## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
Pacific Bath Company 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements**

We have performed an audit of the accompanying financial statements of Pacific Bath Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of May 26, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 to May 26, 2023, and the related notes to the financial statements ("2023 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pacific Bath Company 401(k) Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a Company or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the Company or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended May 26, 2023, stating that the certified investment information, as described in Note 7 to the 2023 financial statements, is complete and accurate.

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Pacific Bath Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2023 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 financial statements.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pacific Bath Company 401(k) Plan's ability to continue as a going concern for one year after the date the 2023 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2023 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pacific Bath Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2023 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pacific Bath Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4(a) – Delinquent Participant Contributions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Emphasis of Matter – Plan Merger**

As discussed in Note 1A to the financial statements, effective January 1, 2023, the Plan was formally amended and approved for merger into the Titan Home Improvement 401(k) Plan. As a result, all Plan assets were transferred out of the Plan on May 26, 2023. Our opinion is not modified with respect to that matter.

## Report on Compiled 2022 Financial Statement

Plan management is responsible for the accompanying financial statement of Pacific Bath Company 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2022. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of Pacific Bath Company 401(k) Plan as of and for the year ended December 31, 2022.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Pacific Bath Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(A) GENERAL

The Plan was established on January 1, 2019 by Specialty Contractor Northwest, LLC d/b/a Pacific Bath Company (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code (the "Code"). The Plan covered eligible employees who were at least 21 years of age and who had completed one year of service, as defined. The Plan was subject to and conformed with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2023, plan management formally amended the Plan and approved the merger of the Plan with and into the Titan Home Improvement 401(k) Plan. As a result, all assets were transferred from the Plan into the Titan Home Improvement 401(k) Plan on May 26, 2023.

Minnesota Life Insurance Company, LLC, a qualified institution, was the appointed custodian of the Plan as of May 26, 2023 and December 31, 2022, respectively.

(B) CONTRIBUTIONS

Participants elected to contribute to the Plan a portion of their compensation, as defined by the Plan, on a pre-tax and after-tax (Roth) basis, subject to Internal Revenue Service ("IRS") and other limitations. Additionally, participants contributed amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contribution). Catch-up contributions were permitted for participants who are 50 or older during the Plan year.

The Company makes safe harbor non-elective contributions equal to 3% of eligible compensation for the Plan year for eligible participants. The Company may also elect to make discretionary matching and non-elective profit-sharing contributions. There were no discretionary matching or non-elective profit-sharing contributions made during the period ended May 26, 2023.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(C) VESTING

Participants were immediately vested in their contributions and employer safe harbor non-elective contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and non-elective profit-sharing contributions plus actual earnings thereon was based on years of continuous service with the Company as follows:

<u>Years of service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants were 100% vested, regardless of years of service, when they reach normal retirement age, are totally or permanently disabled, or death occurs.

(D) PAYMENT OF BENEFITS

Benefits were payable on termination of service due to retirement, termination, disability or death. Participants or their beneficiaries elected to receive a lump-sum distribution, annual installments or partial withdrawals, as defined in the Plan document. Eligible participants could also make hardship withdrawals, as defined.

(E) PARTICIPANT ACCOUNTS

Each participant's account was credited with the participant's contribution, the Company's matching and non-elective contributions, and an allocation of the investment earnings, based upon each participant's election, and charged with an allocation of administrative expenses paid by the Plan. The benefit to which a participant was entitled upon withdrawal from the Plan, as defined above, was the vested balance in the participant's account.

(F) INVESTMENT OPTIONS

Participants directed their elective 401(k) contributions, rollovers, if any, as well as Company discretionary matching and non-elective contributions to the Plan in a variety of investment options as more fully described in the Plan document. Participants were also able to change their investment options and deferral percentages at their discretion.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(G) NOTES RECEIVABLE FROM PARTICIPANTS

Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 minus the difference between the highest outstanding balance of loans in the past twelve months and the outstanding loans on the date the new loan is being requested or (b) 50% of their vested account balance. The notes bore interest at a fixed interest rate through maturity. Participants were permitted to have one loan for the purchase of a primary residence and one loan for any other purpose outstanding at any time.

