INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Radiology Regional Center, PA Profit Sharing/401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Radiology Regional Center, PA Profit Sharing/401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Radiology Regional Center, PA Profit Sharing/401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Radiology Regional Center, PA Profit Sharing/401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Radiology Regional Center, PA Profit Sharing/401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Radiology Regional Center, PA Profit Sharing/401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Radiology Regional Center, PA Profit Sharing/401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Radiology Regional Center, PA Profit Sharing/401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Radiology Regional Center, PA Profit Sharing/401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Radiology Regional Center, PA Profit Sharing/401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Radiology Regional Center, PA Profit Sharing/401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Radiology Regional Center, PA Profit Sharing/401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – PLAN DESCRIPTION

Radiology Regional Center, PA (the Company) sponsors the Radiology Regional Center, PA Profit Sharing/401(k) Plan (the Plan). The following brief description of the Plan is provided for general information only. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan is a 401(k) defined contribution plan covering all eligible employees of the Company. Effective January 1, 2022, the Plan was restated to comply with the requirements for Cycle 3 Pre-Approved Plans, pursuant to Revenue Procedure 2017-41. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

All employees who have not made an affirmative election with regard to his or her desire to make or not make 401(k) and/or Roth contributions under the Plan are automatically enrolled in the Plan at 3% of eligible compensation on the first day of the quarter following the completion of three months of service and having attained the age of 21 years old, as defined in the plan agreement. The participant deferral contributions for employees who are automatically enrolled will increase by 1% for each subsequent year until 6% level of contribution is reached.

Contributions

Each year, participants may make contributions of their annual base compensation, as defined in the Plan document, subject to certain dollar limits established by the current applicable section of the Internal Revenue Code (IRC). The plan allows for pre-tax and Roth contributions. Participants may choose to deduct an amount equivalent to a percentage of earnings or a flat dollar amount.

The plan sponsor will decide for each 12-month period ending December 31 how much to contribute to the Plan.

Additional profit-sharing amounts may be contributed at the option of the plan sponsor's board of directors. The plan sponsor did not make any profit-sharing contributions for the years ended December 31, 2022 and 2021. Certain other discretionary contributions called "Qualified Nonelective Contributions" (QNECs), may be made by the Company, and allocated on a per capita basis among non-highly compensated employees who are participants in the Plan. Each of these employees will receive the same amount of QNECs. There were no such QNEC contributions for the years ended December 31, 2022 and 2021.

NOTE A – PLAN DESCRIPTION (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Plan's earnings, and Company contributions, and charged with benefit payments and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan was amended and restated effective January 1, 2020 to comply with Internal Revenue Service regulations relating to hardship distributions from the Plan. The Employer may elect to authorize an in-service distribution upon the occurrence of hardship. A distribution is made on account of hardship only if the distribution both is made on account of an immediate and heavy financial need and is necessary to satisfy the financial need.

Vesting

Upon participation in the Plan, all participants are 100% vested in deferral contributions plus actual earnings thereon. Vesting in the Company's discretionary employer contribution and profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The Plan's vesting schedule allows for vesting of participant balances at the rate of 20% per year beginning after the second year of employment. A participant will be 100% vested after six years of credited service or upon retirement on or after a participant's 65th birthday, permanent disability, or death regardless of years of service.

Forfeitures

Forfeitures may be reallocated to participant accounts or used to reduce the subsequent employer contribution. During the year ended December 31, 2022, \$10,901 of forfeitures were used to reduce the 2021 employer contribution. At December 31, 2022 and 2021, forfeitures held in the Plan totaled \$51,293 and \$21,388, respectively.

Note Receivable

Note receivable represents a loan to a participant from their vested account balance. Currently, new loans are not permitted under the Plan. The existing loan will continue to be administered until fully repaid. Loan terms cannot exceed beyond five years unless the loan is for the purchase of a primary residence.

The loan is collateralized by the balance in the participant's account and bears interest at a rate of 5.75%, which is commensurate with the local prevailing rate as determined by the plan administrator, but not less than the prime lending rate. Repayments of principal and interest are credited back to the participant's account through payroll deductions and must be done at least quarterly.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value of a financial instrument is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts. The contract value is the relevant measurement since it represents the amount that the participant would receive if they were to initiate permitted withdrawal transactions under the terms of the plan.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of realized gains or loss and unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are recorded on a trade-date basis. Gains or losses on sales of investments are determined by specific identification method. Interest income is recorded as earned on an accrual basis. Dividends are recorded on ex-dividend date.

Contribution Receivable

Contributions receivable are comprised of amounts due from participants and the employer for participant deferrals and discretionary matching contributions due to timing differences. Based upon management's review of the amounts, all are considered fully collectible.

Note Receivable

Note receivable from participant is measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. A delinquent note receivable is recorded as a distribution based on the terms of the Plan document.

