## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of  
Eastern Fisheries 401(k) Plan  
New Bedford, Massachusetts

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Eastern Fisheries 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Information Required by ERISA**

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1.     DESCRIPTION OF PLAN**

The following description of the Eastern Fisheries 401(k) Plan (the "Plan") provides general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was adopted on January 1, 2000 by Eastern Fisheries, Inc. (the "Company" or the "Plan Sponsor") as a defined contribution plan. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Eligibility

The Plan is a defined contribution plan covering all employees of Eastern Fisheries, Inc. as well as Dockside Repairs, Inc. and Marine Hydraulics, USA, Inc., who are participating employers in the Plan, who are over 21 years of age and have worked at least 3 months during the Plan's fiscal year. Eligible employees are allowed to participate in the Plan the first day of the month following attainment of eligibility. Eligible employees who have met the age and service requirements also are immediately eligible for employer contributions.

Contributions

Each year, participants may contribute, on a pre-tax basis, whole percentages of their eligible compensation, up to 100% of their compensation as defined by the Plan, subject to certain limitations of the Internal Revenue Code ("Code"). The Plan also allows for participants to make catch-up contributions and Roth 401(k) contributions as defined by the Code. With the approval of the plan administrator, participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their account into various investment options offered by the Plan, which include various mutual funds.

The Company contributes safe harbor matching contributions in an amount equal to 100% of the first 3% of a participant's eligible compensation, and 50% of the next 2% of a participant's eligible compensation contributed to the Plan as pretax contributions, not to exceed 4% of the eligible participant's compensation. For the year ended December 31, 2022 and 2021, the Company made \$398,808 and \$363,854 in safe harbor contributions. The Company may also make a discretionary nonelective contribution in an amount determined by the Company, to be allocated as a uniform percentage of eligible participant compensation. All contributions are subject to certain limitations. The Company did not make any nonelective contributions for the year ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions and related earnings. Allocations are based on participant earnings or account balances defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**EASTERN FISHERIES 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1.     DESCRIPTION OF PLAN (CONTINUED)**

Vesting

Participants are immediately vested in their contributions and employer safe harbor matching contributions plus actual earnings thereon. Nonelective and forfeiture allocations vest based on continuous years of service. After one year of service, a participant is 25% vested in the Company's nonelective contribution and vests an additional 25% annually. A participant is fully vested after four years of credited service.

Notwithstanding the foregoing, a participant shall be 100% vested in and have a non-forfeitable right to his or her account upon reaching normal retirement age, death or total and permanent disability while in service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 reduced by the highest outstanding loan balance during the preceding 12-month period or 50% of their total vested account balance. The loans are secured by the balances in the participant's account and bear interest at the prime rate, plus 2% at the time of loan issuance. Principal and interest is paid ratably through payroll deductions on an after-tax basis for a period not to exceed five years, unless the loan was for the purchase of a principal residence, in which case not to exceed 10 years.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of his or her account in a lump-sum payout. Upon termination due to other reasons, a participant may elect to receive the vested value of his or her account in a lump-sum payout. Upon termination, if a participant's vested account balance does not exceed \$1,000 and the participant does not elect to take a distribution, the plan administrator may make a lump-sum distribution to the individual. If the participant's vested account balance is greater than \$1,000 but no more than \$5,000, the Plan Administrator may make a direct rollover to an eligible individual retirement account.

Hardship Withdrawals

In accordance with a uniform and nondiscriminatory policy adopted by the Plan administrator, a participant may withdraw a portion of his or her participant contribution balance to meet immediate and heavy financial needs as defined by the Code, subject to the certain limitations outlined in the Plan.

Forfeitures

Forfeitures represent the non-vested portion of terminated participants' account balances. Forfeited amounts are used to reduce employer contributions or reduce administrative expenses of the Plan. In 2022 and 2021, there were no forfeitures available to reduce future employer contributions or future administrative expenses.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments were held with Great-West Life & Annuity Insurance Company ("Great West") through July 6, 2022 and are held with Reliance Trust Company ("Reliance"), the custodians through the year ended December 31, 2022. The Plan is invested in various pooled separate accounts and a fully benefit-responsive investment contract at the participant's direction.

Investments are reported at fair value (except for fully benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

Purchases and sales of securities are reported on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Fair Value Measurement

The Plan follows the guidance in Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic, *Fair Value Measurements*, which defines fair value, and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical assets or liabilities in inactive markets;
- inputs other than quoted prices which are observable; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Plan's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Plan uses prices and inputs that are current as of the measurement date, including during periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or Level 2 to Level 3.

