## INDEPENDENT AUDITOR'S REPORT

January 9, 2024

To the Plan Administrator of the  
Utica University Defined Contribution Retirement Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audits of the financial statements of Utica University Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended May 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of May 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Other Matter - Supplemental Schedule Required by ERISA (Continued)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. DESCRIPTION OF PLAN

The following brief description of the Utica University Defined Contribution Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution retirement plan available to all employees of Utica University (the University) who meet certain eligibility requirements. The Plan is administered by the University. Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF) are the insurance companies of the Plan and the recordkeepers of the Plan's assets. TIAA, FSB is a directed custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

#### **Eligibility**

Benefit eligible employees of the University are eligible to begin salary deferrals immediately, unless they are students enrolled and attending classes offered by the University. An employee is enrolled into the Plan upon completion of a properly completed and valid salary deferral agreement.

Employees are eligible to receive employer contributions after reaching age 21 and have an annual work expectation of 1,000 or more hours.

#### **Contributions**

Active participants may make voluntary pre-tax contributions in the form of salary reductions and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 403(b).

Eligible participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC. Eligible participants, who have attained 15 years of service before the end of the Plan year, are also eligible to make catch-up contributions, subject to certain limitations of the IRC.

The University makes contributions to the Plan based on date of hire and/or years of service. Union eligible participants hired on or before May 31, 2004 received contributions from the University equal to 11% of the employee's eligible earnings. Non-union participants hired on or before May 31, 2004 receive contributions from the University equal to 6% of the employee's eligible earnings prior to completing 9 years of service and 8% of the employee's eligible earnings after the completion of 9 years of service.

### Participant Accounts

Each participant's account is credited with the participant's contribution, the University's contribution, and an allocation of Plan earnings/losses on all contributions less administrative expenses. Allocations of Plan earnings/losses and administrative expenses are based on account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## **1. DESCRIPTION OF PLAN (Continued)**

### **Transfers**

The Plan does not permit plan-to-plan transfers or contract exchanges with any annuity contract or custodial account that is not a vendor specifically approved by the Plan Administrator for use under the Plan.

### **Vesting**

Participants are immediately vested in their voluntary contributions, the University's contributions, and actual earnings/losses thereon.

### **Plan Loans**

Plan loans were issued directly from the funds owned by TIAA and CREF and were not issued directly from a participant's account. Accordingly, these loans are not presented as part of the Plan's assets on the accompanying statements of net assets available for benefits. An adequate portion of the participant's account is held in collateral to cover 110% of the outstanding loan in case of default. The collateral is held in the fixed annuity contract investment option. Total plan loans outstanding at May 31, 2023 and 2022 were \$20,548 and \$58,968, respectively. Defaulted loans at May 31, 2023 and 2022 were \$0 and \$18,959, respectively. The Plan no longer offers collateralized plan loans through TIAA and CREF.

### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's account balance, subject to certain conditions as defined in the Plan agreement. Following the enactment of the CARES Act, qualifying participants were allowed to borrow up to \$100,000 or 100% of the participants vested accounts for those loans established from March 27, 2020 through September 22, 2020. The loan and interest thereon shall be repaid over a period not to exceed five years (except for certain residential loans which can extend for a longer term). The loans are secured by the balance in the participant's account and bear a fixed market rate of interest. A participant is allowed a maximum of three outstanding loans at one time.

### **Payment of Benefits**

Vested funds may be paid to participants when the participant attains age 59½, incurs a disability, or terminates employment with the University. Benefits will be paid directly to the participant or his or her beneficiary, as the case may be, in the form designated by the recipient.

### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted from a participant's account. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Investments

The Plan invests in pooled separate accounts, registered investment companies, and fixed annuity contracts. Pooled separate accounts, registered investment companies, and non-benefit responsive fixed annuity contracts are reported at fair value. Fully benefit responsive fixed annuity contracts are stated at contract value, as this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

### Fair Value

Accounting Standards Codification (ASC) Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC Topic 820 are as follows:

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Pooled separate accounts and registered investment companies are valued using closing quoted prices in active markets.

Non-benefit responsive fixed annuity contracts are valued at accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals.

There were no changes in the valuation methodologies used during 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amount reported in the financial statements.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

### Payment of Benefits

Benefit payments to participants are recorded when paid.

### Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by Plan participants. Management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earnings on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation (depreciation) in fair value of investments.

### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

## 3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by TIAA and CREF and is included in the financial statements and accompanying schedule:

During the years ended May 31, 2023 and 2022, investments classified as Level 3 within the fair value hierarchy totaling \$1,526,234 and \$963,730 respectively, were purchased and investments totaling \$1,777,864 and \$4,010,098, respectively, were sold.

#### 5. FIXED ANNUITY CONTRACTS

The TIAA Traditional Annuity is a fixed-rate annuity contract. Contributions buy a contractual or guaranteed amount of future benefits for the investing participant. The contracts guarantee principal and a minimum interest rate and provide the opportunity for additional amounts in excess of the guaranteed rate. TIAA maintains Plan contributions in separate accounts.

The Plan utilizes Retirement Annuity (RA) and Retirement Choice (RC) contracts, which totaled \$22,333,286 and \$21,853,815 at May 31, 2023 and 2022, respectively, and are included as the non-benefit responsive fixed annuity contracts on the statements of net assets available for benefits. Under RA contracts, withdrawals and transfers must be spread over a period of 10 annual installments (or five annual installments for withdrawals after termination of employment through election of a five-year fixed-period annuity). Under RC contracts, withdrawals are available only within 120 days after termination of employment and are subject to a 2.5% surrender charge. All other withdrawals and transfers from the account must be paid in 84 monthly installments (7 years).

The Plan also has fully benefit-responsive fixed annuity contracts with TIAA. The accounts are credited with contributions and earnings on the underlying investments and are charged for Plan withdrawals. Earnings on the underlying investments are guaranteed by TIAA at a rate of 3%.

## 5. FIXED ANNUITY CONTRACTS (Continued)

The fixed annuity contracts guaranteed minimum returns are supported by the TIAA general account portfolio, which invests primarily in U.S. debt instruments and investment grade corporate bonds; however, is also permitted to invest in higher risk securities, including but not limited to, sub-investment grade corporate bonds, common stock and real estate. The assets and earnings from this portfolio are used to pay the guaranteed interest rate associated with the annuity contracts, as well as future annuity payments.

The Plan Administrator assesses the fair value measurements applied by TIAA, including those for level 3 measurements, on a continuing basis. Periodically, the Plan Administrator, together with TIAA, determines if the current valuation techniques used in the fair value measurements are still appropriate.

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the fair value hierarchy at May 31, 2023:

## 6. TAX STATUS

The Plan is exempt from federal and state income tax under section 403(b) of the IRC. The Plan is required to operate in conformity with the IRC to maintain its tax-exempt status for Plan participants. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

## 7. PARTY-IN-INTEREST TRANSACTIONS

TIAA and CREF are the insurance companies of the Plan and recordkeepers of the Plan assets. TIAA, FSB, is a directed custodian of certain assets of the Plan. Therefore, transactions between TIAA, CREF, TIAA, FSB, and the Plan qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

**8. PLAN TERMINATION**

Although it has not expressed any intent to do so, the University has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would remain 100% vested in their accounts.

**9. RECONCILIATION TO FORM 5500**

Certain items have been classified differently between the financial statements and IRS Form 5500, *Annual Return/Report of Employee Benefit Plan*. The Plan's net assets available for benefits and its change in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended May 31, 2023 and 2022.

**10. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through January 9, 2024, which is the date the financial statements were available to be issued.