Benefits

Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Plan Expenses

Direct Plan expenses such as trustee, recordkeeping, and investment management fees and certain administrative expenses are paid from Plan assets. For the plan year ended 2022 and 2021, management fees and operating expenses charged to the Plan for benefits paid and investments in mutual funds and the collective trust are deducted from income earned on a daily basis and not separately charged to an expense. Consequently, management fees and operating expenses are reflected as a reduction of benefits paid and investment return for such investments. Other administrative costs such as auditing fees are paid by the Sponsor.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participant's right to their accrued benefit is 100% nonforfeitable, irrespective of the nonforfeitable percentage that would otherwise apply under the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, and disclosures. Accordingly, actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax asset or liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a tax asset or liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods.

NOTE C – INVESTMENT INFORMATION CERTIFIED (UNAUDITED)

As of December 31, 2022 and 2021, the following is a summary of the Plan's financial information and investments certified to by Empower Annuity Insurance Company of America (Empower) f/k/a Great-West Life & Annuity Insurance Company, an insurance company, and Empower Trust Company, LLC f/k/a Great-West Trust Company, LLC, a trust company of the Plan, included in the financial statements as complete and accurate in accordance with Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974.

Total Investment Income (Loss)	\$ (5,349,966)	\$ 3,873,068

NOTE D – GUARANTEED INTEREST FUND WITH INSURANCE COMPANY

The Plan has entered into a benefit-responsive guaranteed interest fund contract with Empower which maintains the contributions in a general account. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and the prevailing market conditions. Interest crediting rate is reset at least quarterly. As described in Note B, because the guaranteed interest fund is fully-benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest fund contract. Contract value represents the sum of contributions and deposits made by and on behalf of participants, alternate payees and beneficiaries allocated to the guaranteed interest fund plus interest credited to the contract holder's assets in the guaranteed interest fund less the sum of amounts distributed plus any amounts transferred from the guaranteed interest fund, as well as charges and fees and applicable taxes, if any.

RADIOLOGY REGIONAL CENTER, PA
PROFIT SHARING/401(k) PLAN

Notes to Financial Statements
December 31, 2022 and 2021

NOTE D – GUARANTEED INTEREST FUND WITH INSURANCE COMPANY (continued)

Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment fund at December 31, 2022 and 2021 was \$2,618,375 and \$2,157,339, respectively. The crediting interest is based on a formula agreed upon with the issuer as stated above. Such interest rates are reviewed on a quarterly basis for resetting.

The average yield earned by the Plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the Fund over the year. The average for 2022 and 2021 is 1.18% and 1.15%. The actual average yield earned by the Plan for the benefit responsive fund can be derived by averaging the Plan's quarterly interest rates. That average for 2022 and 2021 is 1.16% and 1.15%

The Plan must notify Empower at least thirty days in advance of a plan sponsor-initiated event. A plan sponsor-initiated event is an action that materially impacts assets in the guaranteed interest fund as it relates to the Plan, including but not limited to a spin-off, sale, merger, full, or partial plan termination, including distribution of assets performed by a qualified termination administrator, as defined under Federal Law and regulations. If the plan sponsor-initiated event causes Empower to require the Plan to make an election of contract termination, the Plan must notify Empower of its selection of predefined contract termination options.

NOTE E – FAIR VALUE MEASUREMENTS

Financial Accounting Standards have established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PROFIT SHARING/401(k) PLAN

Notes to Financial Statements
December 31, 2022 and 2021

NOTE E – FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: These investments are valued at net asset value (NAV) as a readily determinable fair value.

Self-directed brokerage accounts – Corporate common stock and interest-bearing cash: These investments are valued at the market quoted value of assets held at year end.

Common collective trust funds: These investments are valued at net asset value (NAV) of unit's collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment shelf by the fund less liabilities. Participants transactions (purchases and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2022. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Fair Value Measurements as of December 31, 2022

NOTE F – PARTY-IN-INTEREST TRANSACTIONS

The Plan assets were held and managed by Empower Trust Company, LLC which invests cash received, interest and dividend income, and makes distributions to participants. Empower Trust Company, LLC is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping fees were \$28,268 and \$38,219 for the years ended December 31, 2022 and 2021, respectively.

The plan paid investment advisor fees to Kestra Advisory Services for the years ended December 31, 2022 and 2021, in the amount of \$31,486 and \$34,747, respectively.

NOTE G – INCOME TAX STATUS

The plan sponsor adopted a prototype plan document that was approved by the Internal Revenue Service (“IRS”) on June 07, 2021, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan has not applied for an individual determination letter from the IRS.

The prototype plan has been amended since the opinion letter approval; however, the plan sponsor believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and that the Plan has satisfied the qualification requirements of the IRC Section 401(a) in operation and, therefore, the related trust is exempt from federal income taxes under the provisions of IRC Section 501(a). Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE H – SUBSEQUENT EVENTS

Effective January 1, 2023, the Plan was amended to: (1) change discretionary employer matching to 3% safe-harbor employer matching; and (2) changes allocation conditions for participants to receive an allocation of employer contributions to be employed on the last day of the plan year and be credited with at least 1,000 hours of service during the plan year .

In 2023, the Plan changed recordkeepers from Empower Annuity Insurance Company of America to Millman, Inc.