Fair Value Measurement (continued)

The following is a description of the valuation methodologies used for asset investments measured at fair value, as well as the general classification pursuant to the valuation hierarchy.

- Pooled Separate Accounts – The pooled separate accounts are valued at the net asset value ("NAV") of units of individual mutual funds in which the accounts have invested. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the accounts less its liabilities. Pooled separate accounts are not available in an exchange and active market, however, the fair value is determined based on the underlying investments as traded in an exchange and active market.
- Mutual Funds - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value "NAV" and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and included in Level 1.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a distribution is recorded. At December 31, 2022 and 2021, the interest rates on participant loans range from 5.25% to 8.00%.

Subsequent Events

In accordance with FASB ASC Topic, *Subsequent Events*, the Plan has evaluated all subsequent events through the date which the financial statements were available to be issued, February 27, 2024, that require disclosure under FASB ASC Topic, *Subsequent Events*. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

**NOTE 3. INFORMATION CERTIFIED AND PROVIDED BY CUSTODIAN AND TRUSTEE**

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly the custodians, Great West, through July 6, 2022, and Reliance Trust through December 31, 2022 have certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statement of net assets available for plan benefits as of December 31, 2022 and 2021, the Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits as of December 31, 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

**NOTE 4. FAIR VALUE MEASUREMENTS**

In accordance with FASB ASC Subtopic 820-10, pooled separate accounts were measured at net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The Plan's investments in pooled separate accounts, measured at fair value at December 31, 2021 was \$14,925,874.

In accordance with FASB ASC Subtopic 820-10, the following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

The following are descriptions of investment methodologies for investments measured at NAV:

- (a) The large value funds seek long-term value through investing primarily in stocks of larger, mature U.S. companies.
- (b) The large blend funds seek to provide returns similar to those of publicly traded companies in the S&P 500 index.
- (c) The foreign large blend funds seek to match the performance of the European Australian, and Far East markets by investing in securities with similar components.
- (d) The bond funds seek to maximize total return through income and capital appreciation.
- (e) The small blend funds seek long-term capital appreciation by investing in a broad diversification of small- and medium-sized company stocks.
- (f) The mid-cap growth funds seek long-term capital appreciation. Under normal circumstances, they invest a majority of their net assets in a broad diversification of medium-sized companies.
- (g) The large growth funds seek long-term growth of capital. The underlying funds normally emphasize higher price/earnings ratios and make little or no dividend payment.
- (h) The mid-cap value funds seek long-term value. Under normal circumstances, they invest a majority of their net assets in a broad diversification of medium-sized companies.

**EASTERN FISHERIES 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**NOTE 6. INVESTMENTS CONTRACTS**

The Plan had previously entered into an investment contract with Mass Mutual. Mass Mutual maintained the contributions in a general account. This contract meets the fully benefit-responsive contract criteria therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the traditional investment contract at December 31, 2021 was \$473,411. The contract is not held as of December 31, 2022.

The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon by the issuer, but it may not be less than 1.65% as of December 31, 2021.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the issuer or otherwise.

Certain events would limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

**NOTE 7. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Great West through July 6, 2022, and Reliance Trust through December 31, 2022. Great West and Reliance are the custodians defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The plan sponsor pays directly any other fees related to the Plan's operations. Transactions related to notes receivable from participants also qualify as party-in-interest transactions.

**EASTERN FISHERIES 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS

**NOTE 8. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer's contributions.

**NOTE 9. TAX STATUS**

The Plan is a volume submitter plan ("VSP") that was designed to meet the requirements of the Code. The Internal Revenue Service ("IRS") has reviewed the VSP and informed the sponsor of the VSP by a letter dated October 06, 2020, that the VSP is designed in accordance with the applicable sections of the Code. Although the VSP has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code and therefore believe that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 10. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

**NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

Schedule H, Part I and II of Form 5500 are in substantial agreement with the Statement of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022 and there are no reconciling items.

**NOTE 12. QUALIFIED NONELECTIVE CONTRIBUTIONS**

During the Plan year ended December 31, 2021, certain employer matching contributions were not made on behalf of participants. As a result of the missed employer match, the Company will make a qualified nonelective contribution ("QNEC") during the year ended December 31, 2022. The total calculated amount to fund is approximately \$69. There was no QNEC related to the December 31, 2022 plan year.
