INDEPENDENT AUDITORS' REPORT

To the Administrative Committee and Participants of
Kriss Law LLC 401(K) Profit Sharing Plan and Trust
Needham, Massachusetts

Opinion

We have audited the financial statements of Kriss Law LLC 401(K) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Kriss Law LLC 401(K) Profit Sharing Plan and Trust as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kriss Law LLC 401(K) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kriss Law LLC 401(K) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kriss Law LLC 401(K) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kriss Law LLC 401(K) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KRISS LAW LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Kriss Law 401(K) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC). The Plan was established in June 2005. A Summary Plan Document outlining the Plan, its benefit provisions and vesting requirements is provided to each Plan participant. The Plan is administered by Kriss Law LLC "the Plan Sponsor".

Eligibility Requirements

All employees who have completed two months of service, as defined, are eligible to participate, provided they are at least 21 years of age and not a member of a union or non-resident alien.

Contributions

Participants may elect to contribute up to one hundred percent (100%) of eligible compensation as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe harbor contribution equal to one-hundred percent (100%) of the first three percent (3%) of eligible compensation that a participant contributes to the Plan and fifty percent (50%) of eligible compensation exceeding the first three percent (3%) up to five percent (5%) of eligible compensation.

Discretionary profit sharing amounts may be contributed to participants. Participants will always share in the profit sharing contribution regardless of the amount of service completed during the Plan year.

All contributions are subject to certain IRC limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions and Plan investment earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always one hundred percent (100%) vested in amounts attributable to their contributions, Company safe harbor contributions, and rollover contributions. Participants' vested percentage in their account attributable to discretionary profit sharing is determined under the following schedule and is based on vesting years of service. A year of service is based on 1,000 hours worked during the year. Participants will always, however, be one hundred percent (100%) vested if they are employed on or after their normal retirement age.

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by any outstanding loan balance, if any, during the one-year period ending on the day before a new loan is made or fifty percent (50%) of their vested account balance. The loans are secured by the balance in the participant's account and bear interest of 4.25% - 7.25% at December 31, 2022. The loan interest rate is the prime rate plus one percentage point. Loans must be fully repaid through payroll deductions within five years unless the loan is for the purchase of a principal residence, which is repayable over a longer repayment term. A participant may not have more than one outstanding loan at any time.

Payment of Benefits

Upon termination of employment, death, disability, or normal retirement, a participant or designated beneficiary may elect to receive the participant's vested interest in his or her account in the form of a lump-sum, partial payments, installment payments, or direct rollover. Participants may also withdraw their vested account balance upon attaining age 59 ½. Hardship withdrawals are also permitted by the Plan. Participants who terminate employment with an aggregate vested account balance of \$5,000 or less will be paid in a single lump-sum.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded.

Benefits Paid

Benefits paid to participants and their beneficiaries are recorded when paid.

Administration Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administration expenses. Investment related expenses are included in net appreciation / (depreciation) in fair value of investments.

**KRISS LAW LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through February 12, 2024, the date the financial statements were available to be issued. No subsequent events were noted that could have a material impact on the financial statements.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at fair value of shares held by the Plan at year end. Fair value is the quoted price in an active market.

Money market fund: Valued at the fair value of shares held by the Plan at year-end. The fair value is a quoted price in an active market.

Pooled separate accounts: Recorded at net asset value as determined by the investment manager based on the aggregate value of their underlying investments. Units in pooled separate accounts are only redeemable by the issuer.

KRISS LAW LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ -	\$ -	\$ -	\$ -
Money market fund	-	-	-	-
Pooled separate accounts measured at net asset value				4,712,756
Total investments	\$ -	\$ -	\$ -	\$ 4,712,756

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 5,287,570	\$ -	\$ -	\$ 5,287,570
Money market fund	36,262	-	-	36,262
Total investments	\$ 5,323,832	\$ -	\$ -	\$ 5,323,832

4. EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

The Plan switched custodians from Mid Atlantic Trust Company to John Hancock during 2022. These transactions qualify as exempt party-in-interest transactions.

Certain administrative expenses for accounting and other services are rendered by parties-in-interest and are paid by the Plan Sponsor. The Plan Sponsor also provides certain administrative services to the Plan for which it receives no compensation.

**KRISS LAW LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS**

5. TAX STATUS

The Internal Revenue Service (IRS) has provided an opinion and informed the Company by a letter dated June 30, 2020 that the prototype non-standardized plan maintained by the Plan is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently operating in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Sponsor believes it has no uncertain tax positions as of and for the year ended December 31, 2022 and 2021. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to income tax examinations for years prior to 2019.