The loans were secured by the balance in the participant's account. Principal and interest was repaid through payroll deductions over a period of no more than five years unless the loan was used to purchase a primary residence. If a participant did not make loan repayments and the plan administrator considered the participant loan to be in default, the loan balance was reduced, and the delinquent participant note receivable was recorded as a benefit payment based on the terms of the Plan document.

(H) FORFEITED ACCOUNTS

Pursuant to the Plan, forfeited non-vested accounts were able to be used to pay Plan expenses or reduce future employer contributions. There were no forfeitures available to be utilized during the period from January 1, 2023 to May 26, 2023 and the year ended December 31, 2022.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

(A) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting for defined contribution plans in accordance with accounting principles generally accepted in the United States of America ("GAAP").

(B) INVESTMENT VALUATION AND INCOME RECOGNITION

Assets of the Plan were reported at fair value, except for fully benefit-responsive contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Note 3 further details the fair value measurements of the Plan. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(B) INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities were recorded on a trade date basis. Dividend and interest income were recorded by the custodian in the period earned. Net realized and unrealized appreciation or depreciation in fair value of investments consisted of the change in unrealized appreciation or depreciation and the realized gain or loss on the sales of investments during the year. Acquisition costs were included in the cost of investments purchased and sales were recorded net of selling expenses. Investments were self-directed by the individual Plan participants.

(C) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

(D) USE OF ESTIMATES

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Accordingly, actual results may differ from those estimates.

(E) RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(F) PAYMENT OF BENEFITS

Benefits were recorded when paid.

(G) PLAN ADMINISTRATION EXPENSES

Certain expenses of maintaining the Plan were paid by the Company and were therefore excluded from these financial statements. Investment-related expenses were included in net appreciation or depreciation in fair value of investments. During the period from January 1, 2023 to May 26, 2023, approximately \$3,000 in administrative expenses were incurred by the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(H) ADOPTION OF ACCOUNTING PRONOUNCEMENTS

The Plan evaluated new accounting pronouncements for relevance and impact on its financial statements. Management does not expect that timely adoption of new accounting pronouncements had a material impact on the Plan's net assets available for benefits.

(I) MANAGEMENT REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 14, 2024, the date on which the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for similar assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts – The fair value of pooled separate accounts is based on quoted net asset values ("NAV") of the shares held by the Plan at year-end.

The input levels used by investment category are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2023				
Pooled separate accounts	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2022 (Compiled)				
Pooled separate accounts	\$ -	\$ 1,687,454	\$ -	\$ 1,687,454
Total assets in the fair value hierarchy	<u>\$ -</u>	<u>\$ 1,687,454</u>	<u>\$ -</u>	<u>\$ 1,687,454</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the period ended May 26, 2023 are reported as net appreciation in fair value of investments.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a traditionally fully benefit-responsive investment contract with Minnesota Life Insurance Company (“MLIC”). The investment had a balance of \$118,209 as of December 31, 2022. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by MLIC, represents contributions plus credited interest less participant withdrawals and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent upon the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: the partial termination of the Plan and the removal of the investment as an eligible investment option of the Plan. At December 31, 2022, no events were considered probable that could limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 – PLAN TERMINATION AND MERGER

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance, including employer contributions.

Effective January 1, 2023, the Plan was merged into the Titan Home Improvement 401(k) Plan, all assets were transferred out of the Plan and the Plan was subsequently terminated.

NOTE 6 – TAX STATUS

The Plan has adopted a standardized plan, which has obtained an opinion letter from the Internal Revenue Service dated March 31, 2014, in which the IRS stated that the form of the Plan was acceptable under section 401 of the Code. Although the Plan has been amended from that prototype since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been made.

NOTE 6 – TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY THE PLAN CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life Insurance Company, LLC, the custodian of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of May 26, 2023 and December 31, 2022 and for the period from January 1, 2023 to May 26, 2023.

Total investment income	\$ <u>  109,267</u>	
Interest income on notes receivable from participants	\$ <u>       609</u>	

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan’s fully benefit-responsive investment contract is managed by Minnesota Life Insurance Company, LLC, the appointed custodian of the Plan’s assets during the period of January 1, 2023 to May 26, 2023 and for the year ended December 31, 2022. Therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.
