INDEPENDENT AUDITORS' REPORT

To the Trustees of the
403(b) Thrift Plan of The Arc Baltimore, Inc.

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We performed audits of the accompanying financial statements of the 403(b) Thrift Plan of The Arc Baltimore, Inc. (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 30, 2023 and 2022, the related Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from a qualified institution as of June 30, 2023 and 2022 and for the year ended June 30, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION ON THE FINANCIAL STATEMENTS

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

INDEPENDENT AUDITORS' REPORT, CONTINUED

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT, CONTINUED

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 **DESCRIPTION OF PLAN**

The following brief description of the 403(b) Thrift Plan of The Arc Baltimore, Inc. (Plan) is provided for general information purposes only. Participants should refer to the Plan documents or the Summary Plan Description for complete information.

GENERAL

The Plan is a defined-contribution plan open to all employees of The Arc Baltimore, Inc. (Company). Participants are eligible to receive Company contributions once they complete 1,000 hours of service within a period of 12 consecutive months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to certain annual limitations in the Internal Revenue Code. The Company will make matching contributions of 100% of a participant's deferral that does not exceed 1% of total compensation and 50% of the participant's deferral in excess of 1% of total compensation but not to exceed 3% of total compensation. The Company will also make a non-matching contribution equal to a percentage of the participant's eligible pay based on the participant's years of service. The Company may also make an additional contribution at its discretion.

FORFEITURES

At June 30, 2023 and 2022, forfeited nonvested accounts totaled \$3,028 and \$706, respectively. Forfeitures are used to reduce future Company contributions in accordance with the Plan documents. During the year ended June 30, 2023, the Company used approximately \$84,000 of the forfeitures to reduce contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, any Company contributions, and an allocation of any Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

(See Independent Auditors' Report)

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct contributions to specified investment options. Specific information regarding these options may be obtained from the Plan Administrator. Participants may change their investment options at any time.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. A participant's interest in Company contributions becomes fully vested and nonforfeitable upon six years of service, retirement, disability (as defined by the Plan), or death of the participant.

PAYMENT OF BENEFITS

In the case of normal retirement, retirement due to permanent disability, or termination of employment, a participant may elect to receive the value of the participant's account in a lump-sum distribution or mutually agreed-upon alternative manner. If a participant dies before retirement, the beneficiary will receive the value of the participant's account in a lump-sum distribution or mutually agreed-upon alternative manner.

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. In addition, the Company provides services to the Plan without charge. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements were prepared on the accrual basis of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

(See Independent Auditors' Report)

ACCOUNTING STANDARDS CODIFICATION

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

VALUATION OF INVESTMENTS

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. See Note 4 for a discussion of fair value measurements.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

RISK AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through March 8, 2024, the date the financial statements were available to be issued.

NOTE 3 INVESTMENTS CERTIFIED BY THE CUSTODIAN

The Plan's investments were held by the Custodian, Mutual of America Life Insurance Company, at June 30, 2023 and 2022. Financial information related to those investments is

(See Independent Auditors' Report)

included in the accompanying financial statements based on information certified by the Custodian. The information was not audited by the Plan's independent auditors.

As of June 30, 2023 and 2022, certified investment information consisted of the following:

	<u>2023</u>	<u>2022</u>
Pooled Separate Accounts	\$ 16,872,203	\$ 14,700,366
Guaranteed Interest Account	4,236,669	4,356,507
Total Investments	<u>\$ 21,108,872</u>	<u>\$ 19,056,873</u>

During 2023, certified investment income consisted of the following:

Net Appreciation in Fair Value of Investments	\$ 1,770,043
Interest	39,745

NOTE 4 VALUATIONS OF INVESTMENTS

The Fair Value Measurements and Disclosures Topic of the Codification establishes a hierarchal disclosure framework, which prioritizes and ranks the level of market price observability used in measuring investments and other financial instruments at fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(See Independent Auditors' Report)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodology used for assets measured at fair value. There were no changes in the methodology used at June 30, 2023 and 2022.

Pooled Separate Accounts: Valued at the closing net asset value (NAV) of shares held by the Plan. NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments, which are traded on an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022:

	Level 2 and Total	
	2023	2022
Pooled Separate Accounts	\$ 16,872,203	\$ 14,700,366

NOTE 5 INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan entered into investment contracts with Mutual of America Life Insurance Company, which are fully benefit-responsive investment contracts and, therefore, reported at contract value. Contract value, as reported to the Plan by Mutual of America Life Insurance Company, represents contributions made under the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the Plan's ability to transact at contract value with Mutual of America Life Insurance Company. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash

(See Independent Auditors' Report)

provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 **PLAN TERMINATION**

Although it did not express any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and the value of the interests of all participants and beneficiaries shall be determined and distributed to them in a lump sum.

NOTE 7 **TAX STATUS**

The Plan Administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provisions for income taxes were included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded there were no uncertain tax positions as of June 30, 2023.

NOTE 8 **PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by the Custodian of the Plan. These transactions qualify as party-in-interest transactions. The Plan pays investment management and recordkeeping fees to parties in interest.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net appreciation in fair value of investments.

(See Independent Auditors' Report)

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
