Independent Auditors' Report

To the Plan Administrator of
Prism Hospitality, LP 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Prism Hospitality, LP 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 1, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 to May 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of May 1, 2023, and December 31, 2022, and for the period from January 1, 2023 to May 1, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Prism Hospitality, LP 401(k) Plan merged into the Aimbridge Parent, Inc. 401(k) Plan effective May 1, 2023. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Prism Hospitality, LP 401(k) Plan

Notes to Financial Statements

May 1, 2023 and December 31, 2022

1. Description of the Plan

General

The Prism Hospitality, L.P. 401(k) Plan (the Plan) is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established on November 1, 2001, and amended and restated July 31, 2022, covering substantially all employees of Prism Hospitality, LP and certain affiliates (collectively, the Company or Plan Administrator). Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal) serves as the Trustee and record-keeper of the Plan (the Trustee and Record-keeper). The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Plan Merger

Effective May 1, 2023, the Company merged the Plan into the Aimbridge Parent, Inc. 401(k) Plan. Assets in the amount of \$2,732,692 were transferred into the Aimbridge Parent, Inc. 401(k) Plan as of the Plan's effective merger date and is recorded as a transfer out to affiliated plan on the accompanying Statement of Changes in Net Assets Available for Benefits for the period January 1, 2023 to May 1, 2023.

Eligibility and Participant Accounts

Employees become eligible for participation in the Plan at the age of 21 and upon completion of one year of service (1,000 hours during a 12-month period) with the exception of those covered by a collective bargaining agreement, and reclassified employees, as defined by the plan document. Upon meeting eligibility requirements, employees may begin participating in the Plan on the first day of the month following the date eligibility requirements are met. Subject to certain annual limits, each participant's account is credited with the participant and Company contributions, plan earnings or losses, and charged with an allocation of administrative expenses. Participants may modify investment elections, transfer existing account balances, and obtain information regarding investments on a daily basis.

Contributions

The Plan is funded through employee elective deferrals and Company contributions. A participant may elect to contribute a portion of his or her pre-tax compensation from 1% to 80%, subject to certain maximum limitations imposed by the Internal Revenue Code (IRC) (\$22,500). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the close of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC (\$7,500). Rollover contributions representing distributions from other qualified defined benefit or defined contribution plans are permitted by the Plan.

The Plan allows for Company discretionary matching contributions and discretionary nonelective contributions in amounts to be determined by the Company. For the period from January 1, 2023 through May 1, 2023, there were no discretionary matching contributions or discretionary nonelective contributions made by the Company.

Prism Hospitality, LP 401(k) Plan

Notes to Financial Statements

May 1, 2023 and December 31, 2022

Benefits Paid to Participants

Upon normal retirement age, death, disability or termination, a participant's benefits are payable in a lump-sum amount equal to 100% of the participant's vested account balance. Employees may also make hardship withdrawals on the balance of their account related to their elective deferral contributions. Participants with vested account balances greater than \$1,000 may defer their distributions to a later date. Participant with account balances of \$1,000 or less at the time of distribution will be cashed out as either an involuntary lump sum payment or by direct rollover into an individual retirement account or other eligible retirement plan.

Forfeitures

Forfeitures of terminated participants' nonvested accounts may be used to pay plan expenses or to reduce Company contributions. As of May 1, 2023, there were no forfeitures available for use. As of December 31, 2022, forfeitures of \$649 were available for use. This amount is reported as a component of net assets available for benefits. During 2023, \$649 were used to pay administrative expenses.

Investment Options

The Plan provides for participants to direct contributions into a common collective trust and mutual funds of registered investment companies in accordance with participant investment elections and the provisions of the trust agreement. Each participant has the option of directing their contributions into any of the investment options and may change the allocations daily. Participants should refer to the plan website for additional fund information.

Vesting

Participants are immediately vested in elective deferrals and rollover contributions plus actual earnings, thereon. Vesting in the Company's discretionary matching contributions, plus actual earnings thereon, is based on years of service, as defined by the plan document. Participants vest 25% per year beginning after two years of service and are 100% vested after five years of qualified service or upon occurrence of the participant's retirement, death, or disability.

