Independent Auditor's Report

Plan Administrator
Vision Partners LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Vision Partners LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, and the supplemental schedule of delinquent participant contributions for the year ended are presented for purposes of additional analysis and are not a required part of the 2022 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FORVIS

In our opinion:

Notes to Financial Statements

Note 1. Description of Plan

The following is a brief description of Vision Partners LLC 401(k) Profit Sharing Plan (the "Plan") and is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General

The Plan was established effective September 5, 2018 and was amended and restated effective January 1, 2021. The Plan is a defined contribution plan covering substantially all employees of Vision Partners LLC and its controlled affiliates (collectively, the "Company") who have completed six months of service and attained age twenty-one. Empower Trust Company, LLC ("Empower") serves as a trustee for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In September 2021, the Plan was amended to reflect the merger and transfer of assets from Hill Vision Services, LLC 401(k) Plan and West County Ophthalmology, Inc. 401(k) Profit Sharing Plan.

In May 2022, the Plan was amended to reflect the merger and transfer of assets from Advanced Sight Center, Inc. 401(k) Plan, and in September 2022, the Plan was amended to reflect the mergers and transfers of assets from Pepose Vision Institute PC Employees Savings Trust and Erdey Searcy Eye Group, Inc. Profit Sharing Plan.

Contributions

Participants may elect to make deferral contributions up to 100% of eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts. Contributions are subject to certain limitations.

The Company makes safe harbor match contributions equal to 100% of the first 3% of compensation and then 50% of the next 2% of compensation that a participant contributes to the Plan. The Company may also, at its discretion, make non-elective contributions. No such non-elective contributions were made for the year ended December 31, 2022.

Investment options

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan offers mutual funds, a stable value collective trust fund, and self-directed brokerage accounts as investment options.

Participant accounts

Participant accounts are credited with the participant's contribution, an allocation of the Company's contributions and plan earnings, and is charged with benefit payments, plan losses, transaction fees related to notes receivable from participants and distributions, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are immediately vested in their deferral and rollover contributions to the Plan as well as Company safe harbor contributions, plus actual earnings thereon. Vesting in discretionary non-elective Company contributions is based on years of service, as defined, with participants becoming fully vested after six years of credited service, or immediately upon retirement, at death, or upon total and permanent disability.

Notes receivable from participants

Participants may borrow from their account a minimum of \$1,000 with the maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. At December 31, 2022, outstanding loans bore an interest rate of 4.25% to 8.00%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

On termination of service, death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum or installment options as provided by the Plan. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59½.

Forfeitures

At December 31, 2022 and 2021, forfeited nonvested accounts totaled approximately \$77,000 and \$20,000 respectively. These amounts may be used to reduce future Company contributions or pay plan expenses. During 2022, there were no forfeitures used to reduce Company contributions.

Note 2. Summary of Significant Accounting Policies

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with GAAP.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account. If a participant does not make loan repayments, and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. As of December 31, 2022 and 2021, management believes no allowance should be recorded as all loans outstanding have been deemed collectible.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Vision Partners LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Benefits paid to participants

Benefits are recorded when paid.

Administrative expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions are charged directly to the participant's account.

Subsequent events

Management has evaluated subsequent events through February 15, 2024, which is the date the financial statements were available to be issued.

In March 2023, the Plan was amended to reflect the merger and transfer of assets from Eye Specialists of Napa Valley Medical Group Incorporated 401(k) Profit Sharing Plan. In May 2023, the Plan was amended to reflect the merger and transfer of assets from Mid America Eye Center, P.A. Employees' Profit Sharing Plan. In June 2023, the Plan was amended to reflect the merger and transfer of assets from Heart of America Eye Care, P.A. 401(k) Profit Sharing Plan and Britton Vision Associates, PC Employees Savings Trust. In August 2023, the Plan was amended to reflect the mergers and transfers of assets from Sedalia Surgery Center, LLC 401(k) Profit Sharing Plan. In December 2023, the Plan was amended to reflect the merger and transfer of assets from Physicians Surgery Center, L.L.L 401(k) Profit Sharing Plan. Assets transferred into the plan totaled approximately \$13,000,000.

Note 3. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. These tiers include:

Level 1: Observable inputs such as quoted prices in active markets.

Level 2: Inputs other than quoted prices in active markets that are either directly or indirectly observable.

Level 3: Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Self-directed brokerage accounts

Vision Partners LLC 401(k) Profit Sharing Plan
Notes to Financial Statements

These investments include portfolios of cash equivalents and publicly traded equity securities that are valued daily at the closing price reported on the active markets on which the securities are traded.

Common collective trusts

These investments are valued based on the reported net asset value ("NAV") of the collective fund as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the stable value collective trust fund, the issuer reserves the right to require 12-months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments related to the fund. The common collective trust fund is not required to be classified within a level on the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2022 and 2021:

	Fair Value Measurement as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,029,469	\$ -	\$ -	\$ 18,029,469
Self-directed brokerage accounts	<u>4,869,645</u>	<u>-</u>	<u>-</u>	<u>4,869,645</u>
	<u>\$22,899,114</u>	<u>\$ -</u>	<u>\$ -</u>	22,899,114
Common collective trust measured at NAV				<u>552,660</u>
Investments at fair value				<u>\$ 23,451,774</u>

	Fair Value Measurement as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,970,980	\$ -	\$ -	\$ 13,970,980
Self-directed brokerage accounts	<u>981,170</u>	<u>-</u>	<u>-</u>	<u>981,170</u>
	<u>\$14,952,150</u>	<u>\$ -</u>	<u>\$ -</u>	14,952,150
Common collective trust measured at NAV				<u>731,985</u>
Investments at fair value				\$ 15,684,135

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 . Information Prepared and Certified by Qualified Institution

The following information included in the accompanying financial statements and the supplemental schedule was obtained from data that has been prepared and certified to be complete and accurate by Empower Trust Company, LLC as of and for the year ended December 31:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds	\$ 18,029,469	\$ 13,970,980
Common collective trust	552,660	731,985
Self-directed brokerage accounts	4,014,488	-
Notes receivable from participants	70,625	42,801
Net depreciation in fair value of investments	(2,617,685)	
Interest and dividends	520,732	
Interest income on notes receivable from participants	2,599	

Note 5. Party-in-Interest Transactions

Certain plan investments are funds managed by Empower and its affiliates. Empower is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Fees paid to the trustee by the Plan for administrative services totaled approximately \$108,000 for the year ended December 31, 2022.

Note 6. Tax Status

The Plan has not obtained a determination letter from the IRS stating that the Plan was in compliance with the applicable requirement of the IRC. The Plan is relying on the IRS approval of the prototype plan that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated December 7, 2020 that the prototype plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

Certain self-directed accounts may include interest-bearing cash deposits which exceed the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.
