To the Plan Administrator
Easter Seals Serving DC|MD|VA 403(b) Plan
Silver Spring, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Easter Seals Serving DC|MD|VA 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Easter Seals Serving DC|MD|VA 403(b) Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (continued)

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Easter Seals Serving DC|MD|VA 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Easter Seals Serving DC|MD|VA 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Independent Auditor's Report (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Easter Seals Serving DC|MD|VA 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Easter Seals Serving DC|MD|VA 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (continued)

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) as of December 31, 2022 and Delinquent Participant Contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Easter Seals Serving DC|MD|VA 403(b) Plan

Notes to Financial Statements

1. **Description of the Plan** The following description of the Easter Seals Serving DC|MD|VA 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Easter Seals Serving DC|MD|VA (the "Organization"), except for students, nonresident aliens, employees eligible to participate in a qualified cash or deferred arrangement, or eligible governmental plan. Those employees not expected to work at least 1,000 hours during a year will become eligible upon completing consecutive 12 months of service with at least 1,000 hours. There is no service requirement to make participant or rollover contributions to the Plan. Eligible employees may enter the Plan immediately with respect to these contributions. Employees are required to complete one year of service to be eligible to receive any Organization contributions. Plan entry for Organization contributions will be the first day of the month subsequent to completing the year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Roth contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan allows for discretionary matching contributions. During 2022, the Organization contributed 50 percent of the first 6 percent of compensation that a participant contributed to the Plan. Additional amounts may be contributed at the discretion of the Organization. Participants must be employed on the last day of the Plan year to receive an allocation of any additional discretionary contributions. There were no such additional discretionary contributions for the Plan year ended December 31, 2022. Prior to January 1, 2019, participants were automatically enrolled into the Plan. While automatic enrollment was in effect, operational defects were discovered due to certain participants not being properly auto-enrolled in the Plan that require corrective contributions. In addition, during 2021, operational defects related to eligibility and offer of enrollment to the Plan were discovered that required a corrective contribution. A significant portion of these corrective contributions were funded in December 2022, with the remaining amounts funded in 2023. These amounts, including consideration for lost earnings, are reflected on the financial statements as Other employer contributions. Contributions are subject to certain limitations.

Easter Seals Serving DC|MD|VA 403(b) Plan

Notes to Financial Statements

Participant accounts: Each participant's account is credited with the participant's contributions, the Organization's discretionary matching contributions, if any, as well as allocations of the Organization's discretionary additional contribution, if any, and Plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses. Investment earnings and losses are allocated based upon the investment performance of each investment in the participant's account. Allocations of the Organization's discretionary additional contributions, if any, are based on the ratio of the participant's compensation to total compensation for the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited accounts: At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$12,802 and \$23,940, respectively. These accounts will be used to reduce future Organization contributions or to pay Plan expenses. During 2022, \$14,191 of forfeited nonvested accounts was used to reduce Organization contributions, \$5,771 was used to restore participant accounts, and \$1,653 was used to pay Plan expenses.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Organization discretionary contributions is based on years of continuous service of at least 1,000 hours per year. A participant is 25 percent vested after two years of service is completed, and vests an additional 25 percent per year until full vesting after five years.

Payment of benefits: Benefits are payable upon retirement at the later of attaining age 65 or five years of participation, disability, death, or termination of employment. Hardship withdrawals and in-service withdrawals at age 59 1/2 are also permitted, subject to provisions described in the Plan document. Withdrawals from rollover contributions are permitted at any time. Benefits are payable in life annuities, installments, and lump sum payments.

Notes receivable from participants: Participants may borrow from their fund accounts, held by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate, as determined by the loan administrator. Principal and interest are paid through payroll deductions.

Easter Seals Serving DC|MD|VA 403(b) Plan

Notes to Financial Statements

Administrative expenses: Certain expenses of maintaining the Plan are paid by the Organization. Transaction expenses, such as loan and distribution administration fees are charged directly to the participant's account and are included in administrative expenses. Participants may also be charged asset-based fees for administrative expenses. These fees are deducted from participant accounts and included in administrative expenses.

2. Significant accounting policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

Excess contributions payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") and ineligible contributions not permitted under the terms of the Plan are recorded as a liability with a corresponding reduction to contributions.

Easter Seals Serving DC|MD|VA 403(b) Plan

Notes to Financial Statements

Payment of benefits: Benefits are recorded when paid.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events: The Plan has evaluated subsequent events for disclosure in these financial statements through March 1, 2024, which is the date the financial statements were available to be issued.

3. Certified information Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income, and interest income from notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Mutual of America Life Insurance Company, the custodian and insurance company of the Plan.

4. Fair value measurements The Plan reports its assets at fair value based on a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Easter Seals Serving DC|MD|VA 403(b) Plan

Notes to Financial Statements

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The fair value of the shares of mutual funds owned by the Plan is based on quoted net asset values on the last business day of the Plan year.

