Independent Auditors' Report

To the Administrative Committee of the
403(b) Thrift Plan of Associates for Human Services, Inc.

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Associates for Human Services, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan of Associates for Human Services, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution, as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Associates for Human Services, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Associates for Human Services, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants in order to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Associates for Human Services, Inc. internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Cont.)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Associates for Human Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year Schedule H, Line 4i) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan of Associates for Human Services, Inc.

Notes to Financial Statements

December 31, 2022

Note 1 – Plan Description

The following description of the 403(b) Thrift Plan of Associates for Human Services, Inc. (the "Plan") is only provided for general information. Participants should refer to the Summary Plan Description or Plan agreement for a more complete description of the Plan's provisions.

General – The Plan, established on March 1, 2007, is a defined contribution plan sponsored by Associates for Human Services, Inc. ("AHS"). AHS is also the plan administrator. The Plan contains salary reduction features under Internal Revenue Code Section 403(b). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Chief Financial Officer and Human Resource Director oversee governance of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Eligibility – All regular full-time and part-time employees of AHS become eligible for salary deferrals on the first day of employment. Eligibility for employer matching contributions is the attainment of age 18 and completion of one year of service.

Participant Contributions – Participants, at their option, can defer up to 100% of their compensation on a pre-tax basis not to exceed the IRS annual limit. Participants age 50 and over may voluntarily contribute additional catchup contributions subject to IRS limits. Such contributions are not subject to federal income taxes until withdrawn from the Plan in accordance with Section 401(a) of the Internal Revenue Code (the IRC). In addition, the Plan allows for Roth deferrals, which are treated as post-tax deferrals. These contributions are subject to the same deferral limits as pre-tax contributions. Participants may also contribute amounts representing distributions from other qualified pension plans (rollover contributions).

The Plan includes an automatic enrollment feature whereby AHS automatically withholds 2% of the participant's eligible compensation on a pre-tax basis, unless the participant notifies AHS and affirmatively elects not to participate.

Employer Contributions – Under the provisions of the Plan, AHS may make annual discretionary matching contributions for eligible participants. The Board of Directors voted to make discretionary matching contributions of approximately \$191,000 for the year ended December 31, 2022, which were funded prior December 31, 2022.

Vesting – Participants are fully vested in their voluntary contributions plus related earnings. Employer contributions and earnings vest according to the following schedule:

<u>Years of Credited Service</u>	<u>Percentage of Account Vested</u>
Less than 1	0%
1	33 1/3%
2	66 2/3%
3 or more	100%

If a participant's employment terminates due to death, disability or retirement, the participant's employer contribution account becomes 100% vested.

Participant Accounts – Each participant's account is credited with the participant's contribution and an allocation of the employer's contribution, plan earnings/losses (based on participant's investment election and account balance), and any expenses attributed to the participants interest in each investment fund. The benefit which a participant is entitled to is the participant's vested account balance.

Note 1 – Plan Description (Cont.)

Investment Options – All assets of the Plan are participant directed. Participants have the option of directing the investment of their contributions as well as any employer contributions into various pooled separate accounts or an investment contract with an insurance company offered by the Plan.

Payment of Benefits – Plan benefits are available at normal retirement age (age 65), disability retirement, death, or termination of employment. Participants may elect to receive the vested portion of their account as a lump sum, or, if age 55 or over, in equal installments under a qualified joint and survivor annuity.

In-Service Withdrawals – The Plan allows for annual in-service withdrawals from the vested portion of a participant's account upon the participant's attainment of age 59½.

Hardship withdrawals are permitted if the withdrawal is due to immediate financial need, as defined by the Plan. The amount of the hardship withdrawal is subjected to certain limitations as specified in the Plan and the IRC.

Loans to Participants – Participants are allowed to borrow an amount directly from the Plan custodian, Mutual of America, subject to certain conditions as defined by the loan agreement, not to exceed the lesser of (a) 50% of the participant's vested balance, or (b) \$50,000, reduced by the excess, if any, of the highest outstanding principal balance of loans from the custodian to the borrower during the preceding year. Each borrowing is evidenced by a note bearing interest at a reasonable rate and must be repayable over a period not to exceed five years, except that (a) notes used to obtain a principal residence may be for a longer term, and (b) a note may be prepaid in a lump sum (including accrued interest). The loans are assets of the Plan custodian and, as such, principal and interest payments are credited directly to Mutual of America and not the Plan. Principal and interest are paid in level amortization payments to be made not less frequently than quarterly. Upon the issuance of a loan, the participant is required to maintain 120% of the amount of the original loan principal in the Mutual of America Interest Accumulation Account as collateral for the loan. Upon loan default, the participant's interest in the Interest Accumulation Account may be charged for the amount payable inclusive of unpaid interest and any administrative expenses. At December 31, 2022 and 2021, approximately \$52,000 and \$58,000, respectively, in the Interest Accumulation Account, represents collateral on loans to participants from Mutual of America, with interest rates of ranging from 3.25% to 4.6%.

