INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of

Family Resources 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We were engaged to perform an audit of the financial statements of **Family Resources 403(b) Retirement Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Family Resources 403(b) Retirement Plan

Notes to Financial Statements

June 30, 2023 and 2022

Note A – Description of Plan

The following description of the Family Resources 403(b) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a 403(b) retirement plan that was established effective October 1, 1988 and last restated July 1, 2019. Employees of Family Resources, Inc. (the “Company” or “Employer”) are eligible to participate upon date of employment. Employees are eligible to receive Employer match in amount of 6% of compensation. New participants may enter the Plan on a bi-weekly basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees whose annual contributions would be less than \$200 and non-resident aliens are excluded from the Plan. On-call/per diem employees who are members of a substitute work force are excluded from Employer contributions.

Administration of the Plan

The accounting records are maintained by the Company. The Plan’s assets are held and managed by Reliance Trust Company and Lincoln National Life Insurance Company (collectively, the “Custodians”). Contributions are held by the Custodians, who invest cash received, interest and dividend income, as directed by the participant, and make distributions to participants.

Contributions

Participants may contribute their pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations. The maximum participant deferral allowed for the Plan is \$22,500 for the years ended June 30, 2023. A participant who has attained the age of 50 may also make catch up contributions, subject to IRS limitations of \$7,500 for Plan years ended June 30, 2023. For 403(b) plans, participants may also make an additional 15 years of service catch up contribution to the Plan. 15 year catch-up contributions can be made up to \$3,000 for if the participant’s average annual contributions to the Plan were less than \$5,000 over their 15, or greater, years of service. Participants may also contribute amounts representing distributions from other qualified retirement plans.

During the 2023 Plan year, the Company made matching contributions to Plan participants equal 100% of elective deferrals up to 6% of total compensation to eligible employees. Participants direct the investment of their contributions and Employer contributions into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions. Each participant’s account shall be allocated earnings, gains, expenses, and losses with respect to the investments of the participant’s account. Allocations of Plan earnings or losses are based on each participant’s investment fund balance in proportion to the total investment fund balance.

Vesting

Participants are vested immediately in their contributions plus actual earnings or losses thereon. Vesting in Employer contributions is based on years of continuous service. A participant is 100% vested upon death, disability, retirement age, or after four years of credited service as follows:

<u>Years of Services</u>	<u>Vesting Percentage</u>
1	0%
2	50%
3	75%
4	100%

Family Resources 403(b) Retirement Plan

Notes to Financial Statements

June 30, 2023 and 2022

Note A – Description of Plan (continued)

Investment Options

Under the Plan, Participants may currently direct investments to any of 55 investment options. Participants may change their investment option selections on any business day as defined by the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts, provided that specific hardship criteria is met, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The maximum note repayment period is five years unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon terms of Plan document. Loans are considered in default as of the end of the quarter subsequent to the quarter in which the payment was due.

Distribution of Benefits

On termination of service due to death, disability, retirement or termination from the Employer, a participant may elect to receive a lump-sum amount or partial withdrawals equal to the value of the participant's vested interest in his or her account as defined in the Plan agreement. The lump-sum can be paid in a cash distribution, direct rollover distribution, or a combination cash and direct rollover distribution. If the vested account balance following severance of employment does not exceed \$5,000, the Plan will distribute the balance in a lump-sum. Participants may request in service distributions upon attaining age 59 ½ or for a hardship withdrawal from their accounts using only participant deferral balances for distribution.

Forfeitures

Forfeitures occur when a participant terminates employment and has not vested in a portion of the Company's contribution amount. Forfeitures are first used to reduce expenses and then reallocated as additional Employer contributions to the Plan. Forfeitures of approximately \$13,000 were used to pay Plan expenses and Employer contributions for the year ended June 30, 2023. In addition, the Plan had approximately \$56,000 and \$54,000 in forfeitures remaining at June 30, 2023 and 2022, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account will become fully vested and nonforfeitable. All appropriate accounting provisions of the Plan will continue to apply until the accounts of all participants have been distributed.

Notes to Financial Statements

June 30, 2023 and 2022

Note B – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes in net assets available for benefits and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from these estimates.

Valuation of Investments

The Plan’s investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value as described in Note G. Quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Fair Value Measurements

The FASB has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Family Resources 403(b) Retirement Plan

Notes to Financial Statements

June 30, 2023 and 2022

Note B – Summary of Significant Accounting Policies (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

	Assets Measured at Fair Value at 6/30/2023	Quoted Prices in Active Markets (Level 1)
Mutual funds	\$ 1,944,523	\$ 1,944,523
Total assets in the fair value hierarchy	1,944,523	1,944,523
Total investments, at fair value	\$ 1,944,523	
	Assets Measured at Fair Value at 6/30/2022	Quoted Prices in Active Markets (Level 1)
Mutual funds	\$ 1,810,755	\$ 1,810,755
Total assets in the fair value hierarchy	1,810,755	1,810,755
Total investments, at fair value	\$ 1,810,755	

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended June 30, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodians, which are qualified institutions. As of June 30, 2023 and 2022, and for the year ended June 30, 2023, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Custodians, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Income Tax Status

403(b) plans currently are not required to submit plans to the IRS for determination. However, the Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC.

The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for fiscal years prior to 2020.

Family Resources 403(b) Retirement Plan

Notes to Financial Statements

June 30, 2023 and 2022

Note E – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note F – Party-In-Interest Transactions

Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. Certain Plan investments, and the related transactions, were in investment funds managed by the Custodians; therefore, these investments and transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid to parties-in-interest by the Plan for services amounted to approximately \$27,000 during the year ended June 30, 2023.

Note G – Fully Benefit-Responsive Investment Contracts

Fully benefit-responsive investment contracts, at contract value on the statement of net assets consist of the following investment(s):

<u>Investment Type</u>	<u>Investment name</u>	<u>June 30, 2023</u>	<u>June 30, 2022</u>
Group Annuity Contract	The Standard Stable Asset A	\$ 271,036	\$ 243,923
Group Annuity Contract	Lincoln Fixed Account	804,259	854,696
		<u>\$ 1,075,295</u>	<u>\$ 1,098,619</u>

The Plan invests in fully benefit-responsive investments (The Standard Stable Asset A and Lincoln Fixed Account, respectively, "the Funds") provided through group annuity contracts. Under the Funds a crediting rate is established and is credited with contributions and charged for participant withdrawals and administrative expenses charged by the Custodians of the Funds. The group annuity contract issuers are contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Specific coverage provided by each contract may be different from each issuer and can be found in the contract of the Funds. Examples of such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investments options or deletion of equity wash provision, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Note H – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to the Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 3,088,297	\$ 2,984,404
Less: contributions receivable	5,540	-
Net assets available for benefits per the Form 5500	<u>\$ 3,082,757</u>	<u>\$ 2,984,404</u>

The following is a reconciliation of additions per the financial statements to the Form 5500 for the year ended December 31:

	<u>2023</u>
Additions per the financial statements	\$ 464,348
Less: change in contributions receivable	5,540
Total additions per the Form 5500	<u>\$ 458,808</u>

Note I – Subsequent Events

Subsequent events have been evaluated through February 15, 2024, which is the date the financial statements were available to be issued.
