INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Safe Harbor 401(k) Profit-Sharing Plan for Employees of
Partnership for Strong Families, Inc.
Gainesville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Safe Harbor 401(k) Profit-Sharing Plan for Employees of Partnership for Strong Families, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Safe Harbor 401(k) Profit-Sharing Plan for Employees of Partnership for Strong Families, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Safe Harbor 401(k) Profit-Sharing Plan for Employees of Partnership for Strong Families, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe Harbor 401(k) Profit-Sharing Plan for Employees of Partnership for Strong Families, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe Harbor 401(k) Profit-Sharing Plan for Employees of Partnership for Strong Families, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe Harbor 401(k) Profit-Sharing Plan for Employees of Partnership for Strong Families, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAFE-HARBOR 401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF PARTNERSHIP FOR STRONG FAMILIES, INC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the Safe-Harbor 401(k) Profit-Sharing Plan for Employees of Partnership for Strong Families, Inc. ("Plan") provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions. The legal name of the Plan is Employee Benefit Plan of Partnership for Strong Families, Inc.

1. General

   The Plan is a defined contribution plan covering all employees of Partnership for Strong Families ("Company") who have attained age eighteen. Employees of Partnership for Strong Families Inc., Service Management Solutions for Children, and Intercountry Adoption Accreditation, affiliates of the Company, are also eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligible Class of Employees

   The Plan allows for all employees to be eligible for participation in the Plan except for 1) employees covered under a collective bargaining agreement; 2) non-resident aliens who do not receive any compensation from U.S. sources; 3) leased employees; and 4) those who are classified or treated as independent contractors.

3. Contributions

   Employees participating in the Plan may elect to contribute either pre-tax or after-tax Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts. Effective July 1, 2016, the Plan provides for an automatic participant deferral of 3% of the participant's compensation, as defined, unless the participant makes a contrary election. For participants hired or rehired on or after July 1, 2019, contributions automatically increase at a rate of 3% for the first Plan year following automatic enrollment, 4% for the second Plan year following automatic enrollment, and 5% for the third (and each subsequent) Plan year following automatic enrollment.

   The Company shall make employer matching contributions to the Plan on behalf of each participant equal to the sum of 100% of the first 3% that the participant contributes and 50% of each 1% that exceeds 3%, up to 5%. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

4. Participant's Accounts

   Each participant's account is credited with the participant's contribution, the employer matching contribution, allocations of Plan earnings (losses) and charged with benefit payments and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

5. Investment Options

   Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

6. Vesting

   Participants shall at all times be 100% immediately vested in the amounts in their employee contribution accounts, employer contribution accounts, rollover accounts, and actual earning thereon.

NOTE A – DESCRIPTION OF PLAN (continued)

7. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their account balance or $50,000, reduced by the larger of the highest outstanding loan balance in the last 12 months, or the outstanding loan balance on the day the loan is made. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's vested account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator, currently prime plus 1%. Spousal consent, if applicable, is required. Effective March 1, 2018, participants may only have one loan outstanding at any given time. Principal and interest is paid ratably through monthly payroll deductions.

8. Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the values of participant's vested interest in his or her account, or annual installments over a determined period of time. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a participant is employed after attaining the age of 70 ½ and is required to receive minimum distributions, the participant may receive installment payments until employment is terminated. Hardships may be requested from elective deferral funds and are paid in one lump-sum. In-service distributions may be made to participants who have attained age 59 ½.

9. CARES Act

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law which allowed qualified participants to take an unlimited number of distributions from vested account funds up to an aggregate amount of $100,000 prior to December 31, 2020. These distributions were not subject to certain federal tax withholdings or penalties for early withdrawal. At any time during the three-year period following such distributions, the participant was permitted to repay the distribution to the Plan. As of June 30, 2023, no participants who received CARES Act distributions have made any repayments. The CARES Act also increased the loan limitation to the lesser of $100,000 or 100% of the participant's vested account balance for all loans made from the Plan for a period of 180 days from March 27, 2020. No CARES Act loans were made.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3. Investment Valuation and Income Recognition

   The Plan follows the fair value measurement requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which defines fair value as the exchange price that would be received for the asset or paid to transfer a liability in an orderly transaction between market participants. See Note D for discussion of fair value measurements.

   Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the gains and losses on investments bought and sold during the year as well as the change in the unrealized appreciation or depreciation on those investments during the year.

4. Notes Receivable from Participants

   Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received primarily through payroll deductions and notes are collateralized by the participant's account balances. Delinquent notes receivable from participants are recorded as distributions based on terms of the Plan document.

5. Payment of Benefits

   Benefits are recorded when paid.

6. Administrative Expenses

   Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain transaction fees for Plan administration are charged directly to the accounts of the participants who incur those fees. Investment related expenses are included in net appreciation in fair value of investments.

7. Subsequent Events

   The Plan has evaluated subsequent events through January 31, 2024 the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value: There have been no changes in the methodology used at June 30, 2023 and 2022.

Cash – Money market funds valued at the daily closing price as reported by the fund.

Mutual funds – The investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

Fair Value Measurements as of June 30, 2023

Description	Level 1	Level 2	Level 3	Total
Cash	$ 158,631	$ -	$ -	$ 158,631
Mutual funds	6,428,472	-	-	6,428,472
Total	$ 6,587,103	$ -	$ -	$ 6,587,103

Fair Value Measurements as of June 30, 2022

Description	Level 1	Level 2	Level 3	Total
Cash	$ 136,432	$ -	$ -	$ 136,432
Mutual funds	5,334,627	-	-	5,334,627
Total	$ 5,471,059	$ -	$ -	$ 5,471,059

NOTE D – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Fidelity Personal Trust Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of June 30 and for the years then ended:

	2023	2022
Cash	$ 158,631	$ 136,432
Mutual funds, at fair value	6,428,472	5,334,627
Net appreciation in fair value of investments	428,240	n/a
Dividends	176,792	n/a
Other interest income	4,921	n/a

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their account balances.

NOTE F – EXEMPT TRANSACTIONS WITH PARTY-IN-INTEREST

Plan investments are held and managed by the custodian, Fidelity Personal Trust Company ("Custodian") as of June 30, 2023 and 2022. These transactions and the fees paid for managing these funds qualify as party-in-interest transactions. These investments amounted to $6,587,103 and $5,471,059 at June 30, 2023 and 2022, respectively. Fees paid to the Custodian amounted to $39,624 for the year ended June 30, 2023. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Notes receivable from participants also qualify as exempt party-in-interest transactions.

NOTE G – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment will occur in the near-term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE I – RECONCILIATIONS OF FINANCIAL STATEMENTS TO FORM 5500