Forfeitures – Forfeited balances of terminated participant's non-vested accounts are used to reduce future employer matching contributions. Forfeitures non-vested account balances were insignificant at December 31, 2022 and 2021.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual method of accounting, except that benefit payments are recorded upon distribution.

Fair Value Measurements – The Plan follows the provisions of the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements and Disclosures" (ASC Topic 820), for assets and liabilities that are measured and recorded at fair value on a recurring basis, and to determine fair value disclosures. This standard defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements (see Note 5).

Accounting Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and the changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Note 2 – Summary of Significant Accounting Policies (Cont.)

Investment Valuation and Income Recognition – The Plan’s assets are invested in pooled separate accounts and an investment contract with an insurance company. Pooled separate accounts are stated at fair value (see Note 5 for fair value measurements). The investment contract with an insurance company is stated at contract value. Contract value is the relevant measurement attributable to the fully benefit-responsive insurance contract, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value equals the value of the contribution deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals, transfers and fees (see Note 4). The Chief Financial Officer and Human Resource Director determine the Plan’s valuation policies.

Net appreciation and depreciation reflected in the statement of changes in net assets available for benefits includes realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year, all which relates to pooled separate accounts.

Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded upon distribution to participants or beneficiaries.

Plan Expenses – Certain expenses of maintaining the Plan are paid by the plan sponsor and, therefore, are excluded from these financial statements. Expenses for items such as receiving monthly participant statements are allocated to participant accounts and recorded as administrative expenses.

Excess Contributions – Required payments to be made to active participants to return excess deferral contributions in order to satisfy the relevant nondiscrimination provisions of the Plan or to return loan repayments made in excess of outstanding principles balances are recorded as liabilities in the year the contribution/payment is received.

Evaluation of Subsequent Events – Management has evaluated subsequent events involving the Plan for potential recognition or disclosure in the accompanying financial statements. Subsequent events are events or transactions that occurred after December 31, 2022 up through February 12, 2024, the date the accompanying financial statements were available to be issued.

Note 3 – Information Certified by the Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the information certified by the custodian, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian, Mutual of America Life Insurance Company.

Note 4 – Mutual of America General Account

The Plan has a deposit administrative contract with Mutual of America Life Insurance Company (Mutual of America), which is a fully benefit-responsive investment contract. The fund earns interest at a fixed rate that Mutual of America changes from time to time. The fund is credited with participant's contributions, plus earnings at the guaranteed crediting rates, and charged for participant withdrawals and administrative fees, as applicable. The issuer is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the plan.

Because the guaranteed investment contract meets the criteria to be considered a fully benefit-responsive contract, contract value is the relevant measurement attribute for net assets available for benefits and, therefore, this contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract plus earnings, less participant withdrawals and administration expenses. Participants may ordinarily direct the withdrawal, or transfer of all or a portion of their investment, at contract value.

There are no deferred sales charges, load assessments or interest rate assessments that affect the value of a withdrawal request. The crediting interest rate is based on many factors, including but not limited to current economic and market conditions and the general interest rate environment, but it may not be less than 1%.

Note 5 – Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investments presented at fair value at December 31, 2022 and 2021 are pooled separate accounts which are valued based on the Net Asset Value ("NAV") as provided by the fund manager as the practical expedient for fair value. The NAV is based on the fair value of the underlying mutual fund investments, which are traded on active markets, held by the pooled separate accounts. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Investments measured using the NAV per share practical expedient are exempt from categorization within the fair value hierarchy.

The following table summarizes investments measured at fair value based on the NAV per share.

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
<u>December 31, 2022</u> Pooled separate accounts	\$ 4,651,458	N/A	Daily	None
<u>December 31, 2021</u> Pooled separate accounts	\$ 5,377,681	N/A	Daily	None

Note 6 – Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor regulation as any fiduciary of the Plan, any party rendering services to the Plan, AHS and certain others. Certain Plan investments are shares of pooled separate investment funds, and an investment contract managed by Mutual of America Life Insurance Company. Also, certain assets of the plan are used to secure participant's loans with Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions are party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, AHS has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of a partial or complete plan termination, participants will become 100% vested in their accounts, and participants' accounts will be distributed to participants in accordance with the Plan's provision.

Note 8 – Income Tax Status

The Plan is intended to qualify under Section 403(b) of the Internal Revenue Code and is exempt from federal income taxes under Section 401(a) of the Internal Revenue Code. The Plan Sponsor executed an adoption agreement with Mutual of America Life Insurance Company on July 1, 2020. The plan administrator believes the Plan is currently administered in compliance with applicable requirements of the Internal Revenue Code and is exempt from federal income taxes.

Note 9 – Investment Risks and Uncertainties

The Plan provides for investment options in pooled separate accounts and an investment contract with an insurance company, which are exposed to various risks, such as interest rate, credit risks, and overall market risk. Due to the level of risk associated with these investment securities, and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.
