INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Constellation Affiliated Partners 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Constellation Affiliated Partners 401(k) Profit Sharing Plan (formally known as Nu Holdings & Affiliates 401(k) Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of November 17, 2021 (Date of Merger), and the related statement of changes in net assets available for benefits for the period January 1, 2021 through November 17, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Constellation Affiliated Partners 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 17, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Constellation Affiliated Partners 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Constellation Affiliated Partners 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Constellation Affiliated Partners 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Constellation Affiliated Partners 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Constellation Affiliated Partners 401(k) Profit Sharing Plan (formally known as Nu Holdings & Affiliates 401(k) Plan) were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 6, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN

The following description of the Constellation Affiliated Partners 401(k) Profit Sharing Plan (formally known as Nu Holdings & Affiliates 401(k) Plan) provides only general information. Refer to Plan documents for a more complete description of Plan provisions.

General

The Plan was a defined contribution plan covering substantially all employees of the Nu Holdings, Inc. and its two affiliates and participating employers, Normal-Spencer Agency, Inc. and Thorn Valley Enterprises, Inc. (collectively, the Company and Employer) The Plan was subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator was responsible for oversight of the Plan. The Plan's Plan Administrator and Plan Management determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Some administrative functions were performed by employees of the Company. No compensation was remitted to the Company for these services.

Plan assets were held and managed by Fidelity Management Trust Company, the trustee and the qualified institution for the Plan, which invested contributions and Plan earnings, made investment transactions as directed by the Plan Administrator and provided certain recordkeeping services. Fidelity Workplace Services acted as the third-party administrator for the Plan, which performed certain plan administration, provided certain recordkeeping services, and performed annual ERISA compliance testing.

Effective January 1, 2021, the participants and plan assets of two qualified plans were merged into this Plan. Effective with the mergers, the Plan name was changed from Nu Holdings & Affiliates 401(k) Plan to Constellation Affiliated Partners 401(k) Profit Sharing Plan (the Plan).

Plan Termination and Merger

Effective November 17, 2021, the Company discontinued the Plan and merged the Plan into the Truist Financial Corporation 401(k) Savings Plan (the Truist Plan). As a result of the merger, all remaining assets and any liabilities were transferred to the Truist Plan. All participants in the Plan became participants in the Truist Plan subsequent to the merger. Effective July 1, 2021, the Plan was frozen to new entrants and contributions to the Plan were suspended.

Coronavirus Aid, Relief, and Economic Security Act of 2020

The Coronavirus Aid Relief and Economic Security Act (the CARES Act) was passed by the U.S. Senate on March 26, 2020. Under certain provisions of the CARES Act, certain requirements for loans and benefit payments to participants were changed in response to the COVID-19 pandemic. The Plan adopted the provisions for coronavirus-related distributions and allowed in-service withdrawals, increased maximum loan limits from \$50,000 or 50% of the vested account balance to \$100,000 or 100% of the vested account balance, and increase the loan repayment schedule for the Plan year ended December 31, 2020.

Eligibility

Employees could become a participant of the Plan when they satisfied eligibility requirements. Eligibility requirements were to be an employee and twenty-one years of age.

Constellation Affiliated Partners 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Contributions

Each year, participants could contribute up to 90 percent (%) of their annual compensation, as defined by the Plan. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants directed the investment of their contributions into various investment options offered by the Plan. The Company made a safe harbor matching contribution equal to 100% of the first 3% of eligible base compensation that a participant contributed to the Plan and 50% of the next 2% of eligible base compensation. The Company did not make any regular employer matching contributions for 2021 Plan year. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

Effective July 1, 2021, and in preparation for the Plan merger in to the Truist Financial Corporation 401(k) Savings Plan, all contributions to the Plan were suspended.

Participant Accounts

Each participant's account was credited with the participant's contributions and Company's matching contributions, and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that was provided from the participant's vested account.

Vesting

Participants were vested immediately in their contributions plus earnings thereon. Prior to 2016, vesting in the Company's contribution portion of their accounts plus earnings on their portion was based on years of continuous service. A participant was 100% vested after five years of credited service. With the adoption of the Safe Harbor Plan, the participant was 100% vested immediately in the Company's contribution and earnings after January 1, 2016.

