MoLo Solutions 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MoLo Solutions 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 1, 2023 and December 31, 2022, the related statement of changes in net assets available for benefits for the period January 1, 2023 through June 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of May 31, 2023 and December 31, 2022, and for the period ended January 1, 2023 through May 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

(Continued)

Opinion (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter - Plan Merger

As discussed in Note I to the financial statements during 2023, the Plan Committee voted to merge the Plan into the ArcBest 401(k) & DC Retirement Plan effective June 1, 2023. Certain plan assets were transferred to the ArcBest 401(k) & DC Retirement Plan on June 1, 2023, and all remaining assets were liquidated and were the fiduciary responsibility of the ArcBest 401(k) & DC Retirement Plan as of June 1, 2023. Our opinion has not been modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

MoLo Solutions 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the period January 1, 2023 through June 1, 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Molo Solutions 401(k) Plan (the "Plan") provides only general information. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

1. General

The Plan was a defined contribution profit sharing and 401(k) plan covering eligible employees of Molo Solutions, LLC (f/k/a DJM Logistics, LLC) (the "Company"). Eligible participants were defined as substantially all full-time employee of the Company, excluding those who were leased or covered by a collective bargaining agreement. Effective January 1, 2023, eligible employees were not subject to any age or service requirement to participant in the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Contributions

The Plan was funded by voluntary pre-tax and Roth contributions of participants and discretionary matching and profit sharing contributions of the Company. Participants could contribute to the Plan, through regular payroll deductions, and participants who had attained age 50 before the end of the calendar year were eligible to make catch-up contributions. Participants could also roll over amounts representing distributions from other qualified employee benefit plans.

In order to share in the allocation of discretionary profit sharing contributions, the participants must have completed at least one thousand (1,000) hours of service for the Company during such Plan year and either (a) remain an employee on the last day of such Plan year, or (b) incur a termination of employment during such Plan year on account of death, disability, or after attaining normal retirement age.

The Plan also allowed for an additional form of discretionary contribution ("DC contributions"). DC contributions were allowable, at the Company's discretion, to participants who (a) remain an employee on the last day of the Plan year, or (b) incur a termination of employment during such Plan year on account of death, disability, attaining normal retirement age, or attaining age fifty-five (55) with at least ten (10) years of vesting service.

NOTES TO FINANCIAL STATEMENTS
For the period January 1, 2023 through June 1, 2023

NOTE A - DESCRIPTION OF THE PLAN (Continued)

2. Contributions (Continued)

The Company provided discretionary matching contributions of \$385,415 to the Plan for period January 1, 2023 through June 1, 2023. No additional employer contributions were made during the period January 1, 2023 through June 1, 2023. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

3. Investment Options

Participants directed their salary deferral contributions and the Company's contributions into a variety of investment options made available and determined by the Investment Committee. Participants were permitted to change their investment options at any time.

4. Participant Accounts

Each participant's account was credited with the participant's contribution, an allocation of the Company's contributions, and an allocation of plan earnings. The Company's discretionary matching contribution was allocated based on a percentage of the participant's contribution. The Company's discretionary profit sharing contribution was based on a ratio of each eligible participant's compensation to total compensation for all eligible participants. Plan earnings were allocated to participants' accounts in direct proportion to their respective account balances, based on the performance of participants' investment selections. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account balance.

5. Vesting

Participants were immediately fully vested in participant and rollover contributions plus the actual earnings thereon. The portion of the participants' accounts attributable to the Company's contributions were 0% up until three years of service and then 100% vested after three years of service. In the event of death or disability, participants become fully vested.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

6. Payment of Benefits

On termination of service, including death/disability and normal retirement, a participant could elect to receive a single, lump-sum payment equal to the value of his or her vested account balance, or a direct rollover distribution. In service withdrawals were permitted to participants who had reached age 59 1/2 and hardship withdrawals were also permitted by the Plan.

7. Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Participants were permitted to take loans from the Plan up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans were collateralized by the borrowers' respective vested account balances and bear interest at 4.25% to 8.75%. Principal and interest were paid through payroll deductions over a period not to exceed five years, unless for the purchase of a primary residence.

8. Administrative Expenses

Certain expenses incurred maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Investment-related expenses were included in net appreciation in fair value of investments.

