## INDEPENDENT AUDITOR'S REPORT

Retirement Committee  
403(b) Thrift Plan of Families Forward

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Families Forward (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions, agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **NOTE 1 – DESCRIPTION OF PLAN**

The following description of the 403(b) Thrift Plan of Families Forward (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

##### General

The Plan is a defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established on January 1, 2009, and amended and restated January 17, 2020, by Families Forward (the “Employer”, “Plan Sponsor”) as a safe-harbor plan. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC).

##### Administration

The Plan is administered by the Retirement Committee. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Retirement Committee. Mutual of America Life Insurance Company (the “Custodian”) is responsible for the custody and the management of the Plan’s assets.

##### Eligibility

The Plan covers all employees of the Employer that are U.S. citizens. Employees are eligible to enter the Plan immediately upon employment with the Employer.

##### Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, in an amount not in excess of the maximum allowed by the IRC (\$20,500 for 2022). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2022). Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

##### Employer Contributions

The Employer makes safe harbor matching contributions based on 100% of the first 4% of eligible compensation. For the year ended December 31, 2022, the Employer made discretionary safe harbor matching contributions of \$104,495. The Employer shall make safe harbor base contribution based on 100% of the first 3% of eligible compensation. For the year ended December 31, 2022, the Sponsor made base contributions of \$127,296. Contributions are subject to certain IRS limitations.

##### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested immediately in the Employer’s contribution portion of their accounts.

## 403(B) THRIFT PLAN OF FAMILIES FORWARD

### NOTES TO FINANCIAL STATEMENTS

#### **NOTE 1 – DESCRIPTION OF PLAN (Continued)**

##### Participant Accounts

Each participant's account is credited with the participant's contributions and Employer matching contribution, as well as allocations of the Employer's safe-harbor matching contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### Investment Options

Participants may direct participant and Employer safe-harbor contributions as desired in any of several investment options offered by the Plan. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the Custodian.

##### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested balance, not to exceed \$50,000. Note terms range from one (1) to five (5) years, except for notes related to the purchase of a primary residence. There is no limit to the number of loans a participant can have outstanding at one time. The loans are secured by the balance in the participant's account and bear interest at 3.25% as of December 31, 2022 and 2021, respectively, and mature through April 2032. Principal and interest are paid ratably through biweekly payroll deductions. Defaulted participants notes are reclassified as distributions based upon the terms of the Plan Document.

##### Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

##### Administrative Expenses

Management fees and operating expenses charged to the Plan are charged and reflected separately to individual participant accounts. The Employer pays substantially all other out-of-pocket administrative expenses of the Plan, which are excluded from these financial statements.

### NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies using information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements and Note 5 for contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought or sold, as well as held during the year.

Certain management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

#### Payment of Benefits

Benefits are recorded when paid.

## **403(B) THRIFT PLAN OF FAMILIES FORWARD**

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **NOTE 3 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN**

The Plan’s management has elected the method of compliance permitted by 29 CFR 2520.103–5(c) of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021, the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022; and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.

#### **NOTE 4 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

# 403(B) THRIFT PLAN OF FAMILIES FORWARD

## NOTES TO FINANCIAL STATEMENTS

### NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Pooled separate accounts:* Units held in pooled separate accounts (PSA) are valued at the daily closing price as reported by the account managers. PSA held by the Plan include funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transfer at that price. The funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| Investments at Fair Value as of<br>December 31, 2022 |                     |             |             |                     |

## **403(B) THRIFT PLAN OF FAMILIES FORWARD**

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **NOTE 5 – GUARANTEED INTEREST ACCOUNTS**

The Plan entered into a fully benefit-responsive investment contract with Mutual of America Life Insurance Company. Mutual of America Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the Guaranteed Investment Annuity Contract (GIA) is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GIA. Contract value, as reported to the Plan by Mutual of America Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero. The interest crediting rate is reset every six months.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete plan termination; or (3) plan disqualification. The investment in the guaranteed interest account is intended to be held until maturity although early liquidation could result in a termination charge.

Upon full or partial contract or plan termination and certain other sponsor-initiated events, distributions from the GIA may be subject to a liquidation value (market value) adjustment pursuant to a formula specified in the contract. The market value formula may produce a value that is more or less than the book value of the Plan's investment in the GIA.

## **403(B) THRIFT PLAN OF FAMILIES FORWARD**

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan transactions are managed by Mutual of America Life Insurance Company, the Custodian, and therefore, qualify as exempt “party-in-interest” transactions permitted by the United States Department of Labor (DOL) Rules and Regulations. The Employer, and Plan Administrator are also a party-in-interest with respect to the Plan. Fees paid by the Plan to the Custodian amounted to \$859 for the year ended December 31, 2022. Notes from participants and the related interest income are also considered related party transactions.

#### **NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for plan benefits.

One fully benefit-responsive insurance annuity contract, and one pooled separate account held over 34% of the Plan’s investments at December 31, 2022. As such, this is considered to be a concentration of credit risk.

U.S. GAAP requires the financial statements to present the fair value of investments. The GIA has been presented at contract value, which approximates fair value, as reported to the Plan by Mutual of America Life Insurance Company. This determination is based on Mutual of America Life Insurance Company’s credit rating and yield during 2022 being comparable to similar alternative investments and the interest rate which resets annually being comparable to a ten-year treasury bond. In subsequent periods, if market conditions change, such as the insurance company credit rating or interest rate environment, the difference between contract value and fair value could become significant causing the financial statements to become materially misstated.

#### **NOTE 8 – TAX STATUS**

The Plan is intended to comply with the applicable requirements of Section 403(b) of the IRC, as amended. A tax determination letter program is not yet available for IRC Section 403(b) plans through the IRS. The Plan Administrator believes the Plan is currently designed and operated in compliance with applicable requirements of the IRC and, as such, is exempt from federal income taxes. Therefore, no provision for income tax has been included in the Plan’s financial statements. The Plan’s management will make any changes deemed necessary to ensure the Plan maintains its tax-exempt status.

## **403(B) THRIFT PLAN OF FAMILIES FORWARD**

### **NOTES TO FINANCIAL STATEMENTS**

---

#### **NOTE 8 – TAX STATUS (Continued)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, respectively, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 9 – PROHIBITED TRANSACTIONS**

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the Plan year ended December 31, 2022 and 2021, the Employer inadvertently failed to remit certain participant contributions totaling \$205,632 and \$26,161, respectively, of participant deferrals within the required timeframe as stated by the DOL. In October 2023, the Employer paid lost earnings of \$507 related to late participant deferrals related to 2022 outside of the DOL's Voluntary Fiduciary Correction Program, which were paid from the Employer's assets and not from assets of the Plan. Mutual of America Life Insurance Company plans to deposit the lost earnings of \$78 related to 2022 on the Plan Sponsor's behalf on the remaining late contributions in 2024. The Plan Sponsor has elected to pay lost earnings and excise tax payments on the late deferrals outside of the DOL's Voluntary Fiduciary Correction Program in 2024 for the 2021 plan year.

#### **NOTE 10 – PLAN TERMINATION**

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants would become 100% vested in all contributions. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.
