CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS CONSULTANTS

Independent Auditors' Report

401(k) Committee
The Cosmopolitan Resort & Casino Retirement Plan
Las Vegas, Nevada

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Cosmopolitan Resort & Casino Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of March 24, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period beginning January 1, 2023 and ended March 24, 2023 and for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Cosmopolitan Resort & Casino Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 24, 2023 and December 31, 2022 and for the period beginning January 1, 2023 and ended March 24, 2023 and the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of The Cosmopolitan Resort & Casino Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis Of Matter - Plan Merger

As discussed in Note 1 to the financial statements, on May 17, 2022, the Board of Directors of The Cosmopolitan Resort & Casino Retirement Plan voted to merge into the MGM Resorts 401(k) Savings Plan (the MGM Plan) as of March 24, 2023. The Cosmopolitan Resort & Casino Retirement Plan transferred its net assets into the MGM Plan and ceased operations as of that date. Our opinion is not modified with respect to this matter.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Cosmopolitan Resort & Casino Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Cosmopolitan Resort & Casino Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Cosmopolitan Resort & Casino Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

THE COSMOPOLITAN RESORT & CASINO RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

March 24, 2023 And December 31, 2022

1. Description Of The Plan

The following description of The Cosmopolitan Resort & Casino Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan established for the benefit of the employee of Nevada Property 1 LLC (the Company or Plan Sponsor). The Plan was intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC). The Plan was subject to the provisions under ERISA, as amended.

On May 17, 2022, MGM Resorts International closed the transaction to acquire the Cosmopolitan of Las Vegas and the Board of Directors executed a resolution to merge the Plan with the MGM Resorts 401(k) Savings Plan (the MGM Plan) as of March 24, 2023. All assets transferred to the MGM Plan on March 27, 2023 and the Plan ceased operations on that date. The Plan provided for 100% vesting of all participants' accounts as of that date. On March

On March 27, 2023 expenses were allocated to the contract which triggered a dividend and subsequent distributions, resulting in a fund balance as of March 31, 2023. The administrator had reconciled the fund balance on May 12, 2023, which was reflected on the Form 5500. The fund balance was zero as of September 30, 2023.

Eligibility

All employees of the Company who had completed 90 days of service and were age 21 or older, were eligible to participate in the Plan.

Contributions

Participants could defer salary up to 75% of compensation, not to exceed certain Internal Revenue Service (IRS) limitations. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Additionally, participants age 50 or older, who were making contributions to the Plan, were allowed to make catch-up contributions.

THE COSMOPOLITAN RESORT & CASINO RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

The Company elected to make a discretionary matching contribution of 50% of the participant's first 4% of salary deferral contributions after one year of service, with a maximum contribution match of \$1,000 for 2023 and 2022. The Company could also make a discretionary profit sharing contribution to the Plan each year. There were no profit sharing contributions made for the period ended March 24, 2023 or the year ended December 31, 2022.

Participant Accounts

Each participant's account was credited with the participant's contributions, the Company's contributions and an allocation of the Plan's earnings (losses). The allocation of earnings (losses) was determined by the earnings (losses) of the participant's investment selection based on each participant's account balance, as defined in the Plan Document. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Participant Investments

Participants directed their deferral and Company contributions to selected investments as made available and determined by the Plan Administrator. Participants could change their investment options at any time throughout the year.

Vesting

Participants were immediately vested in their contributions plus actual earnings thereon. Prior to the merger of the Plan, vesting of participants' Company contributions was based on years of service with partial vesting after two years and 100% vesting after five years of service or upon reaching normal retirement age (age 59 1/2), death or permanent disability.

Forfeitures

Forfeited nonvested accounts were used to reduce Company contributions and administrative expenses. Forfeitures of \$20,734 and \$39,736 were used to offset Company contributions for the period ended March 24, 2023 and the year ended December 31, 2022, respectively. No forfeitures were used to offset administrative expenses for the period beginning January 1, 2023 and ended March 24, 2023. Forfeitures of \$655 were used to offset administrative expenses for the year ended December 31, 2022. There were no forfeited nonvested account balances at March 24, 2023. At December 31, 2022, forfeited nonvested account balances totaled \$1.

Notes To Financial Statements (*Continued*)

Notes Receivable From Participants

Participants could borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes were for a period not exceeding five years and bore interest at a reasonable fixed rate of interest based on prevailing market rates. Participants could have only one loan outstanding at a time and loans were secured by the balance in the participants' accounts. Principal and interest were paid through payroll withholdings.

