Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed the audit of the accompanying financial statements of Korn Ferry Employee Tax Deferred Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of April 30, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended April 30, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Korn Ferry Employee Tax Deferred Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Korn Ferry Employee Tax Deferred Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Administrative Committee
Korn Ferry Employee Tax Deferred Savings Plan

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Korn Ferry Employee Tax Deferred Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Korn Ferry Employee Tax Deferred Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedules, schedule of delinquent participant contributions for the year ended April 30, 2023, and schedule of assets (held at end of year) as of April 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Administrative Committee
Korn Ferry Employee Tax Deferred Savings Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Korn Ferry Employee Tax Deferred Savings Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated April 11, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

KORN FERRY EMPLOYEE TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of Korn Ferry Employee Tax Deferred Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Korn Ferry (the Company), effective July 1, 1984, under the provisions of sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Substantially all Company employees are eligible to participate in the Plan on the entry date coinciding with or next following completion of one month of employment, provided the employees are not leased employees or covered by a collective bargaining agreement. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, unless they elect a different deferral rate. Participants become eligible for the employer matching contribution (if any) upon entry into the Plan.

Effective April 1, 2022, the Company acquired Patina Solutions Group (Patina) and amended the Plan to provide that: (1) employees of Patina join the Plan for purposes of making contributions beginning with the payroll period commencing May 1, 2022; (2) service with Patina prior to April 1, 2022, shall be counted under the Plan for vesting, eligibility and matching contribution purposes for individuals who were employed by Patina on April 1, 2022; and (3) salary deferral elections under the Patina Solutions Group Inc. 401(k) Profit Sharing Plan as of March 31, 2022 shall be carried over and remain in effect under the Plan.

Effective August 1, 2022, the Company acquired Infinity Consulting Solutions, Inc. (ICS) and amended the Plan to provide that: (1) employees of ICS join the Plan for purposes of making contributions beginning with the payroll period commencing on or after September 1, 2022; (2) service with ICS prior to August 1, 2022, shall be counted under the Plan for vesting, eligibility and matching contribution purposes for individuals who were employed by ICS on August 1, 2022; (3) loans under the Infinity Consulting Solutions, Inc. 401(k) PSP & Trust (Infinity Plan) can be rolled over; and (4) salary deferral elections under the Infinity Plan as of July 31, 2022 shall be carried over and remain in effect under the Plan.

Effective January 31, 2023, the Company acquired Salo, LLC (Salo) and amended the Plan to provide that: (1) employees of Salo join the Plan for purposes of making contributions beginning with the payroll period commencing on or after March 6, 2023; (2) service with Salo prior to February 1, 2023, shall be counted under the Plan for vesting, eligibility and matching contribution purposes for individuals who were employed by Salo on February 1, 2023; (3) loans under the Salo, LLC 401(k) Plan (Salo Plan) can be rolled over; and (4) salary deferral elections under the Salo Plan as of January 31, 2023 shall be carried over and remain in effect under the Plan.

APRIL 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Administration

On May 25, 2021, Delaware Charger Guarantee & Trust Company (dba: Principal Trust Company)(Principal), the current trustee, assumed the role from Wells Fargo Bank, N.A. (Wells Fargo), the former custodian. Principal is the custodian of all investments held in the Plan and the trustee of the portion of the trust that invests in the collective funds and mutual funds. Officers of the Company are appointed by the Company's board of directors to act as trustees for the common stock of the Company (Common Stock) held in the Plan. The Company is the Plan Sponsor.

Contributions

Eligible employees may contribute in pretax and/or Roth from 1% to 50% (in whole percentage points) of their base compensation to the Plan, subject to certain limitations under the IRC. Participants may also elect to contribute flat dollar amounts within the above percentages. In addition, the Company may contribute a portion of its profits to the Plan each year. The Company's board of directors has complete discretion as to the amount of the Company's contributions.

Effective August 1, 2022, the Company elected a discretionary match of 10% of eligible employee's deferrals on a pay period basis, up to a maximum of \$2,050. Subsequent to year-end, the Company elected to increase the match contribution to 20% for all eligible employees employed on April 30, 2023, up to a maximum of \$4,233, and made a one-time contribution to those employees.

Vesting

Participants are fully vested in their contributions and earnings thereon. Vesting in employer matching and discretionary contributions and earnings thereon is based on years of credited service in accordance with the following schedules.

Prior to May 1, 2021, if a participant had an hour of service, the vesting is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less Than 1	- %
1	25
2	50
3	75
4	100 %

KORN FERRY EMPLOYEE TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued)

Effective May 1, 2021, if a participant had an hour of service on or after May 1, 2021, the vesting is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less Than 2	- %
2	50
3	75
4 or More	100 %

Forfeited Amounts

The nonvested portions of former participants' account balances are used to fund future contributions made by the Company or pay Plan-related expenses. During the year ended April 30, 2023, approximately \$125,000 of forfeitures were utilized to fund a portion of employer contributions and pay Plan-related expenses. As of April 30, 2023 and 2022, approximately \$228,000 and \$121,000, respectively, of forfeited nonvested participant account balances were available to be used to fund future contributions or pay Plan-related expenses. Subsequent to April 30, 2023, the Plan utilized approximately \$228,000 to fund its discretionary matching contribution for the plan year ended April 30, 2023.