The fair value of the units of pooled separate accounts is based on the net asset value ("NAV") on the last business day of the Plan year provided by the entity holding the accounts. The NAV is used as a practical expedient to estimate fair value and is determined by the custodian and insurance company based on the fair value of the underlying assets in the account, less the liabilities.

The fair value of assets is as follows:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,690,833	\$ -	\$ -	\$ 2,690,833

Investments measured at net asset value ^(a)				245,044
Total assets at fair value				\$ 2,935,877

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,701,876	\$ -	\$ -	\$ 2,701,876
Total assets within the fair value hierarchy	\$ 2,701,876	\$ -	\$ -	2,701,876
Investments measured at net asset value ^(a)				319,563
Total assets at fair value				\$ 3,021,439

(a) In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) as of December 31, 2022 and 2021 have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments in all pooled separate accounts can be redeemed immediately at the current net asset value based on the fair value of the underlying assets. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2022 and 2021.

5. **Guaranteed interest account and Guaranteed investment contract**

The Plan participates in a traditional benefit responsive investment contract with Mutual of America Life Insurance Company ("MOA") via an investment in a Guaranteed Interest Accumulation Account under group annuity contracts. MOA commingles the assets of the Guaranteed Interest Accumulation Account with other assets in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MOA is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by MOA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfer all or a portion of their investment at contract value.

Easter Seals Serving DC|MD|VA 403(b) Plan

Notes to Financial Statements

The Plan also participates in a traditional benefit responsive investment contract with Principal via an investment in a Guaranteed Investment Contract ("GIC"). Principal commingles the assets of the GIC with other assets in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawals or transfer all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise for either investment contract.

No events limit the ability of the Plan to transact at contract value. There is a surrender charge of five percent for an employer-level liquidation of this contract unless the employer provides 12 months advance notice with the GIC under Principal. There are no such limitations for the Guaranteed Interest Accumulation Account with MOA.

|-----------------------------------|---|
| 6. Risks and uncertainties | The Plan provides for investments in various securities that are exposed to risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in future statements of net assets available for benefits. |
| 7. Plan termination | Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts. |
| 8. Tax status | The Plan is a prototype plan of Principal Life Insurance Company which received an opinion letter on March 31, 2017, in which the IRS stated that the form of the plan document was acceptable under the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. |

Easter Seals Serving DC|MD|VA 403(b) Plan

Notes to Financial Statements

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Party-in-interest transactions

Certain Plan investments are managed by affiliates of Principal and Mutual of America Life Insurance Company ("MOA"). Principal and MOA are the custodian and insurance company, and recordkeepers as defined by the Plan. During 2022, the Plan paid \$60,177 to Principal, MOA, and the investment advisor for recordkeeping and advisory services. These transactions qualify as exempt party-in-interest transactions.

The Plan is a party to a plan expense agreement with Principal. Under this agreement, the participants are charged an asset based fee, a portion of which is set aside to pay the Plan's investment advisor. Any remaining balance may be used to pay other eligible Plan expenses or be reallocated to participants. During 2022, a total of \$9,801 of investment advisory fees was incurred under the agreement. At December 31, 2022 and 2021, \$2,450 and \$2,481, respectively, was owed for these services and reported as accrued expenses in the Statements of Net Assets Available for Benefits. At December 31, 2022 and 2021, the Plan had unallocated funds of \$2,450 and \$2,481, respectively, that were received from participant accounts. These amounts are available to pay future Plan expenses. These transactions qualify as exempt party-in-interest transactions.

During 2018 to 2022, the Organization failed to remit to the custodian certain employee contributions and loan repayments totaling \$81,360, within the period prescribed by Department of Labor regulations. The Organization made corrective contributions to the Plan to compensate affected participants for lost earnings on the delinquent remittances in 2022 and 2023. These delinquent remittances are considered nonexempt party-in-interest transactions.

**10. Subsequent
amendment
and
restatement**

The Plan was amended and restated effective January 1, 2023, to adopt a volume submitter defined contribution plan sponsored by CCH Incorporated DBA FTWilliam Com. Effective with the amendment and restatement, the one year service requirement to be eligible to receive any Organization contributions was removed and Plan entry for Organization contributions is now immediate. The amendment and restatement also removed the eligibility requirement of completing consecutive 12 months of service with at least 1,000 hours for employees not expected to work at least 1,000 hours during a year. These employees are now eligible immediately. Effective with the amendment and restatement January 1, 2023, the additional discretionary contributions were removed. The amendment and restatement specified the loan interest rate to be the prime rate plus two percent. Finally, the name of the Plan Sponsor was changed from Easter Seals Serving DC|MD|VA to Easter Seals Serving DC|MD|VA, Inc. effective with the amendment and restatement.