6. PLAN TERMINATION

Although the Plan Sponsor has not expressed any intent to do so, it reserves the right to terminate the Plan at any time subject to the provisions of ERISA.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Opinion

We have audited the financial statements of Kriss Law LLC 401(K) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kriss Law LLC 401(K) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kriss Law LLC 401(K) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Kriss Law 401(K) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC). The Plan was established in June 2005. A Summary Plan Document outlining the Plan, its benefit provisions and vesting requirements is provided to each Plan participant. The Plan is administered by Kriss Law LLC "the Plan Sponsor".

Eligibility Requirements

All employees who have completed two months of service, as defined, are eligible to participate, provided they are at least 21 years of age and not a member of a union or non-resident alien.

Contributions

Participants may elect to contribute up to one hundred percent (100%) of eligible compensation as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe harbor contribution equal to one-hundred percent (100%) of the first three percent (3%) of eligible compensation that a participant contributes to the Plan and fifty percent (50%) of eligible compensation exceeding the first three percent (3%) up to five percent (5%) of eligible compensation.

Discretionary profit sharing amounts may be contributed to participants. Participants will always share in the profit sharing contribution regardless of the amount of service completed during the Plan year.

All contributions are subject to certain IRC limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions and Plan investment earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always one hundred percent (100%) vested in amounts attributable to their contributions, Company safe harbor contributions, and rollover contributions. Participants' vested percentage in their account attributable to discretionary profit sharing is determined under the following schedule and is based on vesting years of service. A year of service is based on 1,000 hours worked during the year. Participants will always, however, be one hundred percent (100%) vested if they are employed on or after their normal retirement age.

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by any outstanding loan balance, if any, during the one-year period ending on the day before a new loan is made or fifty percent (50%) of their vested account balance. The loans are secured by the balance in the participant's account and bear interest of 4.25% - 7.25% at December 31, 2022. The loan interest rate is the prime rate plus one percentage point. Loans must be fully repaid through payroll deductions within five years unless the loan is for the purchase of a principal residence, which is repayable over a longer repayment term. A participant may not have more than one outstanding loan at any time.

Payment of Benefits

Upon termination of employment, death, disability, or normal retirement, a participant or designated beneficiary may elect to receive the participant's vested interest in his or her account in the form of a lump-sum, partial payments, installment payments, or direct rollover. Participants may also withdraw their vested account balance upon attaining age 59 ½. Hardship withdrawals are also permitted by the Plan. Participants who terminate employment with an aggregate vested account balance of \$5,000 or less will be paid in a single lump-sum.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation / (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded.

Benefits Paid

Benefits paid to participants and their beneficiaries are recorded when paid.

Administration Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administration expenses. Investment related expenses are included in net appreciation / (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through February 12, 2024, the date the financial statements were available to be issued. No subsequent events were noted that could have a material impact on the financial statements.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at fair value of shares held by the Plan at year end. Fair value is the quoted price in an active market.

Money market fund: Valued at the fair value of shares held by the Plan at year-end. The fair value is a quoted price in an active market.

Pooled separate accounts: Recorded at net asset value as determined by the investment manager based on the aggregate value of their underlying investments. Units in pooled separate accounts are only redeemable by the issuer.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ -	\$ -	\$ -	\$ -
Money market fund	-	-	-	-
Pooled separate accounts measured at net asset value				4,712,756
Total investments	\$ -	\$ -	\$ -	\$ 4,712,756

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 5,287,570	\$ -	\$ -	\$ 5,287,570
Money market fund	36,262	-	-	36,262
Total investments	\$ 5,323,832	\$ -	\$ -	\$ 5,323,832

4. EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

The Plan switched custodians from Mid Atlantic Trust Company to John Hancock during 2022. These transactions qualify as exempt party-in-interest transactions.

Certain administrative expenses for accounting and other services are rendered by parties-in-interest and are paid by the Plan Sponsor. The Plan Sponsor also provides certain administrative services to the Plan for which it receives no compensation.

**KRISS LAW LLC 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS**

5. TAX STATUS

The Internal Revenue Service (IRS) has provided an opinion and informed the Company by a letter dated June 30, 2020 that the prototype non-standardized plan maintained by the Plan is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently operating in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Sponsor believes it has no uncertain tax positions as of and for the year ended December 31, 2022 and 2021. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to income tax examinations for years prior to 2019.

6. PLAN TERMINATION

Although the Plan Sponsor has not expressed any intent to do so, it reserves the right to terminate the Plan at any time subject to the provisions of ERISA.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
