INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance of
Fink's Jewelers, Inc. Deferred Compensation Plan
Roanoke, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fink's Jewelers, Inc. Deferred Compensation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of August 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended August 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fink's Jewelers, Inc. Deferred Compensation Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 31, 2023 and 2022, and for the year ended August 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fink's Jewelers, Inc. Deferred Compensation Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fink's Jewelers, Inc. Deferred Compensation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fink's Jewelers, Inc. Deferred Compensation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fink's Jewelers, Inc. Deferred Compensation Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of August 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DEFERRED COMPENSATION PLAN

NOTES TO FINANCIAL STATEMENTS

August 31, 2023

Note 1. Plan Description

The following description of the Fink's Jewelers, Inc. Deferred Compensation Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Fink's Jewelers, Inc. (the "Company") who have completed at least one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the IRS annual dollar limit of pretax and Roth elective deferrals, as defined in the Plan. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. The auto enrollment deferral rate is increased by 1% effective each September 1 up to a maximum of 10% unless the participant elects a different deferral percentage. The auto-enrollment feature automatically invests contributions in a designated target retirement date fund until changed by the participant. Participants may elect to change deferral rates at any time during the plan year.

Participants who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year are eligible to receive Company contributions, as defined. The Company may make discretionary matching contributions. The Company matched 50% of participant deferrals up to 6% of compensation for the year ended August 31, 2023 and 2022. Additional discretionary amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain statutory limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, if any, and an allocation of Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service.

NOTES TO FINANCIAL STATEMENTS
August 31, 2023

Note 1. Plan Description (Continued)

Payments of benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum distribution or installment payments equal to the value of the participant's vested interest in his or her account. Vested balances of \$5,000 or less will be automatically distributed in accordance with Plan provisions. In-service distributions are allowed from vested accounts at age 59 ½.

Administrative expenses

Plan fees and administrative expenses are paid by the Company on a discretionary basis.

Forfeited accounts

At August 31, 2023 and 2022, forfeited non-vested accounts totaled \$14,427 and \$339, respectively. Forfeited non-vested accounts may be used to reduce future employer contributions or to pay administrative expenses. No forfeitures were used to reduce Plan expenses for the year ended August 31, 2023. The employer contribution receivable at August 31, 2023 is presented net of \$14,488 forfeitures utilized when the contribution was funded.

Note 2. Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are recorded at fair value except for fully-benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
August 31, 2023

Note 2. Significant Accounting Policies (Continued)

Investment valuation and income recognition (Continued)

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit payments

Benefit payments are recorded when paid.

Subsequent events

Subsequent events have been evaluated through February 26, 2024, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Note 3. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2023 and 2022.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>August 31, 2023</u>		
Mutual Funds	\$ 16,848,964	\$ 16,848,964
Total	<u>\$ 16,848,964</u>	<u>\$ 16,848,964</u>
<u>August 31, 2022</u>		
Mutual Funds	\$ 15,955,286	\$ 15,955,286
Total	<u>\$ 15,955,286</u>	<u>\$ 15,955,286</u>

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Note 4. Related-Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Certain Plan investments are shares of mutual funds issued and managed by Fidelity; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity Management Trust Company amounted to \$14,697 for the year ended August 31, 2023. Other fees were paid to CapFinancial Partners and New Market Wealth Management LLC for advisory services during the Plan year.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

Note 6. Tax Status

The Plan was restated effective March 1, 2022 to a volume submitter plan sponsored by Fidelity Management & Research Company. Fidelity Management & Research Company received a letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that its volume submitter plan is designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of August 31, 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance of
Fink's Jewelers, Inc. Deferred Compensation Plan
Roanoke, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fink's Jewelers, Inc. Deferred Compensation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of August 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended August 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fink's Jewelers, Inc. Deferred Compensation Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 31, 2023 and 2022, and for the year ended August 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fink's Jewelers, Inc. Deferred Compensation Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fink's Jewelers, Inc. Deferred Compensation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fink's Jewelers, Inc. Deferred Compensation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fink's Jewelers, Inc. Deferred Compensation Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of August 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

August 31, 2023

Note 1. Plan Description

The following description of the Fink's Jewelers, Inc. Deferred Compensation Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Fink's Jewelers, Inc. (the "Company") who have completed at least one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the IRS annual dollar limit of pretax and Roth elective deferrals, as defined in the Plan. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. The auto enrollment deferral rate is increased by 1% effective each September 1 up to a maximum of 10% unless the participant elects a different deferral percentage. The auto-enrollment feature automatically invests contributions in a designated target retirement date fund until changed by the participant. Participants may elect to change deferral rates at any time during the plan year.

Participants who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year are eligible to receive Company contributions, as defined. The Company may make discretionary matching contributions. The Company matched 50% of participant deferrals up to 6% of compensation for the year ended August 31, 2023 and 2022. Additional discretionary amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain statutory limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, if any, and an allocation of Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service.

Note 1. Plan Description (Continued)

Payments of benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum distribution or installment payments equal to the value of the participant's vested interest in his or her account. Vested balances of \$5,000 or less will be automatically distributed in accordance with Plan provisions. In-service distributions are allowed from vested accounts at age 59 ½.

Administrative expenses

Plan fees and administrative expenses are paid by the Company on a discretionary basis.

Forfeited accounts

At August 31, 2023 and 2022, forfeited non-vested accounts totaled \$14,427 and \$339, respectively. Forfeited non-vested accounts may be used to reduce future employer contributions or to pay administrative expenses. No forfeitures were used to reduce Plan expenses for the year ended August 31, 2023. The employer contribution receivable at August 31, 2023 is presented net of \$14,488 forfeitures utilized when the contribution was funded.

Note 2. Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are recorded at fair value except for fully-benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

DEFERRED COMPENSATION PLAN

NOTES TO FINANCIAL STATEMENTS
August 31, 2023

Note 2. Significant Accounting Policies (Continued)

Investment valuation and income recognition (Continued)

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit payments

Benefit payments are recorded when paid.

Subsequent events

Subsequent events have been evaluated through February 26, 2024, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Note 3. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2023 and 2022.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>August 31, 2023</u>		
Mutual Funds	\$ 16,848,964	\$ 16,848,964
Total	<u>\$ 16,848,964</u>	<u>\$ 16,848,964</u>
<u>August 31, 2022</u>		
Mutual Funds	\$ 15,955,286	\$ 15,955,286
Total	<u>\$ 15,955,286</u>	<u>\$ 15,955,286</u>

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Note 4. Related-Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Certain Plan investments are shares of mutual funds issued and managed by Fidelity; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity Management Trust Company amounted to \$14,697 for the year ended August 31, 2023. Other fees were paid to CapFinancial Partners and New Market Wealth Management LLC for advisory services during the Plan year.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

Note 6. Tax Status

The Plan was restated effective March 1, 2022 to a volume submitter plan sponsored by Fidelity Management & Research Company. Fidelity Management & Research Company received a letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that its volume submitter plan is designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of August 31, 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
