Independent Auditor's Report

To the Plan Administrator of OneDigital Open

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of OneDigital Open, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits

for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of OneDigital Open's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OneDigital Open and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OneDigital Open's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the OneDigital Open's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OneDigital Open's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

The summarized comparative information presented herein as of and for the year ended December 31, 2021, derived from those unaudited financial statements, has not been audited, reviewed, or compiled, and, accordingly, we express no opinion on it.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), for the year ended December 31, 2022, and is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the OneDigital Open (the PEP) provides only general information. Participants should refer to the PEP basic plan document and the applicable adoption agreement for the participant's employer which has chosen to participate in the PEP (Participating Employer), for a more complete description of the PEP's provisions.

General.

The PEP is a pooled employer plan established and administered by Plan Fiduciary Services, Inc., the Pooled Plan Provider (PPP). The PEP was established under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) on January 1, 2021. The PEP is a defined contribution profit sharing plan covering eligible employees of the Participating Employers, and is intended to qualify under Internal Revenue Code of 1986, as amended (IRC or Code), sections 401(a) and 501(a). The PEP is intended to constitute a multiple employer plan, as described under Code sections 410(a), 411, 413, and 415. Each Participating Employer elects their own provisions related to eligibility, contributions, notes receivable from participants, and payments of benefits. The PEP is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan Compliance Services, Inc. is responsible for oversight of the Plan. The Plan's investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to Plan Compliance Services, Inc..

Eligibility.

Only those employees of any particular Participating Employer who are designated by the Participating Employer in its adoption agreement as eligible employees shall be eligible to participate in the PEP. Participating Employers may define eligibility requirements based on factors such as age, service, or employee type. Eligible employees shall be eligible to make participant contributions and receive allocations of employer contributions if and to the extent specified in the applicable adoption agreement or otherwise provided by the PEP.

Master Trust.

The Plan is set up as a master trust in order to facilitate the pooling of assets from multiple employer sponsored plans. Each participating retirement plan has an undivided interest in the Master Trust. The assets of the Master Trust are held by Empower Financial (Trustee).

Contributions.

Each year eligible participants may make pre-tax, Roth, and/or after-tax contributions of their eligible compensation, as defined by the PEP and Participating Employer adoption agreement, subject to applicable limits established by law. For 2022, the maximum employee contribution is \$20,500

OneDigital Open

Notes to Financial Statements

1. Description of Plan continued

. Participating Employers may elect safe harbor or non-safe harbor contribution provisions as well as compensation definitions. Under certain circumstances, eligible employees may make rollover contributions to the PEP. Participants who have attained age 50 before the end of the PEP year are eligible to make catch-up contributions. For 2022, the catch-up contribution limit is \$6,500. Participants direct their contributions into various investment options offered by the PEP.

The Participating Employers in the PEP may elect automatic enrollment and escalation features. Accordingly, the Participating Employer will automatically withhold a defined percentage of an eligible participant's compensation based on the Participating Employer's adoption agreement, unless the participant opts out.

Under the terms of the Participating Employer adoption agreements, the Participating Employers may elect to make matching contributions, nonelective contributions, prevailing wage contributions, qualified nonelective contributions (QNECs) or qualified matching contributions (QMACs) to the PEP. Additionally, some Participating Employers may elect to make safe harbor and/or true-up matching contributions.

Participant accounts.

Participant accounts are credited with the participant contributions, the Participating Employer's contributions, if any, and investment earnings and/or losses and charged with the participant's benefit payments and applicable transactions charges, which are considered administrative expenses. Participants may direct their account balance into various investment options offered by the PEP. Allocations are based on participant compensation, deferrals, or the earnings and losses of the participant's account balances, as defined. Income is allocated daily based on the number of shares or units in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting.

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. A participant is 20 percent vested after 1 years of credited service and continues to vest in increments of 20 percent until 100 percent vested after 5 years of credited service.

Notes receivable from participants.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Principal and interest are paid ratably through monthly payroll deductions. Terms are fixed and range up to five years, except in the case of a loan used to acquire a principal residence, in which case the loan term may exceed five years. The loans are secured by the vested balance in the participant's account and bear an interest rate at a reasonable

OneDigital Open

Notes to Financial Statements

1. Description of Plan continued

rate at the time of the loan, generally determined monthly at 1% above the prime rate. Interest rates on all outstanding loans range from 4.75% - 8.5% at December 31, 2022. Principal and interest are paid ratably through payroll deductions. A participant generally can have only one loan currently outstanding from the PEP, although an Adopting Employer has the ability to opt to a two loan per participant limitation at their discretion.

