INDEPENDENT AUDITORS' REPORT

Pension Committee
Spokane Methodist Homes, Inc.
Employee Retirement Savings Plan
Spokane, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Spokane Methodist Homes, Inc. Employee Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) [ERISA Section 103(a)(3)(c) audit.] The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended May 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we --

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment as of May 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Spokane Methodist Homes, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

Note 1 – Description of the Plan

The following description of the Spokane Methodist Homes, Inc. Employee Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for more complete information. A summary plan description can also be provided by Spokane United Methodist Homes, Inc. (the plan sponsor).

- a. **General** – The Plan is a participant-directed, defined-contribution plan covering eligible employees of the plan sponsor as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees may enter the Plan on their date of hire. The Plan became effective as of June 1, 1987.
- b. **Contributions** – Participants make voluntary tax-deferred contributions to the Plan through payroll deductions of up to the Internal Revenue Service (IRS) maximum allowable contribution. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all new employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Each June 1 after enrollment, the deferral rate will increase by 1%, up to a maximum of 10% of compensation, unless the participant submits a change request to the Plan. Upon enrollment in the Plan, a participant may direct contributions to any of the available investment options offered by the Plan. Contributions are recorded by the Plan in the period the plan sponsor makes payroll deductions from participants. At its discretion, the employer may make a matching contribution for a particular plan year; such contributions are allocated to all participants of the Plan. During the years ended May 31, 2023 and 2022, the employer made matching contributions of either 25% of the participants' deferral amount up to the first 6% of compensation deferred (for participants hired prior to June 1, 2017) or 50% up to the first 10% of compensation deferred (for employees hired June 1, 2017, or later).
- c. **Participant accounts** – Each participant's account is credited with the participant's contribution and allocation of (a) the employer's matching contribution, if any, and (b) plan earnings and losses, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. **Vesting** – Participant contributions and actual earnings thereon are 100% vested. Employer matching contributions for each plan year are vested for those employees who have completed a year of service (800 hours) during the plan year in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20
2	40
3	60
4	80
5	100

Spokane Methodist Homes, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

Note 1 – Description of the Plan (Continued)

- e. **Notes receivable from participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.
- f. **Payment of benefits** – Normal retirement under the Plan occurs at age 65. The Plan also provides for retirement distributions to persons under age 65 if certain conditions are met as specified in the plan document. Participants, or their beneficiaries, are eligible to receive payment of benefits in the event of retirement, death, disability, or termination of the participant or the termination of the Plan. Benefits are distributed according to provisions set forth in the plan document. Participants' non-forfeitable account balances less than \$1,000 shall be distributed in a lump-sum payment. If the vested amount exceeds \$1,000, participants may elect the benefits to be distributed in a lump-sum payment or annual installments.
- g. **Administration of the Plan** – The Plan is administered by the plan sponsor in the form of a pension committee. Plan assets are invested in accordance with each employee's instructions. Records of participant account activity are processed and maintained by T. Rowe Price Services, Inc., which also performs other administrative support services for the Plan. Certain administrative functions are performed by officers or employees of the plan sponsor. No such officer or employee receives compensation from the Plan. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the plan sponsor. Expenses that are paid by the plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.
- h. **Forfeited accounts** – At May 31, 2023 and 2022, forfeited nonvested accounts totaled \$39,864 and \$36,317, respectively. Forfeitures can be used to reduce plan expenses or nonelective employer contributions. For the years ended May 31, 2023 and 2022, forfeited nonvested accounts were used to reduce plan expenses by \$43,664 and \$57,569, respectively.

Note 2 – Summary of Significant Accounting Policies

- a. **Basis of accounting** – The accounting records of the Plan are maintained on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.
- b. **Investment valuation and income recognition** – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of shares are recorded on a trade-date basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Spokane Methodist Homes, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies (Continued)

- c. **Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- d. **Payments of benefits** – Benefits are recorded when paid.
- e. **Administrative expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the plan sponsor. Expenses that are paid by the plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.
- f. **Subsequent events** – Subsequent events have been evaluated through February 12, 2024, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Spokane Methodist Homes, Inc. Employee Retirement Savings Plan

Notes to Financial Statements

Note 3 – Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2023 and 2022.

Level 1 – The fair value of money market and mutual funds is valued at the quoted net asset value of shares held by the Plan at year end.

Level 2 – The Plan had no Level 2 investments at May 31, 2023 and 2022.

Level 3 – The Plan had no Level 3 investments at May 31, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

As of May 31, 2023				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 566,484	\$ -	\$ -	\$ 566,484

Note 4 – Information Certified by the Plan Trustee

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected that information certified by Reliance Trust Company for the period June 1, 2022 to May 31, 2023, not be subject to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedule.

The following information has been certified by Reliance Trust Company as complete and accurate:

- (a) Investments as indicated on the statements of net assets available for benefits;
- (b) Net depreciation in fair value of investments as indicated on the statements of changes in net assets available for benefits; and
- (c) Supplemental schedule – assets held for investment.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the plan sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 6 – Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate 403(b) section of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has not obtained a favorable determination letter from IRS as there is no formal process to do so for 403(b) plans. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan is qualified and the related trust is tax-exempt as of the financial statement dates. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of May 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

Note 7 – Party-in-interest Transactions

Certain transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 8 – Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, political, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Note 9 – Benefits Payable

There were no benefits payable to persons who have withdrawn from participation in the earnings and operations of the Plan at May 31, 2023 and 2022.

Note 10 – Reconciliation of Financial Statements to Form 5500

Participant loans are reported as notes receivable from participants in the accompanying financial statements as required by current authoritative guidance; however, for Form 5500 purposes and reporting on the supplemental schedule of assets held for investment, they are shown as investments, as required.