Notes Receivable From Participants

Borrowings are available for all eligible participants. Notes receivable from participants are limited to a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance, subject to certain restrictions as defined by the Internal Revenue Service (IRS). The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Any note must be repaid within five years unless for the purchase of a primary residence, in which case the Plan Administrator may permit a longer repayment period. Repayments are made through payroll deductions and are reinvested in the participant accounts according to individual investment elections. As the Plan merged effective May 1, 2023, there were no notes receivables from participants. As of December 31, 2022, note terms range from January 2023 through October 2027, and the notes bear interest at a rate of 4.25% to 8.00%.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and fees paid related to benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The income or loss earned on participant accounts is allocated on a daily basis using the previous day's ending account balance. Net appreciation (depreciation) of fair value of investments includes the Plan's gains and losses on the investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivables from participants are reclassified as distributions based upon terms of the plan document or note policy of the Plan. Notes receivables are valued at amortized cost, which approximates fair value. No allowance for credit losses has been recorded as of May 1, 2023 and December 31, 2022.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Prism Hospitality, LP 401(k) Plan

Notes to Financial Statements

May 1, 2023 and December 31, 2022

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Common collective trust is valued at the net asset value (NAV) of shares held by the Plan at year-end, as determined by the Trustee. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This NAV is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. When the Plan initiates a full redemption of the common collective trust, the Trustee reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds of registered investment companies are valued at the NAV or quoted market prices of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

| | Assets at Fair Value as of December 31, 2022 | | | |
|---|--|------------|---------|--------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Common collective trust | \$ - | \$ 485,890 | \$ - | \$ 485,890 |
| Mutual funds of registered investment companies | 4,706,947 | - | - | 4,706,947 |
| Total investments at fair value | \$ 4,706,947 | \$ 485,890 | \$ - | \$ 5,192,837 |

4. Information Certified by Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of May 1, 2023, and December 31, 2022, and the related investment activity reported in the Statement of Change in Net Assets Available for Benefits for the period from January 1, 2023 through May 1, 2023.

Prism Hospitality, LP 401(k) Plan

Notes to Financial Statements

May 1, 2023 and December 31, 2022

5. Tax Status

The Plan is based on a nonstandardized pre-approved profit sharing plan with CODA, developed by Principal Life Insurance Company, which received a favorable advisory letter dated June 30, 2020, from the IRS stating that the nonstandardized pre-approved profit sharing plan with CODA, constitutes as a qualified plan under Section 401 of the IRC. The Plan Administrator believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related-Party Party in Interest Transactions

Certain plan investments are managed by the Trustee or an affiliate of the Trustee, and therefore, these transactions qualify as party in interest transactions. The Plan issues notes receivable to participants, which are secured by the participant's account balances. These transactions also qualify as party in interest transactions. Certain administrative functions of the Plan are performed by an officer or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Risks and Uncertainties

The Plan provides for various options of investments. Such investment securities are exposed to various risks, such as interest rate, market, concentration and credit risks. Market risks include global events, such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

8. Excess Participant Contributions Payable

The Plan failed the discrimination testing for the year ended December 31, 2022. As a result, excess contributions payable amounting to \$104,251, are recorded as a liability in the accompanying Statement of Net Assets Available for Benefits.

9. Reconciliation to the 2023 Form 5500, Schedule H

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at May 1, 2023 and December 31, 2022:

| | <u>2023</u> | <u>2022</u> |
|--|-------------|---------------------|
| Net assets available for benefits per financial statements | \$ - | \$ 5,152,755 |
| Less Company contributions receivable | - | (648) |
| Add excess contributions payable | - | 104,251 |
| Stable value fund reporting differences | - | (28,237) |
| Net assets available for benefits per Form 5500 | <u>\$ -</u> | <u>\$ 5,228,121</u> |

Prism Hospitality, LP 401(k) Plan

Notes to Financial Statements

May 1, 2023 and December 31, 2022

The following is a reconciliation of the net decrease in net assets available for benefit per the financial statements to the Form 5500 for the period January 1, 2023 to May 1, 2023:

| | |
|--|-----------------------|
| Net decrease in net assets available for benefits per financial statements | \$ (2,420,063) |
| Less prior year excess contributions payable | (104,251) |
| Less stable value fund reporting differences | 28,237 |
| Add prior year Company contributions receivable | 648 |
| Immaterial differences | <u>42</u> |
| Net decrease in net assets available for benefits per Form 5500 | <u>\$ (2,495,387)</u> |

10. Subsequent Events

In accordance with the Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) 855, *Subsequent Events*, the Plan has evaluated events or transactions occurring after May 1, 2023, the Statements of Net Assets Available for Benefits date, through February 15, 2024, the date the financial statements were ready to be issued, and determined there were no events or transactions that would impact our financial statements as of May 1, 2023.
