REPORT OF INDEPENDENT ACCOUNTANTS

*The Board of Directors
Alliance for a Healthier Generation 401(k) Plan:*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Alliance for a Healthier Generation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Alliance for a Healthier Generation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Alliance for a Healthier

Generation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance for a Healthier Generation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alliance for a Healthier Generation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance for a Healthier Generation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) on pages 12 through 14 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPORT OF INDEPENDENT ACCOUNTANTS

*The Board of Directors
Alliance for a Healthier Generation 401(k) Plan:*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Alliance for a Healthier Generation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Alliance for a Healthier Generation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Alliance for a Healthier

Generation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance for a Healthier Generation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alliance for a Healthier Generation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance for a Healthier Generation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) on pages 12 through 14 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED JUNE 30, 2023

1. Description of the Plan

The following is a brief description of the Alliance for a Healthier Generation 401(k) Plan (the “Plan”), and is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan for the exclusive benefit of employees of the Alliance for a Healthier Generation (“AHG”). The plan sponsor is AHG and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). AHG also is the plan administrator. John Hancock Life Insurance Company (“John Hancock”) is the Plan’s custodian and, as such, has the responsibility for managing the Plan’s assets, subject to the direction of the plan administrator. Prime Pensions Northwest, LLC is the third-party administrator of the Plan.

Plan Contributions – Participants may contribute a portion of their compensation by means of payroll deductions, subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are matched by AHG as a safe harbor match at 100% for eligible participant deferrals up to 4.0% of the participant’s compensation. Safe harbor matching contributions for the year ended June 30, 2023 totaled \$281,373. In addition, each year, AHG may make a discretionary profit-sharing contribution to the Plan. There was no profit-sharing contribution to the Plan during the year ended June 30, 2023.

Participants’ Accounts – Each participant’s account is credited with the participant’s contributions and allocation of (a) AHG’s contributions, and (b) Plan earnings; and charged with an allocation of administrative expenses. Allocations are based on each participant’s earnings or account balance, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are vested immediately in both their contributions and any employer contributions plus actual earnings thereon.

Notes Receivable from Participants – Loans are permitted with the approval of the Plan administrator. Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Any loan by its terms requires that repayment (both principal and interest) be amortized in equal payments, over a period not to exceed five years, except if the loan is for the purchase of a primary residence. The outstanding loans are secured by the balance of the participant’s account and bear interest at a rate of 1% above prime, which is fixed for the duration of the loan.

Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant may receive a distribution of the vested interest in his or her account as a lump-sum, partial withdrawals or as installments but only with respect to minimum required distributions. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Eligibility Requirements – Regular employees of AHG are eligible to participate in the Plan for the purposes of salary deferrals and safe harbor match on the first day of the month coinciding with or following their date of hire. For purposes of profit-sharing contributions, employees become eligible the first day of the month following or coinciding with their two year anniversary and the attainment of age 21.

Plan Termination – Although it has not expressed any intent to do so, AHG has the right to terminate the Plan, subject to the provisions of ERISA.

Administrative Expenses – The Plan’s assets are used to pay certain administrative expenses and investment advisory service expenses. Certain fees related to investment transactions are deducted directly from participant accounts. AHG may, at its discretion, pay certain administrative fees related to contributions on behalf of the Plan.

Tax Status – The Plan has adopted a prototype Plan document, and is relying on the prototype sponsor’s opinion letter from the Internal Revenue Service dated June 30, 2020. The letter states that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the prototype plan has been amended since receiving the opinion letter, the AHG believes that the Plan is designed and currently is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, currently, there are no audits for any tax periods in progress.

Party-in-Interest Transactions – Certain Plan investments are managed by John Hancock, the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions. For the year ended June 30, 2023, fees paid by the Plan for contract administrator fees totaled \$28,050. In addition, fees paid by the Plan to Raymond James Financial Services for investment advisory services totaled \$17,589 for the year ended June 30, 2023. Finally, fees paid by the Plan to Prime Pensions Northwest, LLC totaled \$3,225 for the year ended June 30, 2023. Loans are made to Plan participants in accordance with the Plan documents. Accordingly, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

2. Summary of Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates – The preparation of the Plan’s financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In the opinion of management, such differences, if any, would not be significant.

