The Plan Administrator
SCS Capital Management 401(k) Plan
Boston, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the SCS Capital Management 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCS CAPITAL MANAGEMENT 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the SCS Capital Management 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan with a cash deferred arrangement covering all employees of SCS Capital Management (the “Employer”) who have attained the age of 21, except for interns, lease employees, non-resident aliens, co-ops, consultants and any employee covered under a collective bargaining agreement. Newly eligible participants may enter the Plan on the first day of the next month after meeting the eligibility requirements. Fidelity Management Trust Company (“Fidelity”) provides recordkeeping services for the Plan, and also serves as trustee and custodian for the Plan’s investments. The Employer is the Plan’s administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant directed.

Participant Contributions

Participants may contribute up to 90% of their eligible compensation for a Plan year, subject to a dollar limit set by Federal law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Participant Rollovers”).

Employer Safe Harbor Matching Contributions

Each year, the Employer, at its sole discretion, determines the amount, if any, of matching contributions it may contribute to the Plan, subject to certain limitations. In order for a participant to receive a matching contribution, the participant must be employed on the last day of the Plan year to be eligible for the Employer matching contributions. For the year ended December 31, 2022, the Employer made a safe harbor matching contribution of 100% of every participant dollar contributed, capped at 4% of a participant’s base salary deferred upon, for a total contribution of \$860,920.

Employer Non-Elective Contributions

Each year, the Employer, at its sole discretion, may make non-elective contributions to the Plan subject to certain limitations. Eligibility to participate in the non-elective contributions requires one year of service (minimum of 501 hours during the Plan year) or employed on the last day of the Plan year. Allocations of the non-elective contribution are made among eligible participants based on the ratio of each participant’s eligible compensation bears to the total eligible compensation of all eligible participants. To date, there have been no non-elective contributions made to the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, allocations of the Employer’s contributions, Plan investment earnings and charged with administrative fees. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SCS CAPITAL MANAGEMENT 401(k) PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Vesting

Participant Contributions

Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Employer Contributions

Participants vest in Employer contributions and related earnings thereon based on years of continuous service. A participant begins vesting after one year of service and is fully vested after four years of credited service.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years (or longer for the purchase of a primary residence). Participants are allowed only two loans outstanding at any given time. The loans are secured by the vested balance in the participant's account and bear interest at prevailing interest rates as determined by the Employer. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

In-service withdrawals from a participant's elective deferral account are permitted only due to financial hardship or upon reaching age 59½. Hardship withdrawals may be taken from a participant's deferral account balances and vested Employer matching account balances with a minimum withdrawal of \$500. The amount of hardship distribution cannot exceed the amount to meet the immediate financial hardship. Upon death, disability, retirement or termination of employment, a participant may elect to receive either a lump-sum payment, installment payments or partial withdrawals equal to the vested account balance. If a participant's vested account does not exceed \$1,000, the Plan administrator may automatically distribute the account balance to the participant in the form of a lump-sum distribution.

Forfeitures

Upon termination of service, a participant who is not 100% vested forfeits the unvested portion of his or her account. Forfeited account balances are used to reduce Employer contributions and/or to pay Plan expenses. At December 31, 2022 and 2021, unused forfeited balances amounted to \$2,411 and \$2,380, respectively.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting which is in conformity with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Benefits Paid

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from Participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses charged to participants' accounts are included in administration fees.

Subsequent Events

The Plan has evaluated subsequent events through February 2, 2024, the date that the financial statements were available to be issued. No significant matters were identified for disclosure in that evaluation.

Notes to Financial Statements

Note 3 - Information Certified by Trustee and Custodian

Plan investments are held by the Plan's trustee and custodian, Fidelity Management Trust Company ("Fidelity"). The fair value of investments as of December 31, 2022 and 2021 and all investment transactions for the year ended December 31, 2022 including interest and dividends and net depreciation in the fair value of investments are reported to the Plan and certified as complete and accurate by Fidelity. Information included in the supplemental schedule and notes receivable from participants have also been derived from information certified by Fidelity. The Plan offers several investment choices to allow Participants to create a diversified portfolio of assets based on the Participants' risk tolerance.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques used need to maximize the use of observable inputs to minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs for the asset or liability that are unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 - Fair Value Measurements (Continued)

Based on the fair value hierarchy levels, the investments held by the Plan as of December 31, 2022 and 2021 are as follows:

Fair Value Measurements at December 31, 2022

<i>Description</i>	<i>Level I</i>	<i>Level II</i>	<i>Level III</i>	<i>Total</i>
Mutual funds	\$ <u>20,977,091</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>20,977,091</u>
Total	\$ <u>20,977,091</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>20,977,091</u>

Fair Value Measurements at December 31, 2021

<i>Description</i>	<i>Level I</i>	<i>Level II</i>	<i>Level III</i>	<i>Total</i>
Mutual funds	\$ <u>24,572,506</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>24,572,506</u>
Total	\$ <u>24,572,506</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>24,572,506</u>

Note 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as an international conflict that could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become fully vested in all of their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

SCS CAPITAL MANAGEMENT 401(k) PLAN

Notes to Financial Statements

Note 7 - Related-Party and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity is the trustee and custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules, as defined by ERISA. The Plan made a direct payment to Fidelity of \$125, which was not covered by revenue sharing. The Employer pays directly any other fees related to the Plan's operations. In addition, notes receivable from Participants also qualify as exempt party-in-interest transactions.

Note 8 - Tax Status

The Plan has adopted the Fidelity Volume Submitter Defined Contribution Plan that received its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2022	2021
Ending net assets available for benefits per the financial statements	\$ 22,256,195	\$ 25,678,682
Employer's matching contributions receivable	(860,920)	(706,774)
Other employer contributions receivable	(346,771)	(331,352)
Rounding	<u>(1)</u>	<u>-</u>
Net assets available for benefits per Form 5500	<u>\$ 21,048,503</u>	<u>\$ 24,640,556</u>

SCS CAPITAL MANAGEMENT 401(k) PLAN

Notes to Financial Statements

Note 9 - Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the decrease in net assets available for benefits per the financial statements to net loss per Form 5500 for the year ended December 31, 2022:

Decrease in net assets available for benefits per the financial statements	\$ 3,422,487
2021 Employer's matching contribution receivable	(706,774)
2022 Employer's matching contribution receivable	860,920
2022 other Employer contribution receivable	15,419
Rounding	<u>1</u>
Net loss per Form 5500	\$ <u><u>3,592,053</u></u>

Note 10 - Operational Errors

Due to an administrative oversight, the Employer determined that the Employer safe harbor matching contribution was not calculated correctly in accordance with the Plan document. The Plan administrator worked with ERISA Counsel to resolve these errors in accordance with ERISA guidelines, including filing with the Internal Revenue Service ("IRS") Voluntary Correction Program ("VCP"). As a result of the errors and additional lost earnings, the Employer contributed \$62,279 into the Plan during the year ended December 31, 2021 and is expected to contribute \$346,771 into the Plan once the IRS has accepted the VCP filing. This amount is included as other Employer contribution receivable on the Statements of Net Assets Available for Benefits.

Subsequent to year end, the IRS accepted the VCP filing and the amount of \$346,771 was paid on April 14, 2023.
