INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Appellate Advocates Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Appellate Advocates Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Appellate Advocates Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2022 and 2021, and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Appellate Advocates Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Appellate Advocates Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Appellate Advocates Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Appellate Advocates Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Appellate Advocates Retirement Plan

Notes to Financial Statements

June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following brief description of Appellate Advocates Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (“IRC”) and subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Appellate Advocates (the “Company”), and their beneficiaries, funds for retirement.

Eligibility

Employees are eligible to participate in the Plan and to receive a nonelective employer contribution after the attainment of 21 years of age. Entry dates for employee contributions are the date on which the eligibility requirements are met.

Employee Contributions

An employee participating in the Plan may annually contribute through payroll deductions up to 90% of compensation limited to amounts determined annually by the Internal Revenue Service. Upon meeting eligibility, participants are automatically enrolled in the Plan at a rate of 2%, unless they elect otherwise. Participant automatic deferrals are increased each August by 1% per year for up to a maximum deferral rate of 10%. Participants may also contribute amounts representing distributions from other qualified plans. Any participant, age 50 or over, may make an additional “catch-up” contribution as determined by the Internal Revenue Service. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time or may increase or decrease their level of participation on the first day of each payroll period.

Employer Contributions

Safe Harbor Nonelective Contributions

The Company may elect to make a safe harbor nonelective contribution to be determined annually. These contributions are immediately 100% vested. For the Plan year ended June 30, 2022, the Company made a 3% safe harbor nonelective contribution to eligible participants in the amount of \$217,775.

Employer Matching Contributions

The Company may also make a flexible discretionary matching contribution equal to a percentage of salary deferrals. For the year ended June 30, 2022, the Company did not make such contributions.

Employer Profit Sharing Contributions

The Company may also elect to make a discretionary profit-sharing contribution to be determined annually and allocated to each qualifying participant's individual account. To be eligible for this contribution, an employee must have completed 1,000 hours of service during the Plan year and must be employed on the last day of the Plan year. For the Plan year ended June 30, 2022, the Company made a profit-sharing contribution equal to \$282,225.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of registered investment companies and common/collective trust with varying investment objectives as investment options. Each participant's account is credited with the participant's pretax contributions and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements
June 30, 2022 and 2021

Vesting

A participant is always 100% vested in his or her own salary deferral contributions as well as the employer's safe harbor contributions. Employer contributions, if any, and any related earnings or losses vest based on years of service. Regardless of vesting schedules, a participant will become fully vested upon death or total and permanent disability. For profit sharing contribution amounts, a participant is vested based on the schedule below:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

For employer-matching contributions, a participant is vested based on the schedule below:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Benefit Payments

On termination of service due to death, disability, retirement, other reasons or hardship as defined in the Plan document, a participant, or participant's beneficiary, may elect to receive a lump-sum amount equal to the value of the vested portion of his or her account.

Forfeitures

Forfeitures of the nonvested portion of the participant's account, if any, may be applied to reduce employer contributions or to pay Plan expenses. Forfeiture balances available as of June 30, 2022 and 2021 were \$20,440 and \$18,726, respectively. There was no use of forfeitures of participants' nonvested account balances during the year ended June 30, 2022.

Distributions and Withdrawals

Prior to age 59 ½, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, or termination of employment. After attaining age 59 ½, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, his or her participant contributions and earnings thereon and vested Company contributions and earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 for up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. Only two loans may be outstanding at any time with a minimum permitted loan of \$1,000. The loan is secured by the balance in the participant's account and bears a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans that would be made under similar circumstances. Loan proceeds are to be withdrawn from available contribution sources and investment options in the order established by the trustee. Principal and interest are paid ratably through payroll deductions. The loans bear interest between 4.25% and 6.25% with maturities through 2025.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 3.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan's assets are invested in various registered investment companies and a common/collective trust. Those investments, in general, are exposed to various risks, such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

The expenses necessary to administer the Plan are either paid by the Company or allocated to each participant at the Company's option. They include, but are not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor. For the year ended June 30, 2022, the Plan paid \$19,961 in account maintenance fees, transaction fees, and investment fund management fees. In addition, certain fees have been reflected as an offset against net investment income by the trustee and are not readily determinable. All other expenses were paid by the Company for the year ended June 30, 2022 and have been excluded from these financial statements.

Appellate Advocates Retirement Plan
Notes to Financial Statements
June 30, 2022 and 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 and 2021. Delinquent participant loans are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

3. FAIR VALUE MEASUREMENTS

The accounting pronouncement on fair value measurements has established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value.

Registered Investment Companies: Valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at year-end. Since NAV is a quoted price in an active market, they are classified within Level 1 of the valuation hierarchy.

Common/Collective Trust: The common/collective trust is valued based on the Plan's pro rata share of the fund's values which are determined by the underlying market value and have been measured at NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 6,213,756	\$ 6,213,756	\$ -	\$ -

	<u>\$ 6,442,868</u>			

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 7,318,566	\$ 7,318,566	\$ -	\$ -
Common/collective trusts, at NAV*	213,413			
	<u>\$ 7,531,979</u>			

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The methods used could produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of June 30, 2022 and 2021:

	<u>Fair Value at June 30,</u>	<u>Fair Value at June 30,</u>	<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2022</u>	<u>2021</u>	<u>Commitment</u>	<u>Frequency</u>	<u>Notice Period</u>
Common/collective trust	\$ 229,112	\$ 213,413	-	Daily	None

4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustee, Reliance Trust Company, except for comparing such information with the related information included in the financial statements and supplementary information. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the year ended June 30, 2022.

June 30, 2022 and 2021

The following information as of June 30, 2022 and 2021 and for the year ended June 30, 2022 was prepared from reports certified by the trustee:

	<u>2022</u>	<u>2021</u>
Investments at fair value		
Registered investment companies	\$ 6,213,756	\$ 7,318,566
Common/collective trusts	\$ 229,112	213,413
Notes receivable from participants	\$ 23,049	35,382
Investment income (loss)		
Net depreciation in fair value of investments	\$ (1,995,194)	
Dividend and interest income	\$ 831,022	
Interest from notes receivable from participants	\$ 1,639	

5. TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination that has not been applied to reduce the Company's contribution shall be allocated on a pro rata basis to the participants' accounts.

6. INCOME TAX STATUS

The Company adopted a non-standardized pre-approved profit sharing/money purchase/CODA plan and received a favorable opinion letter from the Internal Revenue Service on October 6, 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there is no tax-related interest or penalties for the periods presented in these financial statements.

7. RELATED-PARTY TRANSACTIONS

Reliance Trust Company is the trustee as defined in the Plan, and other third-party providers include the third-party administrator and third-party advisor. Transactions with these providers qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$19,961 for the year ended June 30, 2022, which are included in fees and expenses. In addition, notes receivable from participants also qualifies as party-in-interest transactions.

Per Form 5500	<u>\$ 6,465,917</u>	<u>\$ (1,101,444)</u>	<u>\$ 7,567,361</u>

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of January 22, 2024, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.
