Department of Labor regulations. Consequently, the Plan is considered to have engaged in non-exempt transactions with a party-in-interest. The Company is required to rectify the matter by paying lost earnings on the participant contributions that were remitted late.