Notes Receivable from Participants

Participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, for non-coronavirus related loans. The loans were secured by the balance in the participant's account. The loan interest rate equaled the prime rate, as published in the Wall Street Journal on the date the loan is processed, plus 1%. Principal and interest was paid ratably through payroll deductions.

Benefit Payments

On termination of service due to death, disability or retirement, a participant may receive a lump-sum or installment payments on a monthly or other periodic basis. If a participant dies before receiving all payments, their balance of the account will be paid to their beneficiary. If a participant's vested interest is \$5,000 or less, it may be paid out by a rollover into an individual retirement account. Vested interests of \$1,000 or less may be paid to the participant in one lump sum.

Constellation Affiliated Partners 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Forfeitures

At November 17, 2021 and December 31, 2020 forfeited nonvested accounts totaled \$0 and \$28,140, respectively. During the period ended November 17, 2021, employer contributions were reduced by \$28,140 from forfeited nonvested accounts.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC) and in accordance with the Plan agreement, a participant could request a financial hardship withdrawal if they experienced a severe financial hardship. The financial hardship withdrawal could not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever was less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally were reported at fair value, but may also be reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements and net asset value. The Plan Administrator determined the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of November 17, 2021 or December 31, 2020.

Constellation Affiliated Partners 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Distributions to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Risks and Uncertainties

The Plan invested in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, March 8, 2024, and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the qualified institution:

- a) Total investments, at fair value, included in the statements of net assets available for benefits at November 17, 2021 and December 31, 2020.
- b) Notes receivable from participants, included in the statements of net assets available for benefits at November 17, 2021 and December 31, 2020.
- c) Investment income, net appreciation in the value of investments and interest income from notes receivable, information included in the statement of changes in net assets available for benefits for the period ended November 17, 2021.
- d) All amounts included in Note 4, *Fair Value Measurements*.

Constellation Affiliated Partners 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 17, 2021 and December 31, 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: The Plan's Stable Value Funds are valued based on NAV per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, these NAV based investments have been excluded from the fair value hierarchy leveling.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Constellation Affiliated Partners 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4: FAIR VALUE MEASUREMENTS (Continued)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020.

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
<i>December 31, 2020</i>				
Mutual funds	\$ 8,532,453	\$ -	\$ -	\$ 8,532,453
Total mutual funds	\$ 8,532,453	\$ -	\$ -	8,532,453
Stable Value Funds ^(A)				165,289
Total investments at fair value				\$ 8,697,742

(A) Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes information related to the CCTs measured at fair value based on NAV per share as of November 17, 2021 and December 31, 2020, respectively. The CCTs are maintained by investment companies and hold investments in accordance with a stated set of fund objectives.

Year-End	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
November 17, 2021	\$ -	\$ -	N/A	N/A
December 31, 2020	\$ 165,289	\$ -	Daily	None

Due to the merger into the Truist Financial Corporation 401(k) Savings Plan on November 17, 2021, there are no investments at fair value as of the date of these financial statements.

Note 5: TAX STATUS

The IRS has determined that the Volume Submitter Plan Document, used by the Company for the Plan and related trust, are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Constellation Affiliated Partners 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 5: TAX STATUS (Continued)

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to plan operations and investment activity to various service providers, as described in Note 1 and 2. These transactions qualify as party in interest transactions under ERISA.

Note 7: PLAN COMPLIANCE

During the 2021 Plan year, management became aware that certain provisions of the Plan document were not appropriately followed related to eligible compensation. Management is currently evaluating the impact of this non-compliance and will make required corrections, if any, through Truist Financial Corporation 401(k) Savings Plan. Any correction that is to be determined is not expected to be significant to the financial statements.

The NU Holding & Affiliates 401(k) Plan was merged into the Truist Financial Corporation 401(k) Savings Plan in November of 2021.

This merger was due to a corporate transition where Truist Financial Corporation purchased NU Holdings & Affiliates in 2021.

Due to an oversight by the recordkeeper for the Plan, the 5500 filing was not forwarded to us for submission.

We apologize for the delinquency of the filing.