9. Forfeitures

At June 1, 2023 and December 31, 2022, unallocated plan assets resulting from forfeited nonvested accounts totaled \$0 and \$26,548, respectively. Forfeitures of \$37,216 were used to reduce discretionary Company contributions related to the Plan period from January 1, 2023 through June 1, 2023.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements

Current accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	--

Level 2	<p>Inputs to the valuation methodology include the following:</p> <ul style="list-style-type: none">* Quoted prices for similar assets or liabilities in active markets;* Quoted prices for identical or similar assets or liabilities in inactive markets;* Inputs other than quoted prices that were observable for the asset or liability;* Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	---

If the asset or liability had a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology were unobservable and significant to the fair value measurement.
---------	--

The asset's or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques used needed to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following describes the valuation methodologies used for the Plan's investments measured at fair value at December 31, 2022. As discussed in Note I, the Plan did not have any investments at June 1, 2023.

MoLo Solutions 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the period January 1, 2023 through June 1, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the Securities and Exchange Commission ("SEC"). These funds were required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022. As discussed in Note I, the Plan did not have any investments at June 1, 2023.

	Plan Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,791,529	\$ -	\$ -	\$ 5,791,529
Investments, at fair value	\$ 5,791,529	\$ -	\$ -	\$ 5,791,529

3. Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determined the Plan's valuation policies utilizing information provided by the trustee. See Note B-2 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments purchased and sold as well as held during the period.

4. Use of Estimates

In preparing the Plan's financial statements, management was required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Payment of Benefits

Benefits were recorded when paid.

NOTE C - INFORMATION CERTIFIED BY RELIANCE TRUST COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at May 31, 2023 and December 31, 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the January 1, 2023 through May 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the "Trustee" of the Plan).

NOTE D - TAX STATUS

Effective January 1, 2022, the Plan adopted a standardized pre-approved plan sponsored by the Trustee. The pre-approved plan had received an opinion letter from the IRS as to the pre-approved plan's qualified status. The pre-approved plan opinion letter had been relied upon by this Plan. The Plan Administrator believes that the Plan is currently and was previously designed and being operated in compliance with the applicable provisions of the Internal Revenue Code ("IRC").

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
For the period January 1, 2023 through June 1, 2023

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments were managed by the Trustee, as defined by the Plan, and T. Rowe Price, the recordkeeper; therefore, these transactions qualified as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each investment.

The Plan issued loans to participants, which were secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualified as party-in-interest. Employees of the Company provided administrative services to the Plan for which no fees are charged.

NOTE G - PROHIBITED TRANSACTIONS

The Plan Sponsor failed to deposit participant contributions within the required timeframe as stated by the Department of Labor ("DOL"). The DOL considers late deposits to be prohibited transactions as disclosed in the accompanying supplemental information. The Plan Sponsor plans to correct these deficiencies in 2024 pursuant to the DOL's Voluntary Fiduciary Correction Program ("VFCP").

NOTE H - EXCESS CONTRIBUTIONS PAYABLE

Excess contributions payable represented amounts withheld from participants in excess of IRS limitations that were to be refunded at year end. As of June 1, 2023 and December 31, 2022, excess contributions totaling \$107,207 and \$21,321, respectively, were required to be refunded. As of June 1, 2023, no liability was recorded as Plan assets were transferred as apart of Plan Merger (Note I). Excess contributions are to be distributed from the New Plan as defined in Note I. All excess contributions are required to be refunded prior to December 31, of the subsequent year.

NOTE I - PLAN MERGER

On May 31, 2023 the Company's assets were liquidated. On June 1, 2023, these assets were transferred when the Plan was merged into the ArcBest 401(k) and DC Retirement Plan (the "New Plan").

Plan assets totaling \$7,732,886 were transferred to the New Plan. The participants' vested account balances in the New Plan equaled the vested account balances in this Plan upon the transfer. The merger does not impact participant benefits as the benefit provisions were incorporated into the New Plan. Interested parties should refer to the New Plan's adoption agreement and plan document for a complete description of the New Plan.

NOTE J - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through January 26, 2024, the date that these financial statements were available to be issued. Plan management has determined that no events or transactions have occurred subsequent to the statement of net assets available for benefits date that require disclosure in the financial statements.
