## Independent Auditor's Report

Freed-Hardeman University  
403(B) Retirement Plan  
158 E. Main Street  
Henderson, TN 38340-2398

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Freed-Hardeman University 403(B) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Freed-Hardeman University 403(B) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of May 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Freed-Hardeman University 403(B) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Freed-Hardeman University 403(B) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Freed-Hardeman University 403(B) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Freed-Hardeman University 403(B) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

A handwritten signature in blue ink that reads "ATA, PLLC".

**FREED-HARDEMAN UNIVERSITY 403(B) RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

May 31, 2023 and 2022

**NOTE 1 – PLAN ADMINISTRATION AND DESCRIPTION**

The following brief description of the Freed-Hardeman University 403(B) Retirement Plan is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

**A. General**

The Plan is a defined contribution plan covering certain employees of Freed-Hardeman University (the "University"). The Plan was created on June 1, 2011 by the merger of the Freed-Hardeman University Defined Contribution Retirement Plan (Plan #001) and the Freed-Hardeman University Tax Deferred Annuity Plan (Plan #002). The University is a not-for-profit entity as defined by Section 501(c)(3) of the Internal Revenue Code. The Plan is subject to the 403(B) provisions of the Employee Retirement Income Security Act of 1974 (ERISA). 403(B) plans require universal availability; therefore, participation is not subject to minimum age, hours or years of service requirements.

**B. Contributions**

Each participant may contribute up to the maximum percentage allowed by the IRS for the plan year. The University determines the percentage it will match at the end of each Plan year. For the years ended May 31, 2023 and 2022, the University matched 50% of deferrals up to 6% of salary deferrals.

**C. Participants' Accounts**

Each participant account is credited with the participant's contribution and allocation of the University's contribution and plan earnings and charged with an allocation of administrative fees. Allocations are based on participant compensation, as defined by the Plan. The Plan provides benefits based solely upon the amount contributed to the participant's account and any income, expenses, gains and losses on investments, which may be allocated to such participant's account.

**D. Vesting**

Participants are immediately vested in their voluntary contributions and employer contributions plus earnings thereon.

**E. Investment Options**

Contributions to the Plan are invested into any of the investment funds available under the Plan provisions, in such proportions as the participants direct. Participants may change investment options at any time.

**F. Payments of Benefits**

Benefits are generally payable on termination, retirement, or death. Benefits may be paid by lump-sum or installments.

**G. Participant Loans**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8%. Principal and interest is paid ratably through quarterly pay.

**NOTES TO FINANCIAL STATEMENTS**  
May 31, 2023 and 2022

**H. Forfeitures**

Forfeitures are used to pay reasonable plan expenses first then allocate from all forfeitures as additional discretionary matching contributions. No forfeitures were used for the years ended May 31, 2023 and 2022, respectively.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Method of Accounting**

The financial statements are prepared on the accrual method of accounting in that revenues are recognized when earned and expenses are recognized when incurred.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. No investment contracts were determined to be fully benefit-responsive investments. Therefore, the statements of net assets available for benefits and the statement of changes in net assets are prepared on a fair value basis.

**B. Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**C. Investment Valuation and Income Recognition**

The Plan's investments are stated at fair market value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**D. Income Taxes**

Effective October 16, 2019 the Employer adopted the Alexander Thompson Arnold PLLC 403(b) Volume Submitter Plan. That Plan received a favorable determination letter on June 30, 2020. The Plan has been amended since that date to remain in compliance with Internal Revenue Code revisions. Management believes the amendments would not affect the qualified status of the Plan and therefore, the Plan qualifies under Internal Revenue Code Section 401(a) and the trust is exempt from federal income taxes. The University is required to file and does file Form 5500 with the Internal Revenue Service.

**E. Subsequent Events**

Subsequent events were evaluated through March 9, 2024, which is the date the financial statements were available to be issued.

**NOTE 3 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS**

May 31, 2023 and 2022

**NOTE 4 - INVESTMENTS**

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following investment information as of and for the years ended May 31, 2023 and 2022, included throughout the Plan's financial statements and supplemental schedule, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Teachers Insurance and Annuity Association of America and College Retirement Equities Fund ("TIAA-CREF") and Voya Retirement Insurance and Annuity Company.

- A) Investments at the beginning and end of the year.
- B) Changes in net assets resulting from investment activities.
- C) Information included in the supplemental schedule of assets held at end of year.

**NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain Plan investments are administered by Voya Retirement Insurance and Annuity Company and Teachers Insurance and Annuity Association of America and College Retirement Equities Fund ("TIAA-CREF"). Voya Retirement Insurance and Annuity Company and TIAA-CREF are the Plan asset custodians. Therefore, these transactions qualify as party-in-interest transactions.

**NOTE 6 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* – inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan can access.

*Level 2* – quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset or inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

*Level 3* – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on May 31, 2023 and 2022.

The mutual funds are valued based on the quoted market price of the underlying mutual funds.

The investment contract with insurance company is valued based on a formula in the contract with the credited rate being the significant other observable input. The fixed account is valued at the approximate amount that would have been paid if the contract had been terminated as of May 31, 2023 and 2022 and potential surrender charges and market value adjustments were applied as of such date.

The TIAA Traditional Annuity is reported at contract value. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions, interest credited to the plan's contracts and transfers, if any, less any withdrawals and transfers, if any.

**FREED-HARDEMAN UNIVERSITY 403(B) RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

May 31, 2023 and 2022

The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable. While transactions involved in the purchase / sales of individual TIAA contracts are not observable in a public marketplace, contract value may provide a good approximation of fair value. The unobservable significant input is the discount rate.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of May 31, 2023 and 2022:
