Independent Auditor's Report

To the Trustees and Plan Administrator of the P3 Services Consolidated 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of P3 Services Consolidated 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of P3 Services Consolidated 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of P3 Services Consolidated 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about P3 Services Consolidated 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of P3 Services Consolidated 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about P3 Services Consolidated 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

P3 Services Consolidated 401(k) Plan

December 31, 2022 and 2021

Note A – Description of the plan

The following brief description of the P3 Services Consolidated 401(k) Plan (“the Plan”) is provided for general information purposes only. The Plan is sponsored by Peltram Plumbing Holdings, LLC (the “Plan Sponsor” or “Company”). Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan that provides retirement savings benefits to eligible employees of the Company through tax deferred voluntary contributions by employees and discretionary matching and discretionary profit sharing contributions by the Company. The Plan, which commenced effective September 15, 2005 and was amended and restated effective December 1, 2022, covers substantially all employees of the Company. Participation in the Plan is voluntary. Employees are eligible to participate in the Plan after the attainment of the age of eighteen (18) and the completion of six (6) months of service. An employee’s entry date is the first day of the month following the date they satisfy the eligibility requirements. Excluded from the class of eligible employees are union, nonresident aliens with no income from a U.S. source, and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”). The Company is the designated administrator of the Plan and Empower Trust Company LLC and Empower Annuity Insurance Company of America (collectively the “Custodian”) is the Custodian of the Plan responsible for the management and control of the Plan’s assets which are held in individual participant investment accounts.

Plan amendments

On July 30, 2021, Power Plumbing, Inc. was acquired by Peltram Plumbing Holdings LLC, a portfolio company of Crescendo Capital Partners. As such, the Plan was amended and restated effective December 1, 2022 to change the name of the Plan to P3 Services Consolidated 401(k) Plan, to change the plan sponsor to Peltram Plumbing Holdings, LLC, to amend eligibility age and service requirements, to enable participants to designate all or a portion of their elective deferrals as Roth elective deferrals, and to allow Precision Plumbing and Service, LLC, E.R. Plumbing Services, LLC, Power Plumbing, LLC, Peltram Services of Washington, LLC, Pride Plumbing Services, LLC, and PP&S Enterprise, Inc. to adopt the Plan as participating employers.

In addition, the employees of Peltram Plumbing Holdings, LLC, who participated in the Peltram Plumbing, LLC 401(K) Plan, became eligible to participate in the Plan on September 1, 2022 when the Plan merged with the P3 Services Consolidated 401(k) Plan. As part of the merger, the Plan received transfers from the Peltram Plumbing, LLC 401(K) Plan of approximately \$5 million in net assets in October 2022. This amount included approximately \$203,000 of participant loans.

Participant accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) employer discretionary matching and discretionary profit sharing contributions and (b) Plan earnings (losses) and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Notes to the Financial Statements
P3 Services Consolidated 401(k) Plan
December 31, 2022 and 2021

Employee contributions

Participants may elect to defer a percentage or dollar amount of their salary at each pay period up to 90% of their annual eligible compensation, as defined by the Plan Document, in the form of pre-tax contributions. The amount deferred is not subject to federal taxation to the participants until distributions are made from the Plan. Eligible participants are automatically enrolled in the Plan at 4% of their eligible compensation for each pay period unless a contrary election is made.

Participants who have attained age fifty (50) or older before the end of the tax year are eligible to make catch-up contributions up to the maximum amount allowed for deferral under the IRC. Participants may also designate all or a portion of their elective deferrals as Roth elective deferrals. Participants may discontinue their election to contribute at any time. Participants may also contribute eligible rollovers from other qualified defined benefit or defined contribution plans and individual retirement accounts. Additional after-tax voluntary contributions are not permitted.

Employer contributions

The Company may, at its discretion, make matching contributions to the Plan in an amount equal to a specified percentage of the participant's contribution each year. During 2022 and 2021, the Company made discretionary matching contributions of \$333,818 and \$151,164, respectively.

Additionally, each Plan year the Company may make discretionary profit sharing contributions in amounts determined by the Company. Discretionary profit sharing contributions are allocated to eligible participants based upon the percentage of the participant's compensation to the total compensation of all eligible participants. Eligible participants who are employed on the last day of the Plan year and have met the year of service requirement share in any discretionary profit sharing contributions. No discretionary profit sharing contributions were made during the years ended December 31, 2022 and 2021.

ERISA and the IRC provide that plans such as the P3 Services Consolidated 401(k) Plan cannot discriminate in favor of highly compensated individuals. To comply with these laws, certain highly compensated individuals may receive funds in the year that contributions were made in excess of the IRC Section 401(k) limit and all earnings attributable to such contributions. At December 31, 2022 and 2021, there were no corrective distributions in excess of the annual limit payable to participants.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Investment options primarily consist of shares of registered investment companies (mutual funds) and a group annuity contract. Participants may elect to allocate their total contributions to the various investment options in increments of 1% and may change their investment options daily, subject to certain restrictions on such changes imposed by the Plan's investment funds.

Vesting

Participants are immediately and fully vested in their voluntary contributions including rollovers plus actual earnings (losses) thereon. Vesting in the Company's discretionary matching and discretionary profit sharing contributions and earnings thereon is based on years of years of service. A year of service is defined as 1,000 hours of service during any plan year. Additionally, a participant will become fully vested in the Company's contributions account upon reaching normal or early retirement age or in the event of death or total and permanent disability.

Notes to the Financial Statements
P3 Services Consolidated 401(k) Plan
December 31, 2022 and 2021

The vesting schedule for Company's discretionary matching and profit sharing contributions and earnings is determined as follows:

<u>Years of Service:</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited accounts

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeited amounts are retained in the Plan and will be used to pay administrative expenses of the Plan and/or used to reduce future employer discretionary matching contributions for the Plan year. During 2022 and 2021, the Company applied \$11,062 and \$0, respectively, from the forfeiture balance to reduce employer matching contributions and \$0 to pay administrative expenses, respectively. As of December 31, 2022 and 2021, the unallocated forfeiture balance was \$25,585 and \$17,127.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their account balance, whichever is less. No more than one (1) loan can be outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.12% to 7.24%, which were commensurate with local prevailing rates at the time the loans were initiated. Principal and interest is paid ratably through payroll deductions. All loans must be repaid within five (5) years, unless the loan is used to purchase a primary residence, for which loan terms may range up to twenty (20) years.

Payment of Benefits

On termination of employment, disability, death, or normal retirement, a participant or designated beneficiary may elect to receive a lump-sum cash distribution equal to the value of the participant's vested account balance, a direct rollover distribution, or a combination of a cash distribution and direct rollover distribution. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited. Participants may defer receipt of distribution until a later date unless their account balance is \$5,000 or less. If the vested account balance is \$5,000 or less, the account will be distributed to the participant without consent in a lump sum distribution.

If an active participant has attained age fifty-nine and one-half (59½), they may elect to withdraw all or a portion of their account while still employed by the Company. Hardship distributions are available to participants who demonstrate an immediate and heavy financial need.

Notes to the Financial Statements
P3 Services Consolidated 401(k) Plan
December 31, 2022 and 2021

Administrative Expenses

The Plan permits the payment of expenses incurred in connection with the administration of the Plan to be made from the Plan's assets. Expenses will generally be allocated among the accounts of all participants in the plan proportionately based on the value of the participant's account balances. Specific fees may also be charged directly to a participant's account in response to transactions requested under the Plan. Substantially all other costs of administering the Plan, including professional and other expenses, are paid by the Company. Administrative expenses totaled \$29,362 and \$31,542 for the years ended December 31, 2022 and 2021, respectively.

The plan maintains a plan expense account which holds revenue sharing funds the Plan receives from the Custodian pursuant to the revenue-sharing arrangement. On a monthly basis, revenue sharing payments received from certain of the Plan's investment options are deposited into the dedicated plan expense account. Amounts deposited in this account are used to pay qualified plan administrative expenses. During 2022 and 2021, \$22,137 and \$14,563 was used to pay Plan expenses, respectively. At December 31, 2022 and 2021, there was \$0, respectively, remaining in the plan expense account.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting and include all adjustments necessary to present fairly the financial statements of the Plan in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying disclosures. Accordingly, actual results may differ from those estimates.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the plan administrator and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment valuation and income recognition

Investments are reported at fair value and are measured in accordance with ASC 820, "*Fair Value Measurements and Disclosures*" except for fully-benefit-responsive investment contracts, which are reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. See Note D for discussion of fair value measurements.

As described in Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic No. 962, *Plan Accounting – Defined Contribution Pension Plans* (ASC 962), ASU 2015-12, fully benefit-responsive investment contracts held by a defined-contribution plan are required to be reported at contract value as contract value is the relevant measurement attribute for that portion of the net assets

Notes to the Financial Statements
P3 Services Consolidated 401(k) Plan
December 31, 2022 and 2021

available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As such, the Plan accounts for its fully-benefit responsive investment in the GWI Fixed Account - Series Class I (the "Fixed Account") in accordance with FASB ASC Topic No. 962.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in value of investments includes realized gains and losses on investments bought and sold during the year and unrealized appreciation (depreciation) of investments held at year-end. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Payment of Benefits

Benefits paid to participants are recorded when paid. As of December 31, 2022, there were no amounts allocated to participants who elected to withdraw from the Plan but have not been paid.

Risks and uncertainties

The Plan provides for various investment options in shares of registered investment companies (mutual funds) and a group annuity contract. Investments, in general, are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note C - Information Certified by the Custodian (Unaudited) or Investments

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower Trust Company LLC and Empower Annuity Insurance Company of America (collectively the "Custodian") except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule.

The following information was certified as complete and accurate by the Custodian:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net appreciation in fair value of investments, interest on the group annuity contract, dividend income, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments reflected on Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

Notes to the Financial Statements

Note D – Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, defines fair value, establishes a consistent framework for measuring fair value and expands disclosure requirements for fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date. Valuation of these instruments does not require a significant degree of judgment since valuations are based on quoted prices that are readily available in an active market.

Level 2: Significant observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instrument.

Level 3: Significant unobservable inputs that reflect modifications to observable related market data or our assumptions about pricing by market participants.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan’s assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Total assets in fair value hierarchy	\$ 10,314,763	\$ -	\$ -	\$ 10,314,763
	\$ 10,314,763	\$ -	\$ -	\$ 10,314,763
Investments measured at net asset value ^(a)				-
				\$ 10,314,763

Notes to the Financial Statements

Investments measured at net asset value ^(a)				-
				<u>\$ 4,453,732</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note E - Investment Contracts with Insurance Companies

The Plan has a fully-benefit responsive group annuity contract with Great-West Life & Annuity Insurance Company ("Great-West") that invests contributions in the GWI Fixed Account - Series Class I. The GWI Fixed Account - Series Class I is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract is included in the financial statements at contract value as reported by the Custodian. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There were no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the Custodian as described in the Group Annuity Contracts. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

Note F – Related party transactions

Certain Plan investments are shares of registered investment companies (mutual funds) and a group annuity contract issued and managed by Empower Trust Company LLC and Empower Annuity Insurance Company of America. Empower Trust Company LLC and Empower Annuity Insurance Company of America have been designated as the Custodian as well as provides administration and recordkeeping services to the Plan. These specific investments issued or managed by the Custodian qualifies as party-in-interest transactions. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. There have been no known prohibited transactions with parties-in-interest.

Notes to the Financial Statements
P3 Services Consolidated 401(k) Plan
December 31, 2022 and 2021

The Plan has notes receivables from certain of its participants. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

Note G - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the employer discretionary matching contributions allocated to their accounts.

Note H - Reconciliation of Plan financial statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits as reported in the financial statements to the assets reported on Schedule H of the Form 5500 as of December 31, 2022 and 2021:

	<u>12/31/2022</u>	<u>12/31/2021</u>
Net assets available for benefits per the financial statements	\$ 12,000,058	\$ 6,359,233
Contributions receivable	(25,717)	(1,089,397)
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 11,974,341</u>	<u>\$ 5,269,836</u>

The following is a reconciliation of the net change in net assets available for benefits as reported in the financial statements to the net change as reported on Schedule H of the Form 5500 as of December 31, 2022:

	<u>12/31/2022</u>
Net increase in net assets available for benefits per the financial statements	\$ 5,640,825
Change in contribution receivable for financial reporting purposes	1,063,680
Net increase in net assets available for benefits per Schedule H of Form 5500	<u>\$ 6,704,505</u>

Note I - Tax status

The underlying non-standardized pre-approved profit sharing plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Code, and therefore, the related trust is tax-exempt. The Plan Sponsor has determined that it is eligible to and has chosen to rely on the current IRS non-standardized pre-approved profit sharing plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note J – Subsequent Events

In accordance with FASB ASC Topic 855, Subsequent Events, the Company evaluated subsequent events through February 16, 2024, the date the financial statements were available to be issued. With the exception of those matters noted below, there were no material subsequent events that required recognition or additional disclosure in the financial statements.

The Plan was amended and restated effective May 1, 2023 to allow Universal Plumbing to adopt the Plan as a Participating Employer. Additionally, the Plan was amended and restated effective May 16, 2023 to allow Cottrell & Co Inc. and APAD, LLC to adopt the Plan as Participating Employers.
