INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Middletown Medical, P.C. 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Middletown Medical, P.C. 401(k) Profit Sharing Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ("ERISA") Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021 the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Middletown Medical, P.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note A to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Middletown Medical, P.C. 401(k) Profit Sharing Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Middletown Medical, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Middletown Medical, P.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Middletown Medical, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

(Continued)

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Middletown Medical, P.C. 401(K) Profit Sharing Plan, (the "Plan"), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a participant directed, defined contribution 401(k)/profit sharing plan established to provide retirement benefits to eligible employees. Reliance Trust Company serves as the trustee and the custodian of the Plan. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility and Contributions

Each Year participants may make pre-tax contributions, as defined in the Plan, subject to certain Internal Revenue Code (the "Code") limitations. All eligible employees who have attained age 21 and completed six months of service, as defined in the plan, can make pre-tax contributions. In order to receive an allocation of an employer discretionary matching contribution and an allocation of an employer discretionary profit sharing contribution, a participant must be employed on the last day of the plan year and has completed one year of service during the plan year.

The Plan also permits eligible employees who are age fifty or older by end of the calendar year to make catch-up contributions. Matching contributions do not apply to catch-up contributions.

Forfeited Accounts

Upon termination of employment, the portion of a participant's account balance that is not vested will be forfeited and may be used in future periods to reduce the Company's matching contributions or to pay any plan administrative expenses. There were no forfeited non-vested accounts in 2022 and 2021.

Cares Act

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act is required to occur on or before December 31, 2025.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. A participant vests at the rate of 20% per year, commencing year two and is 100% vested in the sixth year.

Participant Accounts

Each participant has an individual account which is credited with the participant's contribution, the Employer's matching contribution, if applicable, and the related income or loss related to their account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF THE PLAN (continued)

Investment Options

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers money market funds, bond funds and mutual funds as investment options for participants.

The Pension Protection Act created the Qualified Default Investment Alternative (QDIA). The QDIA provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The plan selected the Vanguard LifeStrategy Conservative Growth Fund-Investor Class as its QDIA.

Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, ("custodian and trustee of the Plan"). This information has not been audited by the Plan's independent auditor.

Participant Loans

Participants may borrow to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bears interest equal to the prime rate published in the Wall Street Journal plus 1%. Generally, loan terms may not exceed five years. The minimum loan amount is $1,000. The plan allows for only one loan at a time.

Payment of Benefits

In the event of a termination of employment, normal retirement, disability or death, participants may elect to receive their vested account balances in a lump sum, in installments or in partial withdrawals. Early withdrawals are permitted at the participants request after attaining the age of 591/2. If a participant's vested account balance does not exceed $5,000, then the funds will be distributed in a lump sum.

Hardship Withdrawals

The Plan provides for financial hardship withdrawals if certain conditions are met. The minimum amount for a hardship withdrawal must be $500. There is no maximum amount that the participant can borrow.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTS POLICIES

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles ("GAAP").

Investment valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

Purchases and sales of securities are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities and changes there in, and disclosure of disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events
The Plan evaluated events through October 14, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The Setting Every Community Up for Retirement Enhancement Act, (SECURE) 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

Notes Receivable from Participants
Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a deemed distribution is recorded.

Payments of Benefits
Benefits are recorded when paid.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan did not have any excess contributions for 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTS POLICIES (continued)

Administrative Expenses
Substantially all of the expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2: Inputs to the valuation methodology include:

  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fail value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for the assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

> Investments consist of shares of mutual and bond funds and are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables summarize investment assets measured at fair value at December 31, 2022 and 2021:

	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
At December 31, 2022				
Mutual and Bond Funds	$11,621,200	$ -	$ -	$11,621,200
At December 31, 2021:				
Mutual and Bond Funds	$13,079,322	$ -	$ -	$13,079,322

NOTE D – RISKS AND UNCERTAINTIES

The Plan invests in various mutual and bond funds. These funds are exposed to various risks such as interest rate and market credit risks. Due to the level of risk associated with certain investment mutual and bond funds, it is at least reasonably possible that changes in the values of these funds will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE E – TAX STATUS

The Company adopted a pre-approved prototype plan offered by the Plan's trustee. The Internal Revenue Service (IRS) has determined that the prototype plan, by letter dated October 6, 2020, is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the code.

GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positons taken by the Plan, and has concluded that as of December 31, 2022, and 2021, there are no uncertain positions takes or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F– PARTY IN INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The investments are managed by Reliance Trust Company. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and administrative expenses qualify as party-in-interest transactions. The Plan allows participants to take loans from their Plan accounts that qualify as party-in-interest transactions.

NOTE G – INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held as of December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the custodian of the plan. This information has not been audited by the Plan's independent auditor.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.
