**Independent Auditor's Report**

To the Board of Trustees of  
The Plumbers and Steamfitters Local Union No. 248  
Annuity Fund

**Report on the Financial Statements**

We have audited the accompanying financial statements of the Plumbers and Steamfitters Local Union No. 248 Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plumbers and Steamfitters Local Union No. 248 Annuity Fund as of May 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plumbers and Steamfitters Local Union No. 248 Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plumbers and Steamfitters Local Union No. 248 Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plumbers and Steamfitters Local Union No. 248 Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plumbers and Steamfitters Local Union No. 248 Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held at End of Year as of May 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plumbers and Steamfitters Local Union No. 248  
Annuity Fund

Notes to Financial Statements

**1. Description of Plan**

The following description of the Plumbers and Steamfitters Local Union No. 248 Annuity Fund, (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description for a more detailed explanation.

**General**

The Plan is a defined contribution plan providing disability, death and normal retirement benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan and related Trust were effective on June 1, 2014 pursuant to an agreement between the Plumbers and Steamfitters Local Union No. 248 and the employers signatory to the collective bargaining agreement.

**Contributions**

Participating employers contribute, on behalf of their employees, \$2.56 and \$2.06 per hour worked for the years ended May 31, 2023 and 2022, respectively. The amount of contributions is set forth in the collective bargaining agreement between the union and the employer.

**Participant Accounts**

Effective March 1, 2021, the Plan engaged John Hancock Retirement Plan Services LLC to be the recordkeeper. Beginning on that date, the Plan became a participant-directed account. Each participant's account is credited with the contributions by the contributing employer based on hours worked by the participant and plan earnings based on the participant's account balance. Each participant's account is reduced by an equal administrative charge. Participants direct the investment of their account by designating the proportion of their account to be allocated to the separate investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the balance in the participant's account.

**1. Description of Plan (continued)**

**Vesting**

Vesting in employer contributions portion of their accounts plus earnings thereon is based on years of service. The vesting schedule is as follows:

| <u>Years of Service</u> | <u>Vested</u> |
|-------------------------|---------------|
| Less than 1             | 0%            |
| 1, but less than 2      | 20%           |
| 2, but less than 3      | 40%           |
| 3, but less than 4      | 60%           |
| 4, but less than 5      | 80%           |
| 5 or more               | 100%          |

A person shall always be 100% vested in a rollover account. A year of service is a Plan year in which a participant completes 500 hours of service. Participants who were a participant in the Plumbers and Steamfitters Local No. 248 Pension Trust Fund will receive one year of service for each year of continuous service accumulated under the Pension Trust Fund as of March 31, 2014, up to a maximum of five years.

**Forfeitures**

Participants who have five consecutive breaks in service, or when initial eligibility has not been established, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures are utilized to reduce the Plan's administrative expense for the Plan year. For the plan years ended May 31, 2023 and 2022, forfeitures amounted to \$0 and \$0, respectively.

**Payment of Benefits**

On termination of covered employment, due to early retirement (age 59 ½), and termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump-sum distribution, a life annuity, or any other form of payment that may be permitted under the Plan at the time of distribution. Participants who terminate covered employment due to normal retirement (age 65), disability, or death shall be entitled to 100% of the account balance.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. Actual results could differ from these estimates.

**Recent Accounting pronouncements**

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ASU No. 2018-13, Fair Value Measurement (Topic 820) Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement. The amendments in this update modify the disclosures requirements on fair value measurements in Topic 820. This ASU is effective for the fiscal years beginning after December 15, 2019 for all entities, with early adoption permitted. Management has adopted this new requirement related to the removal and modification of certain fair value disclosures.

**Employer Contributions and Reciprocals (Net)**

Contributions paid from employers under union agreements and reciprocals received, less reciprocals paid (net) for the fiscal years ended May 31, 2023 and 2022, is comprised of the following:

|                                              | <u>2023</u>         | <u>2022</u>         |

| Employer contributions and reciprocals (net) | <u>\$ 2,014,048</u> | <u>\$ 1,170,676</u> |

**Subsequent Events**

Subsequent events were evaluated through February 21, 2024, the date the financial statements were available to be issued.

**3. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Plumbers and Steamfitters Local Union No. 248  
Annuity Fund

Notes to Financial Statements (continued)

**3. Fair Value Measurements (continued)**

Level 2 - Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2023 and 2022.

- Mutual Funds/Money Market Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Change Commission. These funds are required to publish their daily net asset value (NAV) and to transact that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Mutual funds and money market funds below determine fair value using a calculated net asset per share, or its equivalent. As of May 31, 2023 and 2022, there were no unfunded commitments related to these investments. These investments can be redeemed daily with no redemption notice required.

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following tables summarize investments measured at fair value based on net asset value (NAVs) per share as of May 31, 2023 and 2022:

|                               | Fair Value | Unfunded Commitments | Redemption Frequency | Redemption Notice Period |

- (a) Withdrawals from the John Hancock Stable Value Fund are generally permitted on a daily basis with no notice period. Notwithstanding such 12 month deferral, qualified participant-initiated benefit payments generally will continue to be made during such period.

**4. Plan Termination**

In the event that termination of the Trust Fund is decided upon, the Trustees shall

- Make provision out of the Trust Fund for the payment of expenses incurred up to the date of termination and the expenses incident to such termination.
- Arrange for a final audit and report of their transactions and accounts for the purpose of termination of their Trusteeship.
- Continue to apply the Trust Fund to the obligations and purposes of the Trust and distributes and apply any remaining surplus in such manner as will, in their opinion, best effectuate the purposes of the Trust.
- In the event of dissolution and/or termination of the Trust Fund, all of the assets of the Fund, after payment of expenses, will go for none other than the purposes declared exempt under Section 501 (c) (3) of the Internal Revenue Code.

**5. Tax Status**

The Internal Revenue Service has determined and informed the Plan's trustees by a letter dated June 17, 2015, that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of May 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosures in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
