Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of LEL Home Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of LEL Home Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, and 2021, stating that the certified investment information, as described in Note 5 - to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LEL Home Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LEL Home Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not to express an opinion on the effectiveness of LEL Home Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies, the reasonableness of significant accounting estimates made by management, and the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LEL Home Services 401(k) Plan's ability to continue as a going concern for a reasonable period.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We must communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and specific internal control-related issues we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule of Assets Held at the End of Year, is presented for additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – 2021 Financial Statements

The financial statements of the LEL Home Services 401(k) Plan as of December 31, 2021, were audited by the predecessor auditor whose report dated September 22, 2022, expressed an unmodified opinion that was presented fairly, in all material respects, on those financial statements.

LEL HOME SERVICES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The Plan administrator uses estimates and assumptions in preparing financial statements in conformity with generally accepted accounting principles in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported additions to and deductions from net assets. Actual results could vary from those estimates assumed in preparing the financial statements.

Investments Valuation and Income Recognition

Principal Financial Group values pooled separate accounts and common investment trusts at net asset value (NAV) as a practical expedient. The NAV is based on the underlying assets minus liabilities and divided by the number of units outstanding.

Unrealized appreciation and depreciation in the fair value of investments held at year-end and realized gains and losses on sales of investments during the year are determined using the beginning of the year's fair value or purchase price if acquired after that date. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Risk and Uncertainties

The Plan invests in a variety of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term. Such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

The administrative costs charged to the Plan are paid by the Plan or the Plan Sponsor at the Plan Sponsor's discretion. Investment-related expenses are included in the net appreciation of the fair value of investments. Fees for administering notes receivable from the participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review of Subsequent Events

The Plan's management has evaluated the financial statements for subsequent events occurring through February 1, 2024, when the financial statements were available to be issued.

NOTE 2 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan was adopted as a new Plan effective January 1, 2017, and amended on March 15, 2018, and December 31, 2021.

General

The Plan is a profit-sharing and trust covering all eligible employees of LEL Home Services, LLC (the Company). The Plan was established on January 1, 2017, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a profit-sharing and trust, which qualifies under Section 401(k) of the Internal Revenue Code 1986. The Plan provides retirement, disability, and death benefits for eligible, participating employees.

Administration

Facts, Inc. serves as the Plan's third-party administrator (TPA) and provides investment advisory and ERISA counsel services to the Plan. The TPA prepares the Plan's Internal Revenue Service Form 5500, Report of Employee Benefit, and administers the Plan's compliance and valuation solutions. Principal Life Insurance Company is the Trustee, holds the Plan's investment assets, and executes investment transactions.

Eligibility

Employees who have attained age 21 are eligible to participate in elective deferral contributions, employer matching contributions, and profit-sharing contributions after completing one year of service. Participants can enter the plan on the first day of the month after meeting the eligibility criteria.

Contributions

Employees can elect to defer up to 100% of their annual compensation, subject to annual limitations and as allowed under Section 401(k) of the Internal Revenue Code. Employees can designate salary deferral as pre-tax or Roth. In addition, participants may also make qualifying rollover contributions to the Plan. The Company may make discretionary matching contributions to the Plan. Amounts, if any, are determined annually at the employer's sole discretion. Such an amount can be determined as a uniform percentage of deferrals or a flat dollar amount for each participant.

Forfeited Accounts

Forfeitures are not applicable as all contributions are 100% vested immediately upon making the contribution.

Hardship Distributions

Participants withdraw money on account of financial hardship if certain conditions are met. Hardship distributions are not allowed from qualified non-elective or qualified matching contribution accounts.

Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, the employer shall distribute the assets the same way benefits are distributed.

NOTE 2 – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

A participant may withdraw the entire vested portion of the employee's account in a single lump sum due to termination of employment, death, disability, retirement, or certain other circumstances. A participant may withdraw any or all the vested portion of the employee's account balance at age 59 ½ or if the employee qualifies for a hardship.

Vesting

A Participant is always 100% vested in all contribution accounts.

Participant Accounts

Each participant's account is credited for their contributions on a cash basis when received by Principal Life Insurance Company. In addition, each participant's account is credited with allocating the company's matching contribution and investment earnings, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 3 – TAX STATUS

Facts, Inc.'s Prototype Non-Standardized Profit-Sharing Plan with CODA obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the plan agreement, as then designed, complied with the applicable requirement of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities. However, there are currently no audits for any tax periods in progress.

NOTE 4 – FAIR VALUE MEASUREMENTS

A framework for measuring fair value has been established in accordance with generally accepted accounting principles. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 – Inputs to valuation methodologies include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs derived principally from or corroborated by observable market data by correlation or other means.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques must maximize the use of observable inputs and minimize the use of unobservable inputs.

The following describes the valuation methodologies used for assets at fair value. There have been no changes in the methods used since December 31, 2022.

Common Investment Trust (CIT) – Valued at the Net Asset Value (NAV) of shares held by the Plan at year-end. The NAV is used as a practical expedient of the CIT as reported by the CIT managers based on the underlying assets of the CIT, less liabilities, and divided by the number of units outstanding. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the fund, the investment advisor reserves the right to temporarily delay the withdrawal to ensure the securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments.

Pooled Separate Accounts (PSA) – Valued at unit value (net asset value) provided by the Insurer. The net asset value (NAV) is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the fund, the investment advisor reserves the right to temporarily delay the withdrawal to ensure the securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.1038 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Life Insurance Company, the custodian of the plan, except for comparing information certified by the custodian to the information included in the Plan's financial statements and supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year).

Investments	<u>2022</u>	<u>2021</u>
Common investment trusts	\$ 22,974	\$ 1,434,925
Pooled separate accounts	100,803	216,779
Balanced investments	<u>1,487,252</u>	<u>0</u>
Total	<u>\$ 1,611,029</u>	<u>\$ 1,651,704</u>

The custodian also certified the completeness and accuracy of the net investment income (loss) of \$(294,841) and \$171,800 for the years ended December 31, 2022, and 2021.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Financial Group, custodian, as defined by the Plan, and, therefore, these investments and investment transactions qualify as exempt party-in-interest transactions. The Plan audit and accounting fees are paid by the plan administrator. Officers or employees of the plan sponsor perform certain administrative functions. These employees are also plan participants. No such officer or employee receives compensation from the Plan.
