To the 401(k) Advisory Committee of
Baker Tilly US, LLP 401(k) Savings Plan and Participants
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Baker Tilly US, LLP 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended May 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of May 31, 2023 and 2022, and for the year ended May 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Baker Tilly US, LLP 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Baker Tilly US, LLP 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Baker Tilly US, LLP 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Baker Tilly US, LLP 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplementary Schedule Required by ERISA

The supplementary schedules of assets held at end of year and delinquent participant contributions as of and for the year ended May 31, 2023 are presented for purposes of additional analysis and are not required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The certified investment information in the supplementary schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BAKER TILLY US, LLP 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

MAY 31, 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of Baker Tilly US, LLP 401(k) Savings Plan, (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions, which is available from the plan administrator.

General

The Plan was established as a defined contribution profit sharing plan sponsored by Baker Tilly US, LLP (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The 401(k) Advisory Committee is responsible for oversight of the Plan. The 401(k) Advisory Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Plan assets are held and managed by Fidelity Management Trust Company (Fidelity or the Trustee), which invests contributions and Plan earnings, makes investment transactions as directed by the Advisory Committee and provides certain recordkeeping services. Fidelity also performs certain plan administration and annual ERISA compliance testing.

Contributions

Participants may elect to contribute up to 90 percent of pretax annual compensation, as defined in the Plan, in pre-tax, after-tax (Roth) or a combination of both contributions to the plan. Additionally, participants aged 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan document.

Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Rollover contributions include group rollovers as a result of Company mergers that occurred during the 2023 Plan year.

The Company has the option of contributing a safe harbor match to the Plan and/or a discretionary contribution, which is determined by the Company's Board of Directors. The safe harbor contribution is equal to 5 percent of annual compensation for all eligible participants who have completed six months of service by the last day of the Plan year. Effective on June 1, 2022, the safe harbor contribution percentage was increased from 3 percent to 5 percent. For the year ended May 31, 2023, the Company contributed a safe harbor contribution of \$29,825,213. The Company may contribute a discretionary profit sharing contribution to eligible participants who have completed six months of service and are actively employed on the last day of the Plan year. For the year ended May 31, 2023, the Company contributed a discretionary profit sharing contribution of \$21,098,592. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO FINANCIAL STATEMENTS

MAY 31, 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Participants self-direct the investment of their contributions into the various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 6 percent of eligible compensation. Participants who are automatically enrolled into the Plan will have their deferral rates increased by 1 percent per year to a maximum of 10%, unless they elect otherwise.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions and allocations of (a) the Company's contribution, if applicable, and (b) Plan earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are allocated based on participant earnings or account balances.

Vesting

Participants are vested immediately in their contributions and Company safe harbor and profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a maximum of 2 loans from their vested account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the excess (if any) of the highest outstanding balance of plan loans during the one-year period ending on the day before the loan is made over the outstanding balance of plan loans on the date the loan is made. The notes are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.25 percent at May 31, 2023, which are commensurate with local prevailing rates at the inception of the loans as determined quarterly by the plan administrator. Principal and interest is paid ratably through payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

NOTES TO FINANCIAL STATEMENTS

MAY 31, 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or his or her beneficiary(ies), may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments under a systematic withdrawal plan, or monthly payments under an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are allowed as defined in the Plan agreement.

Forfeited Accounts

At May 31, 2023 and 2022, forfeitures totaled \$178,045 and \$69,957, respectively. Such accounts are used to reduce employer contributions. During 2023, there were no forfeitures used. The Plan has immediate vesting, but forfeitures relate to participant accounts from merged firms that do contain vesting provisions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments. For the year ended May 31, 2023, administrative fees paid for by Plan assets totaled \$427,094.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets must be used for the exclusive benefit of participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

MAY 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting and Use of Estimates (Continued)

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily. The Plan's 401(k) Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the Plan's Trustee.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid, interest.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Fidelity has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of May 31, 2023 and 2022, the supplementary Schedule of Assets Held at End of Year as of May 31, 2023, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended May 31, 2023.

BAKER TILLY US, LLP 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2023 and 2022.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts consist of various investments including mutual funds, stocks, cash equivalents and other securities. These investments are valued at the closing price of the financial instrument for stocks, cash equivalents and other securities; and NAV for mutual funds as described above.

(Continued)

NOTES TO FINANCIAL STATEMENTS

MAY 31, 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Common collective trusts (CCT) are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets fair value:

Fair Value Measurements Using:

May 31, 2023	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 804,364,555	\$ -	\$ -	\$ 804,364,555

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of May 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

May 31, 2023				
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trusts	\$ 114,679,175	N/A	Daily	30 days
May 31, 2022				
Common collective trust	\$ 78,459,385	N/A	Daily	30 days

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Fidelity, the trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment manager services are included in net depreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 – TAX STATUS

The Plan has adopted a prototype non-standardized safe harbor profit sharing sponsored by Fidelity. The prototype plan has obtained a determination letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

BAKER TILLY US, LLP 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of May 31, 2023 and 2022, the Plan had investments of \$110,605,659 and \$96,782,056, respectively, which was concentrated in a singular investment fund.

NOTE 8 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to May 31, 2023 through February 28, 2024 (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring disclosure.

NOTE 9 – PROHIBITED TRANSACTIONS

During 2023, the plan sponsor failed to remit all employee contributions to the Plan on a timely basis, which is a prohibited transaction under ERISA. This was due to off cycle payrolls that were manually processed. The plan sponsor has completed the self-correction process on these late remittances and is in the process of automating this process to minimize the possibility of such occurrences in the future.