Payment Of Benefits

Upon termination of service, death, disability or normal retirement age, a participant could make withdrawals from his or her vested account only in the form of an installment annuity or lump sum distribution.

In-Service Withdrawals

Participants could withdraw from the Plan that portion of their account resulting from their deferral contributions in the event of undue financial hardship, which included payments for education expenses, medical expenses, or the purchase of a primary residence. Participants could also take a withdrawal upon reaching age 59-1/2. Certain conditions and restrictions applied, as defined in the Plan Document.

Administration Of The Plan

Principal Life Insurance Company and Principal Trust Company, both members of the Principal Financial Group (Principal), were the Plan's Trustees.

Subsequent Events

Management evaluates subsequent events through the date the financial statements were available for issue, which was the date of the Independent Auditors' Report.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

THE COSMOPOLITAN RESORT & CASINO RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

Use Of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments were stated at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses has been recorded as of March 24, 2023 or Decemebr 31, 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS were recorded as a liability with a corresponding reduction to contributions.

Payment Of Benefits

Benefits were recorded when paid.

3. Certified Investment Information

The following was a summary of the Plan's asset information as of March 24, 2023 and Decmeebr 31, 2022, and for the period beginning Janaury 1, 2023 and ended March 24, 2023 and the year ended Decemebr 31, 2022, included throughout the Plan's financial statements, that was prepared by or derived from information certified by Principal Life Insurance Company and Prinicpal Trust Company (collectively, Principal), and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Principal that the information provided to the Plan Administrator related to the following information was complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule of assets held at end of year related to the following assets as of March 24 and December 31, respectively:

	<u>2023</u>	<u>2022</u>
Registered investment companies	\$ —	\$ 68,485,103
Collective investment trust fund	—	9,885,478
Notes receivable from participants	—	3,950,118

Principal also certified to the completeness and accuracy related the following investment income (loss) and interest income on notes receivable from participants for the period ended March 24 and the year ended December 31, respectively:

	<u>2023</u>	<u>2022</u>
Dividends and interest	\$ 35,725	\$ 1,408,515
Net change in fair value of investments	2,089,329	(17,836,172)
Interest income on notes receivable from participants	26,495	273,687

4. Fair Value Measurements

The Plan follows accounting rules relating to fair value measurements, which established a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following was a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies

These funds were valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan were open-end mutual funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan were deemed to be actively traded.

Collective Investment Trust Fund

The fund was valued at the NAV of units of a collective investment trust. The NAV, as provided by Principal, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient was not used when it was determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. However, it was possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investment, changes in the market conditions, liquidity requirements, and the economic environment may significantly affect the NAV of the registered investment companies, and consequently, the fair value of the Plan's investments. The collective investment trust fund held by the Plan files an annual report on Form 5500 as a direct filing entity. The collective investment trust fund was measured at fair value using NAV as the practical expedient and has not been classified in the fair value hierarchy.

The methods described above could produce a fair value calculation that could not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in the valuation methodologies used at December 31, 2022.

Notes To Financial Statements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 68,485,103	\$ —	\$ —	\$ 68,485,103
Investment measured at net asset value (a)				9,885,478
Total Investments At Fair Value				\$ 78,370,581

(a) Certain investments that were measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table were intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Fair Value Of Investments In Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption
	2022			Notice Period
Stable value fund	\$ 9,885,478	None	Daily	None

5. Administrative Expenses

Certain administrative functions were performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

During the period beginning January 1, 2023 and ending March 24, 2023 and the year ended December 31, 2022, certain administrative expenses were paid directly by the Plan.

THE COSMOPOLITAN RESORT & CASINO RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

6. Income Tax Status

The Plan utilizes a non-standardized pre-approved profit sharing plan that received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the pre-approved plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (the Code). The Plan itself has not received a determination letter. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan and the related trust are tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there were currently no audits in progress for any tax periods.

7. Party-In-Interest Transactions

Certain Plan investments were units of the collective investment trust fund and registered investment company accounts managed by Principal. Principal was the record keeper and trustee for the Plan. These transactions were considered party-in-interest transactions allowable under ERISA.

Certain employees had outstanding loans with the Plan as of December 31, 2022. These loans were considered allowable party-in-interest transactions allowable under ERISA. There were no employees with loans outstanding as of March 24, 2023.

8. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities were exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