Payment of benefits.

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeited accounts.

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$28,507 and \$21,518, respectively. These accounts will be used to reduce future employer contributions or to pay plan administrative expenses. During 2022, no amounts were applied to plan activities from forfeited nonvested accounts.

PEP Termination.

Although it has not expressed any intent to do so, the PPP has the right under the Plan to discontinue all future contributions at any time and to terminate the PEP subject to the provisions of ERISA. In the event of an overall PEP termination, participants would become 100 percent vested in their accounts.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Risks and Uncertainties

The PEP invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Use of Estimates

OneDigital Open
Notes to Financial Statements

2. Summary of Accounting Policies continued

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except fixed annuities, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

Payment of Benefits

Benefits are recorded when paid.

OneDigital Open
Notes to Financial Statements

2. Summary of Accounting Policies continued

Expenses

Reasonable expenses of the PEP, including, trustee, attorneys, advisors, fiduciaries, and service providers are paid by the PEP, unless otherwise paid by the PPP or the Participating Employers. Expenses that are paid by the PPP or the Participating Employers are excluded from these financial statements.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed annuities: The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract as calculated by the annuity provider.

Common collective trust: Share Prices/NAV's reported for Collective Trust Funds are generally obtained directly from the fund house or other investment provider. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily.

The following table presents the Plan's investment assets measured at fair value as of December 31, 2022 and 2021:

December 31, 2022	Level 1	Level 2	Total
Mutual funds	\$ 9,074,364	\$ -	\$ 9,074,364
Fixed Annuities	-	645,469	645,469
Total assets in the fair value hierarchy	9,074,364	645,469	9,719,833
Investments measured at net asset value (a)	-	-	31,743,048
Investments in the fair value hierarchy	\$ 9,074,364	\$ 645,469	\$41,462,881

December 31, 2021	Level 1	Level 2	Total
Mutual Funds	\$ 916,903	\$ -	\$ 916,903
Fixed Annuities	-	201,680	201,680
Total assets in the fair value hierarchy	916,903	201,680	1,118,583
Investments measured at net asset value (a)	-	-	24,518,814
Investments in the fair value hierarchy	\$ 916,903	\$ 201,680	\$25,637,397

(a) In accordance with FASB ASC 820-10, certain investments that are measured at fair value using the NAV value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan's investment assets include interests in various common/collective trust funds. The underlying funds may invest in a wide variety of asset classes, including equity and fixed-income securities. The investment objective of each common/collective trust fund is to approximate as closely as practicable, before expenses, the performance of a benchmark index over the long-term, while providing participants the ability to purchase and redeem units on a daily basis with no notice periods and limited restrictions.

4. Transfers Into or Out of the Plan

Upon termination or new entrance of a Participating Employer, funds may be transferred to or from other qualified plans. During the year ended December 31, 2022, transfers into the PEP from other qualified plans totaled \$17,048,090.

5. Related-Party and Party In Interest Transactions

Certain PEP investments are managed by the Trustee, and therefore, these transactions qualify as party in interest transactions.

Additionally, the adopters of the PEP issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the PEP are performed by officers or employees of the PPP. No such officer or employee receives compensation from the PEP.

6. Tax Status

The PEP is intended to qualify under Code Section 401(a) and 501(a). The PEP operates under an IRS Determination Letter issued by the Internal Revenue Services (IRS) for a Cycle 3 Volume Submitter multiple employer plan document (IRS Serial No.: Q703352a).

The PEP administrator believes that the PEP is currently designed and operating in accordance with the applicable requirements of the IRC, and, therefore, believes that the PEP is qualified and the related accounts are tax exempt. Therefore, no provision for income taxes has been included in the PEP's financial statements.

U.S. GAAP requires PEP management to evaluate tax positions taken by the PEP and recognize a tax liability (or asset) if the PEP has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The PEP administrator has analyzed the tax positions taken by the PEP, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The PEP is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The PEP adopted a pre-approved plan offered by Plan Fiduciary Services, Inc.. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

PEP management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the PEP has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The PEP is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Information Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2022 and 2021. Accordingly, Empower, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

8. Subsequent Events

Subsequent events were evaluated through February 15, 2024, the date the financial statements were available to be issued.

Subsequent to year end, 27 Participating Employers have joined the PEP. Related transfers into the PEP from other qualified plans totaled approximately \$4,864,456. Zero Participating Employers have left the PEP.