Benefits

Upon termination of service due to death, permanent disability or retirement, participants or their beneficiaries may elect to receive an amount equal to the value of the participants' vested interest in their accounts in the form of a total, partial or installment lump-sum cash payment or a direct rollover to an eligible retirement plan or an individual retirement account, except for participants who hold Common Stock of the Company, whose payment is made in shares of Common Stock. During employment, participants may also withdraw account balances upon the attainment of age 59½ or financial hardship.

In the event of a mandatory distribution greater than \$1,000 and not exceeding \$5,000, in accordance with the provisions of the Plan, if the participant does not elect a direct rollover or to receive the distribution directly, then the Plan administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator. In the event of a mandatory distribution less than \$1,000, in accordance with the provisions of the Plan, if the participant does not elect a direct rollover, then the Plan administrator will pay the distribution in the form of a lump-sum cash payment.

NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's net investment income and administrative expenses. Allocations of the Plan's net investment income and administrative expenses are based on the proportion of each participant's account balance to the total of all participants' account balances. Participants can direct their contributions into mutual and collective fund investment options, a self-directed brokerage account feature, or seven target date unitized funds; however, contributions cannot be directed into the Common Stock account. The Common Stock was originally transferred to the Plan as a result of an unrelated plan's termination. Participants may transfer funds out of their Common Stock account at any time; accordingly, as of April 30, 2023 and 2022, the Common Stock investment option is considered to be participant-directed. Participants have never been allowed to direct their contributions into the Common Stock account, and transfers from other investment options into the Common Stock account are not allowed.

Participants may change their investment options at any time. Under the terms of the Plan, employer discretionary contributions are directed in the same manner as the participant's election for deferrals.

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are collateralized by the balance of the participant's account and bear interest at a fixed interest rate of prime plus 2% as of the loan inception date. These notes are approved by the Plan administrator. Repayment of principal and interest by payroll deduction can be for terms of up to five years, unless the loan is for the acquisition, construction or substantial rehabilitation of a principal residence, in which case the Plan administrator may approve a longer term. The notes become due and payable within 30 days of the termination of the participant's employment with the Company.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

KORN FERRY EMPLOYEE TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2023 AND 2022

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of April 30, 2023 or 2022. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments and certain investment fees are charged directly to the participant account and are included as administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Reclassifications

Certain amounts in the 2022 financial statements have been reclassified to conform with the 2023 presentation. These reclassifications do not affect net assets available for benefits as previously reported.

Subsequent Events

Management has evaluated events through February 14, 2024, the date the financial statements were available to be issued.

In October 2023, the Plan Sponsor created the Korn Ferry Master Trust for the purpose of holding the Plan's assets.

KORN FERRY EMPLOYEE TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2023 AND 2022

NOTE 3 TAX STATUS

The Plan is placing reliance on an opinion letter received from the Internal Revenue Service (IRS) on the plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 5 INFORMATION CERTIFIED OR PROVIDED BY THE TRUSTEE

Principal Trust Company, the trustee of the Plan and the qualified institution, has supplied the Plan administrator with a certification as to the completeness and accuracy of the notes receivable from participants and all investment information presented on the accompanying statements of net assets available for benefits as of April 30, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended April 30, 2023, and the ERISA-required supplemental schedule of assets (held at end of year) as of April 30, 2023.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan engages in certain transactions involving the Company and its trustee that are considered parties in interest as defined by ERISA. These transactions involve investing Plan monies in certain target-date mutual funds and a collective fund managed by the trustee, and also Common Stock of the Company and, therefore, qualify as party-in-interest transactions for which a statutory exemption exists.

NOTE 7 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement (ASC 820), defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). ASC 820 includes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- quoted prices for similar assets and liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)

Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2023 and 2022.

Common Stock

Valued at the closing price reported on the active market on which the individual security is traded.

KORN FERRY EMPLOYEE TAX DEFERRED SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2023 AND 2022

NOTE 7 FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan and open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Valued based on the NAV of the collective trust funds. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that fund will sell the investment for an amount different than the reported NAV.

Self-Directed Brokerage Accounts

This investment account consists of mutual funds and cash equivalents that are valued at fair value as described.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of April 30:

2023

NOTE 7 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes the collective trust funds for which fair value is measured using the net asset value per share practical expedient as of April 30, 2023 and 2022. There are no participant redemption restrictions for the collective trust funds; the redemption notice period is applicable only to the Plan.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 NONEXEMPT TRANSACTIONS

During Plan years 2023, 2022 and 2021, the Company failed to timely deposit a total of \$1,635,420 of participant deferrals and loan repayments within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Company reimbursed the Plan for lost interest in accordance with the DOL calculator tool after April 30, 2023. The Company intends to file the Form 5330 and intends to pay the applicable excise tax. The excise tax payments will be made from the Company's assets and not from the assets of the Plan.
