INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Streamland Media LLC 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Streamland Media LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 5 to the financial statements, as of the date of the financial statements, annual nondiscrimination testing for the Plan for the year ended December 31, 2022 had yet to be completed. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary schedule of delinquent participant contributions (for the year ended December 31, 2022) and schedule of assets (held at end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STREAMLAND MEDIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Streamland Media LLC 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution multi-employer 401(K) plan which covers all full-time employees of Streamland Media LLC and its affiliated corporations, as defined by the Plan agreement (collectively, the "Company"), who have attained the age 21 and completed at least 1 month of service. Employees who are nonresident aliens with no earned income from sources in the United States and leased employees are excluded from the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was created and became effective on January 1, 2020. The Plan was most recently amended in February 2022 to change the Plan's recordkeeper/custodian to John Hancock Retirement, as described further in Note 3.

(b) CONTRIBUTIONS

A participating employee may elect to contribute up to 100% of annual compensation subject to IRS regulation limitations (\$20,500 for 2022). Participants who have attained the age of 50 by the Plan year end may also make catch-up contributions up to a maximum of \$6,500 for the year ended December 31, 2022. The Company, for each Plan year, will determine if a matching contribution will be made and the amount, if any. For the year ended December 31, 2022, certain affiliated corporations of the Company made a matching contribution of 50% of participant contributions up to a maximum of 2% of such participants' compensation.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's matching contribution (if any), and an allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Forfeitures of terminated participants' non-vested accounts are allowed to be used to pay for Plan administrative expenses and any remaining forfeitures may reduce employer contributions for the Plan year. During the year ended December 31, 2022, \$12,110 of forfeitures were used to offset plan expenses. As of December 31, 2022 and 2021, available forfeitures amounted to \$4,428 and \$12,110, respectively.

STREAMLAND MEDIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(d) VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer contributions increases by 20% per year after completion of one year of continuous service. A participant is 100% vested after five years of continuous service. Upon a participant's death or permanent disability while employed by the Company, or upon retirement age or after normal retirement age, the participant becomes fully vested.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested accrued benefits subject to a minimum amount of \$1,000 and a maximum amount of \$50,000. Notes receivable from participants bear interest at a rate determined by the Plan committee based on the prevailing interest rates charged by persons in the business of lending money for loans, which would be made under similar circumstances. The notes receivable are secured by the participants' vested interest in the Plan. Notes receivable from participants must be paid back within five years unless the notes are for the purchase of a principal residence. At December 31, 2022, the interest rate on notes receivable from participants are 3.25% to 7% per annum. Principal and interest are paid through payroll deductions.

(f) PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive a single lump-sum payment of the value of his or her account, equal installments or an annuity for a period not exceeding life expectancy. Benefits are recorded when paid. There were no benefit claims for participants separated from service that have not yet been paid as of December 31, 2022.

(g) ADMINISTRATIVE EXPENSES

The Company incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan. Transaction and investment fund expenses are paid by the participants.

NOTES TO FINANCIAL STATEMENTS December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) MANAGEMENT'S USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan's management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan's management believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments are valued at fair value as determined by John Hancock Trust Company (John Hancock) as of December 31, 2022, and by Charles Schwab Trust Bank (Charles Schwab) as of December 31, 2021.

STREAMLAND MEDIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022.

(f) SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2022, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through March 1, 2024 the date these financial statements were available to be issued. No other material events or transactions were noted to have occurred, except for as otherwise disclosed in these financial statements.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by John Hancock and Charles Schwab (collectively, the custodians) as of December 31, 2022 and 2021, respectively. The funds are credited with contributions and actual earnings on the underlying investments and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2022 and 2021 are the values as reported to the Plan by John Hancock and Charles Schwab, respectively.

The following was certified as to being complete and accurate by the custodians:

- Investment accounts and notes receivable from participants as shown in the statement of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income, interest income on notes receivable from participants and net depreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022. Charles Schwab certified these amounts for January 1, 2022 through January 26, 2022. John Hancock certified these amounts from January 27, 2022 through December 31, 2022.
- Supplementary schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and statement of changes in net assets available for benefits and the supplementary schedule of assets (held at end of year).

Participants may change their investment options at their discretion.

NOTES TO FINANCIAL STATEMENTS December 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted the fair value accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2022 and 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Year Ended December 31	Fair Value Measurements Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2022:				
Mutual Funds	\$ 34,248,741	\$ 34,248,741	\$ -	\$ -
Self-Directed Brokerage Account	305,272	305,272	-	-
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	\$ 34,554,013	\$ 34,554,013	\$ -	\$ -
Investment Measured at Net Asset Value-Stable Value (a)	638,818	-	-	-

STREAMLAND MEDIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

	Fair Value Measurements Using			
2021:				
Mutual Funds	\$ 30,666,149	\$ 30,666,149	\$ -	\$ -
Unit Investment Trusts	17,473	17,473	-	-
Corporate Stocks	333,269	333,269	-	-
Cash and Money Market Funds	638,421	638,421	-	-
TOTAL INVESTMENTS AT FAIR VALUE	\$ 31,655,312	\$ 31,655,312	\$ -	\$ -

The following is a description of the valuation methodologies used for assets measured at fair value.

- **Mutual Funds/Corporate Stocks/Unit Investment Trusts:** Valued at the closing price reported on the active market on which the individual securities are traded.
- **Stable Value Fund:** Valued utilizing observable inputs including quoted prices, interest rates and yield curves. The fund's investment strategy is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. There are no unfunded commitments or redemption restrictions.
- **Self-Directed Brokerage Accounts:** Accounts include investments in Interest Bearing Cash and Mutual Funds.
- **Cash and Money Market Funds:** Valued at carrying amount which approximates its fair value at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

STREAMLAND MEDIA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022

NOTE 5 - TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

As of the date the audited financial statements were available for issuance, the Plan Sponsor had not conducted required annual nondiscrimination testing for the Plan as of and for the year ended December 31, 2022. The Plan Sponsor anticipates the testing will be completed by the end of March 2024, and believes the Plan continues to meet the requirements of a qualified plan, and that the Plan has been operated in a manner that does not jeopardize the Plan's tax status. The results of the testing are not expected to have a material impact to the audited financial statements as of and for the year ended December 31, 2022.

NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by John Hancock Trust Company. John Hancock Trust Company is the Trustee as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, all assets shall become 100% vested and the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
