## REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the  
Constructors, Incorporated 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Constructors, Incorporated 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended May 31, 2023 and 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters — Supplemental Schedules Required by ERISA**

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended May 31, 2023, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO FINANCIAL STATEMENTS**

**MAY 31, 2023 AND 2022**

### **A. Description of the Plan**

#### **General**

The following brief description of the Constructors, Incorporated (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Company’s corporate offices are located in Carlsbad, NM.

The Plan was effective June 1, 1997, restated most recently effective June 1, 2022, and is a defined contribution plan available to all employees of the Company who have attained age 21 and completed service requirements as listed in the plan document. All employees of the Company are eligible to participate in the Plan. Eligible employees may enter the Plan on the first day of February and the first day of August. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

The Plan is a multiple employer plan with TDM Leasing and CI Construction Services, Inc.

#### **Contributions**

Each year participants may contribute from one percent (1%) up to one hundred percent (100%) in one percent increments of pretax annual compensation, excluding overtime and bonuses for employee deferrals only, as defined in the Plan, limited to \$22,500 and \$20,500 for calendar year 2023 and 2022 respectively. Participants aged 50 or older may elect to defer additional amounts (called “catch-up contributions”), up to and \$7,500 and \$6,500 for calendar year 2023 and 2022 respectively, to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes a safe harbor matching contribution equal to 100% of employee salary deferrals up to 3% of base compensation, which includes overtime and bonuses, plus 50% of salary deferrals between 3% and 5%. Additional profit-sharing amounts may be contributed at the option of the Company’s management. No such additional contributions were made during 2023 or 2022.

#### **Participant Accounts**

Each participant’s account is credited with the participant’s contributions and Company’s matching contributions, as well as allocations of the Company’s profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined.

### NOTES TO FINANCIAL STATEMENTS (*continued*)

#### A. Description of the Plan – continued

##### Participant Accounts – continued

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are also vested immediately in the Company's safe harbor matching contribution plus actual earnings thereon. Participants are vested in any non-elective employer contributions as follows:

| <u>Years of Service</u> | <u>Vested<br/>Percentage</u> |
|-------------------------|------------------------------|
| Less than 2 years       | 0%                           |

| 6                       | 100%                         |

In the event of disability or death, the participant will become fully vested.

##### Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 and to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range up to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 10% in 2023 and 4.25% to 6.50% in 2022. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

##### Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) expenses incurred or necessary for medical care, described in Code section 213(d) for the participant, their spouse, children, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) payment of tuition and related educational fees for the next 12 months of post-secondary education for you or your spouse, children, or dependents;

(4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for burial or funeral expenses for the participants' deceased parent, spouse, children or dependents; (6) expenses for the repair of damage to a principal residence; or (7) expenses incurred on account of a federally declared disaster.

##### **Forfeitures**

At May 31, 2023 and 2022 there were no significant forfeited nonvested accounts. Additionally, no significant forfeitures were used to offset employer contributions during the years ended May 31, 2023 or 2022.

##### **Investment Options**

Upon enrollment in the Plan, participants direct the investment of their contributions and the Company's safe harbor matching contributions into various investment options offered by the Plan.

##### **Plan Expenses**

Significant administrative expenses are absorbed by the Plan as provided by the Plan document. The plan sponsor also pays a portion of expenses related to maintaining the Plan.

#### **B. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

##### **Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

##### **Contributions**

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

## **CONSTRUCTORS, INCORPORATED 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS (*continued*)**

#### **B. Summary of Significant Accounting Policies – continued**

##### **Investment Valuation and Income Recognition**

At May 31, 2023 and 2022, the Plan's investments were held in a pooled separate account which is stated at fair value and insurance contracts which are stated at contract value. The net appreciation in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from the income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value for benefits.

##### **Notes Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

##### **Payment of Benefits**

Benefits are recorded when paid.

##### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 and 2022 excess contributions to the applicable participants in February 2024 and 2023.

#### **C. Fair Value Measurements**

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

# CONSTRUCTORS, INCORPORATED 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS (*continued*)

### C. Fair Value Measurements – continued

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

The Plan's investments in the pooled separate account ("PSA") are valued at the net asset value ("NAV") of the underlying investments in mutual funds as reported by the issuer. NAV is calculated as the number of units held on a particular date multiplied by the unit value on that date. These underlying mutual funds are publicly traded in an open market and therefore, the NAV for the PSA is considered to have a readily determinable fair value.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the NAV of the PSA and, consequently, the fair value of the Plan's investments.

There have been no changes in the methodologies used at May 31, 2023 and 2022. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of May 31, 2023 and 2022. The Plan has no assets classified within Level 1 or Level 3 of the valuation hierarchy.

| May 31, 2023                                  |         |              |         |              |

### NOTES TO FINANCIAL STATEMENTS (*continued*)

#### **D. Investments Reported at Contract Value**

During 2020, the Plan entered into a traditional fully benefit-responsive contract with Transamerica Financial Life Insurance Company (“Transamerica”) which maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The investment contract held with Transamerica totaled \$449,173 and \$590,029 as of May 31, 2023 and 2022, respectively.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the insurance companies, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan’s investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

### **NOTES TO FINANCIAL STATEMENTS (*continued*)**

#### **E. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at May 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended May 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Financial Life Insurance Company, (the custodian of the Plan).

#### **F. Tax Status**

Effective June 1, 2022, the Plan was amended and restated by the adoption of the Pension Planning Consultants, Inc. Non-Standardized Pre-Approved Profit Sharing Plan with CODA which has a favorable opinion letter from the IRS dated June 30, 2020. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of May 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **G. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer non-elective employer contributions.

## CONSTRUCTORS, INCORPORATED 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS (*continued*)

#### H. Related-Party and Party-in-Interest Transactions

Part in interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Certain Plan investments are units of a pooled separate account managed by Transamerica Financial Life Insurance Company which acts as the custodians as defined by the Plan and, therefore, these transactions, as well as loans made to participants, qualify as party-in-interest transactions, exempt from the prohibited transaction rules. Certain custodians and recordkeepers charge asset management fees, which are netted against the appreciation in fair value of investments.

#### I. Reconciliation of Financial Statements to Form 5500

| Net increase (decrease) in net assets available for benefits per the Form 5500            | <u>\$ 25,897</u> | <u>\$ (507,870)</u> |

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

#### **K. Subsequent Events**

Management of the Plan evaluated all events that occurred after May 31, 2023 through March 13, 2024, the date the Plan's financial statements were available to be issued.

Effective November 17, 2023, the Plan was amended to change the year end to December 31 and the plan entry days to the first day of the first and seventh month of the Plan year.
