Independent Auditor's Report

To the Plan Administrator of the
Edlin Gallagher Huie & Blum LLP 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of the Edlin Gallagher Huie & Blum LLP 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

David L. Buck, CPA

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

David L. Buck, CPA

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

David L. Buck, CPA

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EDLIN GALLAGHER HUIE & BLUM LLP 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Edlin Gallagher Huie & Blum LLP 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution retirement plan for the eligible employees of Edlin Gallagher Huie & Blum LLP (the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Participant Eligibility - The Company’s employees are eligible to participate in the Plan immediately after they have attained the age of twenty-one and after they have completed 3 months of service.

Contributions - Participants may contribute a percentage of their pretax compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified benefit plans. The Company chose to make a safe harbor matching contribution for the year ended December 31, 2022 of 100% of the first 3% of compensation that an employee contributes to the Plan plus 50% of the next 2% of compensation that an employee contributes to the Plan. Additional profit sharing contributions may be contributed at the option of the Company. Contributions are subject to certain statutory limitations. Participants direct the investment of all contributions to their account into various investment options offered by the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's safe harbor matching contributions, (b) the Company's profit sharing contributions, and (c) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, participant contributions, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately 100% vested in their total account balance in the Plan.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments over a period not to exceed certain prescribed life expectancy limits.

Forfeited Accounts - At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$33 and \$402, respectively. These accounts will be reallocated to the remaining participants, used to reduce the Company's contributions, or used to pay Plan expenses. During the year ended December 31, 2022, there was \$720 of forfeited nonvested accounts used to reduce the Company's contributions, and there was \$14 of forfeited nonvested accounts used to pay Plan expenses. There were no forfeited nonvested accounts reallocated to the remaining participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review of Subsequent Events - Subsequent events were evaluated through February 12, 2024, which is the date the financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses incurred maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in investment income.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

The fair value of mutual funds is based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts

The fair value of certain common/collective trusts is based on the net asset value (NAV) of each account calculated by the State Street Bank and is based on the NAV of the underlying mutual fund. The NAV is used as a practical expedient to estimate fair value. These investments can be redeemed daily and have no redemption notice period. As of December 31, 2022 and 2021, there were no unfunded commitments.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Total	Fair Value Measurements at the End of the Reporting Period Using Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2022</u>		
Mutual funds	\$ 12,252,706	\$ 12,252,706
Total assets in the fair value hierarchy	12,252,706	\$ 12,252,706
Investments measured at net assets value ^(a)	167,965	
Total investments at fair value	\$ 12,420,671	
<u>December 31, 2021</u>		
Mutual funds	\$ 13,427,211	\$ 13,427,211
Total assets in the fair value hierarchy	13,427,211	\$ 13,427,211
Investments measured at net assets value ^(a)	272,452	
Total investments at fair value	\$ 13,699,663	

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 4 - CERTIFIED INFORMATION

The Plan Administrator has elected to have an audit of the Plan as permitted by ERISA Section 103(a)(3)(C). The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Reliance Trust Company as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

- Investments and notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2022 and 2021.
- Net appreciation (depreciation) in fair value of investments, interest income from notes receivable from participants, and interest and dividend income on investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments and participant loans reflected on the schedule of assets (held at end of year) as of December 31, 2022.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Notes receivable from participants represent loans to employees and are considered party-in-interest transactions under ERISA regulations.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Schedule H of Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 12,471,938	\$ 13,788,937

Excess contributions payable	<u>45,514</u>	<u>---</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 12,466,230</u>	<u>\$ 13,788,937</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2022 to Schedule H of Form 5500:

Contributions per the financial statements	\$ 1,048,354
Contributions receivable at December 31, 2022	(41,728)
Excess contributions payable at December 31, 2022	<u>45,514</u>
Contributions per Schedule H of Form 5500	<u>\$ 1,052,140</u>

The following is a reconciliation of benefit payments and deemed distributions of participant loans per the financial statements for the year ended December 31, 2022 to Schedule H of Form 5500:

Benefit payments and deemed distributions of participant loans per the financial statements	\$ 189,252
Deemed distributed loans at December 31, 2022	<u>9,494</u>
Benefit payments and deemed distributions of participant loans per Schedule H of Form 5500	<u>\$ 198,746</u>

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
