INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Olympus Building Services 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Olympus Building Services 401(k) Profit Sharing Plan and Trust (“Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of March 22, 2022 (date of liquidation), and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to March 31, 2022 (date of liquidation), and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of March 22, 2022 (date of liquidation) and for the period from January 1, 2022 to March 22, 2022 (date of liquidation), stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the 2022 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Olympus Building Services 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 Financial Statements.

Emphasis of Matter-Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of Olympus Building Services 401(k) Profit Sharing Plan and Trust approved a plan of liquidation on July 31, 2021, and liquidated the plan as of March 22, 2022. As a result, the Plan changed its basis of accounting from the liquidation basis used in presenting the 2021 financial statements to the liquidated basis used in presenting the 2022 Financial Statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section the 2022 Financial Statements of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Olympus Building Services 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by Friedman LLP (“Friedman”), whose practice merged with Marcum LLP as of September 1, 2022. Friedman performed an audit of the 2021 financial statements of Olympus Building Services 401(k) Profit Sharing Plan and Trust. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution.

The report dated October 12, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified information, were presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Olympus Building Services 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more detailed and complete description of the Plan's provisions.

GENERAL AND ELIGIBILITY

The Plan is a 401(k) and profit sharing plan covering employees of Olympus Building Services, Inc. (the "Company" and "Plan Sponsor"). An employee of the Company is eligible to participate in the Plan and receive an employer match and profit sharing contribution after completing 90 days of service, provided he or she is at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ERISA. The Investment Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan's investments are administered and held in a trust by the Plan's Custodian, Ascensus Trust Company (the "Custodian" or "Ascensus"). Ascensus is also the record keeper of the Plan.

PLAN TERMINATION AND VESTING

In July 2021, the Company elected to terminate the Plan effective July 31, 2021. At that time, participants became 100% vested in their accounts, the Plan ceased employee contributions into the Plan and ceased new participants from entering the Plan. The Plan was frozen as per the Plan document effective July 31, 2021. Plan assets were fully liquidated and distributed in March 2022.

CONTRIBUTIONS

Each year, participants may elect to defer to the Plan up to 100% of their compensation, including Roth contributions, as defined in the Plan and subject to the Internal Revenue Code ("IRC"). Participants who are age of 50 years or older may also make "catch up" contributions as allowed by the IRC. Participants may make a rollover contribution of amounts distributed from another tax-qualified pension or profit sharing plan. The Company may make both safe harbor and profit sharing contributions.

FOR THE PERIOD JANUARY 1, 2022 THROUGH MARCH 22, 2022 (DATE OF
LIQUIDATION) AND FOR THE YEAR ENDED DECEMBER 2021**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

During 2021, the Company elected to make a safe harbor match contribution equal to 100% of each participant's salary deferrals that does not exceed 3% of the participants compensation, plus 50% of the amount of the participant's salary deferral that exceeds 3% of the participant's compensation but does not exceed 5% of the participant's compensation. The profit sharing contribution is discretionary and is allocated based on a participant's compensation in relation to total participants' compensation. For the year ended December 31, 2021 and period ended March 22, 2022 (date of liquidation), the Company elected not to make a profit sharing contribution.

INVESTMENT OPTIONS

Participants may direct the investment of their account balances into various investment options offered by the Plan. Investment options include money market and mutual funds. Participants may change their investment options at any time.

The Pension Protection Act created the Qualified Default Investment Alternative ("QDIA") which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own interest. The Plan has selected the T. Rowe Price Retirement target date funds as its QDIA.

PARTICIPANT ACCOUNTS

Individual participant accounts are maintained for each Plan participant. Each participant's account is credited with the participant's pretax or roth contributions and employer safe harbor matching contributions, as well as allocations of (a) the Company's profit sharing employer contribution (if any) and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of the value of the participant's vested account balance. The notes are secured by the balance in the participant's account. A note may be repaid in full as of any date without penalty. Interest rates ranged from 4.25% to 4.75% on borrowings outstanding at December 31, 2021, and loans matures through January 2022. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS

If a participant's vested benefit in the Plan is \$1,000 or less, the distribution will be paid in one lump sum payment. If a participant's vested benefit in the Plan exceeds \$1,000, the distribution may be paid in one lump sum payment or over a series of payments. If the participant's vested account balance is \$5,000 or less, then a distribution will be made to the participant as soon as practicable after termination of employment. If the participant's vested account balance exceeds \$5,000, no distribution may be made to the participant without the written consent of the participant.

HARDSHIP WITHDRAWALS

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant account and the vested value of his or her Company contributions account if he or she has attained age of 59-1/2 or becomes totally and permanently disabled, or all or a portion of the value of his or her participant account in the event of demonstrated financial hardship, subjected to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

FORFEITED ACCOUNTS

The portion of a participant's account balance attributed to the Company's profit sharing contributions that is not vested upon termination of employment will be forfeited and may be used in future periods to reduce the Company's contributions or pay plan administrative expenses. At March 22, 2022 (date of liquidation) and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$20, respectively. During 2022 and 2021, \$20 and \$4,390 of forfeitures were used to pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

As further discussed in Note 1 to the financial statements, the Company elected to terminate the Plan effective July 31, 2021. The financial statements of the Plan were prepared using the liquidation basis of accounting, in accordance with U.S. generally accepted accounting principles (GAAP). This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settled amounts. All assets of the plan were liquidated and distributed as of March 22, 2022.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in the loan fund balance. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a deemed distribution based on the terms of the Plan document. As of March 22, 2022 (date of liquidation) and December 31, 2021, in management's opinion, all notes receivable are fully collectible, accordingly, no allowance for credit losses has been recorded.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

MANAGEMENT FEES

Management fees charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected in the net (depreciation) appreciation in fair market value of such investments.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Plan expenses totaled \$5,972 and \$9,174 for the period from January 1, 2022 to March 22, 2022 (date of liquidation) and year ended December 31, 2021, respectively.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. It applies to fair value measurements already required or permitted by existing standards. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

MONEY MARKET AND MUTUAL FUNDS

Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded.

MONEY MARKET AND MUTUAL FUNDS (CONTINUED)

The Plan had no assets measured at fair value as of March 22, 2022 (date of liquidation).

The following table sets forth by level, withing the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Total
Mutual funds	\$ 940,918	\$ 940,918
Money market funds	<u>9,867</u>	<u>9,867</u>
Investments, at Fair Value	<u>\$ 950,785</u>	<u>\$ 950,785</u>

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period January 1, 2022 to March 22, 2022 (date of liquidation) and year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian. This information has not been audited by the Plan's independent auditors.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, however, they are exempt from the prohibited transactions rules under ERISA.

Fees paid to Ascensus for administrative expenses amounted to \$5,972 and \$9,174 during the period January 1, 2022 to March 22, 2022 (date of liquidation) and year ended December 31 2021, respectively.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays these individuals' salaries and other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

NOTE 6 - PLAN TERMINATION

As discussed in Note 1, the Company elected to terminate the Plan effective July 31, 2021. As a result of the termination of the Plan, participants became 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Company adopted a Pre-approved Prototype Plan offered by the Plan's Custodian. The Pre-approved Prototype Plan obtained its latest opinion letter on June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended and restated since receiving the opinion letter. The Plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of March 22, 2022 (date of liquidation) and December 31, 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

The Company evaluated subsequent events through March 11, 2024, the date these financial statements were available to be issued. Other than the matter noted below, there were no events identified that required recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
