INDEPENDENT AUDITORS' REPORT

To the American Seafoods Group 401(k) Plan Sponsor
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of American Seafoods Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of American Seafoods Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Seafoods Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Seafoods Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Seafoods Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Seafoods Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN SEAFOODS GROUP 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the American Seafoods Group 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan covering all eligible employees of American Seafood Group, LLC., American Seafoods Company LLC, Kloosterboer International Forwarding LLC, Kloosterboer Dutch Harbor LLC, and Alaska Reefer Management LLC (collectively, the "Company") with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on January 15, 1990.

Effective January 1, 2022, the Plan was restated by executing Cycle 3 Non-standardized Plan Adoption Agreement.

Effective July 1, 2022, the Plan was amended to authorize Andrzej Szaniewski to become eligible to participate in all contribution types.

Effective November 1, 2022, the Plan transferred its assets from Reliance Trust Company to Empower Retirement, LLC.

On December 22, 2022, the Senate passed the Consolidated Appropriations Act of 2023 (the "CAA") to fund the government through September 30, 2023. Division T of the legislation is the SECURE 2.0 Act of 2022 ("SECURE 2.0"), which builds upon 2019's Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"). SECURE 2.0 contains 90 provisions aimed at modernizing the retirement system, encouraging additional retirement savings, and easing administrative requirements. Most of SECURE 2.0's provisions take effect on or after 2024.

Eligibility

To be eligible to participate in the Plan's deferral contribution, employees must complete 6 months of service with the Company. Eligible employees may enter the Plan on the first day of the calendar month coincident or next following date requirements are met. Shipboard employees must complete one year of service. Shipboard employees may enter the Plan on the first day of the first and seventh month of the Plan year coinciding with or next following date eligibility requirements are met. Employees covered by a collective bargaining agreement, leased employees, and temporary employees are excluded from participating in the Plan.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Contributions

Participant Contributions: Participants elect to have amounts withheld from their paychecks and contributed to the Plan by the Company. Participants are allowed to contribute the maximum of their annual compensation in pre-tax or Roth deferrals as defined as in the Plan and by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefits or defined contribution plans.

Employer Contributions: The Company makes safe harbor matching contributions in an amount of 100% of the first 3% of the participant's contribution, plus 50% of the next 2% of participant's eligible contributions. During the Plan year 2022, the Company has made safe harbor matching contributions in the amount of \$2,109,220.

All of the foregoing contributions are subject to limits as set by federal law.

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan and Reliance Trust Company ("RTC") and Empower Trust Company, LLC ("Empower").

Participant Accounts

Each participant's account is credited with the participant's own contributions, an allocation of the Company's contributions, and an allocation of net earnings from investments and changes in investment values. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account. Participants select the investments into which their contributions are invested. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

Participant Loans

Loans to participants consist of promissory notes received from participants in exchange for the distribution of cash from the Plan. Shipboard participants and highly compensated participants are not eligible to receive loans from the Plan. All other participants are allowed to borrow a minimum of \$1,000, up to one half of the vested balance of their Plan account, up to a maximum of \$50,000. Loans must be repaid over no more than a five-year period with the exception of a loan for the participants' principal residence that may have a repayment period beyond five years. Principal and interest are paid ratably through payroll deductions. Loans to participants are stated at the principal amount outstanding, which approximates fair value.

DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. Terminated participants whose balances are less than \$5,000 will be automatically distributed. For such balances exceeding \$5,000, subject to certain requirements, participants may leave their account balance in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request withdrawal from their contribution accounts for financial hardship or after attaining the age of 59½. The distribution of the participant's account must commence no later than April 1 following the calendar year in which the participant attains age 72.

Vesting

Participants are always fully vested in their own contributions, Company's safe harbor contributions, and all earnings thereon.

Forfeitures

Forfeitures of non-vested employer contributions, if any, shall be used to reduce employer contributions and can be applied to reduce administrative expenses charged to the Plan, for the plan year in which they occurred or thereafter. During the year ended December 31, 2022, forfeitures totaling \$523 were utilized to reduce the employer contributions. As of December 31, 2022 and 2021, there were \$1,409 and \$1,478, respectively, in forfeited non-vested accounts available for future use.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

AMERICAN SEAFOODS GROUP 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors, custodians, and insurance company. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, RTC and Empower, the custodians of the Plan, have certified as being complete and accurate the following information as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits
- Net depreciation in fair value of investments, dividends, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits
- Investments reflected on the schedule of assets (held at end of year)

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1) Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2) Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3) Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common/collective trusts: Reported at fair value using the NAV, which is determined by the administrators of the fund and is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets held by the collective trust fund (primarily fully benefit responsive investment contracts), less any liabilities, and then divided by the number of units outstanding. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchase and sales) may occur daily. Withdrawals, other than for benefit payments and participant transfer to noncompeting investment options, require 12 months' advance written notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded investments.

AMERICAN SEAFOODS GROUP 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods used by the Plan may produce a fair value calculation that may not indicative of net realizable value ore reflective of future fair values. Furthermore, although the Plan believes is valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net depreciation in fair value of investments includes net unrealized and net realized gains and losses on investments during the year and is presented net of investment expenses. Investment income is allocated to individual participant accounts based upon the participant's share of the investment fund.

As of December 31, 2022, assets in the plan, as defined by ASC Topic 820, were as follows:

<u>Assets at fair value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/collective trusts	\$ -	-	-	\$ 2,374,582 *
Registered investment companies	<u>31,516,685</u>	-	-	<u>31,516,685</u>
Total investments, at fair value	<u>\$ 31,516,685</u>	<u>-</u>	<u>-</u>	<u>\$ 33,891,267</u>

As of December 31, 2021, assets in the plan, as defined by ASC Topic 820, were as follows:

<u>Assets at fair value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/collective trusts	\$ -	-	-	\$ 4,854,309 *
Registered investment companies	<u>31,670,463</u>	-	-	<u>31,670,463</u>
Total investments, at fair value	<u>\$ 31,670,463</u>	<u>-</u>	<u>-</u>	<u>\$ 36,524,772</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022 and 2021, are reported in the net change in fair value of investments.

AMERICAN SEAFOODS GROUP 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 5: PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accounts become fully vested and non-forfeitable. Plan assets would first be used to pay any expenses properly charged to the Plan. The remaining Plan assets would then be distributed to participants.

NOTE 6: TAX STATUS

The Company has adopted the Non-Standardized Pre-Approved Profit Sharing Plan With CODA. The Internal Revenue Service ("IRS") has informed Hunnex and Shoemaker Inc in a letter dated June 30, 2020, that its Non-Standardized Pre-Approved Profit Sharing Plan With CODA is designed in accordance with applicable sections of the IRC, and any Plan sponsor adopting this form of the Non-Standardized Pre-Approved Profit Sharing Plan With CODA will be considered to have a plan qualified under applicable sections of the IRC. Therefore, the Plan and related trust are tax-exempt, and once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as a tax-exempt trust.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTE 7: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by RTC and Empower. RTC and Empower are the custodians as defined by the Plan, and therefore, these investments and investment transactions qualify as party-in-interest transactions. Any purchase and sales of investments in the custodian are open market transactions at fair market value. Fees incurred by the Plan for investment management services are included in net appreciation/depreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue-sharing fees that are paid to Empower, other investment custodians, and investment advisors.

AMERICAN SEAFOODS GROUP 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 7: PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Additionally, the Plan sponsor, American Seafoods Group, LLC. and its affiliates, is a party-in-interest to the Plan; however, there were no transactions with the Plan sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan. The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The plan has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued.
