We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Kreider Services, Incorporated, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of Kreider Services, Incorporated's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Kreider Services, Incorporated and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Kreider Services, Incorporated's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Kreider Services, Incorporated's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Kreider Services, Incorporated's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of 403(b) Thrift Plan of Kreider Services, Incorporated were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated March 1, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Description of Plan

The following description of the 403(b) Thrift Plan of Kreider Services, Incorporated (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Kreider Services, Incorporated (the "Organization"), except non-resident aliens. Employees are immediately eligible upon hire to enter the Plan for employee contributions as no minimum age or service requirement exists. Participants are eligible to receive Organization contributions upon reaching age 18 and completing one year of service as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and/or all or part of their account balances among the Plan's investment alternatives. All investments are participant-directed.

Contributions

Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan, not to exceed the maximum amount allowable by the Internal Revenue Service (IRS). The Plan allows for pretax elective deferral contributions or after tax Roth elective deferral contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Organization at its discretion makes matching contributions equal to 50% of salary reduction contributions that do not exceed 4% of compensation received during the Plan year. The Organization made matching contributions of \$106,113 during the year ended June 30, 2022. The Organization at its discretion may also make discretionary matching contributions equal to a uniform percentage of an eligible employee's salary deferrals, a percentage that is determined each year. During the year ended June 30, 2022, the Organization did not elect to make any discretionary matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, Organization matching and discretionary contributions, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

403(b) Thrift Plan of Kreider Services, Incorporated

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participants are immediately vested in their contributions plus earnings (losses) thereon. Participants' interests in their share of the Organization contributions vest in accordance with the following schedule based on years of service (1,000 hours of service):

<i>Years of Service</i>	<i>Vesting Percentage</i>
Less than 2 Years	0 %
2 Years	20 %
3 Years	50 %
4 Years	60 %
5 Years or More	100 %

A participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Organization before becoming 100% vested in Organization contributions. Forfeitures of non-vested participant balances are used to reduce future Organization contributions. Forfeited nonvested account balances were \$0 as of both June 30, 2022 and 2021. During 2022, forfeitures were used to reduce Organization contributions in the amount of \$1,992 from forfeited non-vested accounts.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments. Participants may also choose to roll over distributions to other eligible retirement plans. The Plan makes a mandatory lump-sum distribution following severance from employment for accounts with balances equal to or less than \$1,000. In addition, hardship distributions out of the participant's voluntary contributions accounts are permitted if certain conditions are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Note 2: Summary of Significant Accounting Policies (Continued)

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan invests in a group annuity contract with Mutual of America Life Insurance Company, the custodian of the Plan. The group annuity contract is comprised of several funds within a Pooled Separate Account and General Interest Accumulation Account from which participants of the Plan choose for investment of their account balance. Participants hold units of participation in the individual fund or fixed account in which their account balances are invested.

The Plan's investments in the funds within the Pooled Separate Account are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in any orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's investment in the General Interest Accumulation Account is reported at contract value. Contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to various plan activities are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net investment loss.

Subsequent Events

The Plan has evaluated subsequent events through January 23, 2024 which is the date the financial statements were available to be issued.

Notes to Financial Statements

Note 3: Information Prepared and Certified by the Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held, at June 30, 2022 and 2021, and net depreciation in fair value of investments and interest for the year ended June 30, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the Custodian of the Plan.

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consists of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 and 2021.

Pooled separate accounts under the group annuity contract with insurance company: Fair value is estimated using the net asset value (NAV) per unit provided by the issuer of the pooled separate account as a practical expedient. NAV is based on the fair value of the underlying investments adjusted by a daily asset charge as determined by the contract issuer.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of June 30, 2022 and 2021. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of June 30, 2022			
	Level 1	Level 2	Level 3	Total
Total investment assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts measured at NAV	-	-	-	4,384,007
Total investment assets at fair value	\$ -	\$ -	\$ -	\$ 4,384,007

Note 4: Fair Value Measurements (Continued)

	Assets at Fair Value as of June 30, 2021			
	Level 1	Level 2	Level 3	Total
Total investment assets in the fair value hierarchy	\$ -	\$ -	\$ -	-
Pooled separate accounts measured at NAV	-	-	-	4,948,277
Total investment assets at fair value	\$ -	\$ -	\$ -	4,948,277

The pooled separate accounts totaling \$4,948,277 as of June 30, 2021 have been presented at NAV to confirm with the June 30, 2022 current year presentation. The reclassification has no impact on the Plan's net assets available for benefits as of June 30, 2021.

Fair Value of Investments in Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of June 30, 2022 and 2021:

	Fair Value June 30, 2022	Fair Value June 30, 2021	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Account Description:					
Investment Funds:					
Target Date Funds (a)	\$ 3,781,366	\$ 4,270,202	N/A	Daily	None
Equity Funds (b)	515,366	545,223	N/A	Daily	None
Real Estate Funds (c)	6,779	6,299	N/A	Daily	None
Asset Allocation Funds (d)	62,474	71,676	N/A	Daily	None
Fixed Income Funds (e)	16,694	54,465	N/A	Daily	None
Balanced Funds (f)	1,328	412	N/A	Daily	None
Total	\$ 4,384,007	\$ 4,948,277			

(a) Target date funds are all-in-one investment options that offer a diversified portfolio with an asset allocation geared to the year in which retirement is expected.

(b) Equity funds include large, mid, and small cap growth and income funds, both domestic and international, and seek to provide opportunities for capital appreciation and dividend income while providing a diverse mix of options for participant asset allocation preferences.

(c) Real estate funds invest in securities offered by public real estate companies and provide value through appreciation.

(d) An asset allocation fund is a fund that provides investors with a diversified portfolio of investments across various asset classes.

(e) Fixed income funds are seeking income or growth of income with less emphasis on capital appreciation.

(f) Balanced funds invest money across asset classes, including a mix of low-to-medium-risk stocks, bonds, and other securities. Balanced funds invest with the goal of both income and capital appreciation.

403(b) Thrift Plan of Kreider Services, Incorporated

Notes to Financial Statements

Note 5: General Interest Accumulation Account Under Group Annuity Contract

The Plan invests in an interest accumulation account under the group annuity contract with Mutual of America Life Insurance Company ("MoA"). MoA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MoA is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The investment is carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a daily basis for resetting.

Certain events limit the Plan's ability to transact at contract value with MoA including Plan termination and other events as specified in the investment contract. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring. The investment contract permits MoA to terminate the agreement prior to the scheduled maturity date if certain events such as ERISA violations occur and other events as specified in the investment contract.

Note 6: Tax Status

The Organization adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the notification letter; however, the Plan Administrator believes the Plan is designed and operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7: Related Party Transactions

Certain plan investments are managed by MoA. MoA is the Custodian and recordkeeper, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan for these services were \$1,195 for the year ended June 30, 2022.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Organization contributions.

403(b) Thrift Plan of Kreider Services, Incorporated

Notes to Financial Statements

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