Investments – Investments are reported at fair value. Certain investments are carried at estimated fair value using net asset value (“NAV”) as a practical expedient. Net appreciation (decline) in the fair value of investments consists of the realized gains or losses and the unrealized appreciation (decline) of those investments. Security transactions are recorded on a trade date basis.

Risk and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal balances plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment, based on the terms of the Plan document. As of June 30, 2023 and 2022, no allowance for credit losses has been recorded.

Payment of Benefits – Benefits are recorded when paid.

Concentration of Credit Risk – All of the Plan's assets are held in pooled separate accounts, which are invested in mutual funds and a stable value fund.

Subsequent Events – Subsequent events have been evaluated by management through February 12, 2024, which is the date the financial statements were available to be issued.

Other Significant Accounting Policies – Other significant accounting policies are set forth in the financial statements and the following notes.

3. Information Prepared and Certified by the Custodian

The Plan has obtained a certification from John Hancock Life Insurance Company, the custodian of the Plan, that the information provided by them is complete and accurate. The information certified by them includes:

- Details and summaries of investments at fair value as of June 30, 2023 and 2022;
- Details and summaries of net change in the fair value of Plan investments during the year ended June 30, 2023;
- Interest income on notes receivable from participants for the year ended June 30, 2023; and
- All investment transactions, including purchases and sales of investments, for the year ended June 30, 2023.

4. Investments

At June 30, 2023, the Plan's investments are held in 62 pooled separate accounts, which are invested in mutual funds and a stable value fund. The following summarizes investments by investment category as of June 30, 2023 and 2022:

	2023	2022
Pooled separate accounts, at fair value (note 5)	\$ 9,777,210	8,456,613

5. Fair Value Measurements

Included in the accompanying financial statements are certain financial instruments carried at fair value. The fair value of an asset is the amount at which that asset could be bought or sold in a current transaction between willing parties, that is, other than in a forced or liquidation sale; similarly, the fair value of a liability is the amount at which the liability could be transferred in a current transaction between willing parties. Fair values are based on quoted market prices when available.

When market prices are not available, fair value is generally estimated using discounted cash flow analyses, incorporating current market inputs for similar financial instruments with comparable terms and credit quality.

All financial assets and liabilities carried at fair value have been classified, for disclosure purposes, based on a hierarchy defined under generally accepted accounting principles. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities and the lowest ranking to fair values determined using methodologies and models with unobservable inputs, as follows:

- *Level 1* – Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.
- *Level 2* – Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Level 2 also includes units in funds which only invest in financial assets classified as Level 1, have no redemption gates or lock-up periods, and for which there have been recent transactions at the published monthly net asset value.
- *Level 3* – Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement.

At June 30, 2023, the Plan's investments are held in pooled separate accounts, which are invested in mutual funds and a stable value fund. The investments are reported at fair value as follows:

		Level 2	NAV	Total
Pooled separate accounts (<i>note 4</i>):				
Mutual funds	\$	9,493,942	–	9,493,942
Stable value fund		–	283,268	283,268
	\$	9,493,942	283,268	9,777,210

6. Prohibited and Non-Exempt Transactions

During the plan year ended June 30, 2022, it was determined that the Plan sponsor was delinquent in remitting to the custodian certain employee contributions within the time period set forth by the U.S. Department of Labor. However, the Plan sponsor credited each participant account with the amount that would have been earned had the participant contributions been remitted on a timely basis by June 30, 2022. Delinquent contributions totaled \$2,193 for the year ended June 30, 2022 and lost earnings totaled \$104 and \$106 for the years ended June 30, 2023 and 2022, respectively. The Plan remitted the delinquent contributions and lost earnings by June 30, 2023. In addition, the Plan filed an application under the Voluntary Fiduciary Correction Program to correct the prohibited transactions and received a no action letter accepting the correction from the U.S. Department of Labor after June 30, 2023.
